Partnering with God Thomas Jay Oord, Tim Reddish, Fran Stedman, Bonnie Rambob, 2021-09-01 The idea that we can partner with God strikes some people as audacious Others consider it pretentious Some may think it's downright blasphemous Can creatures actually partner with God This book answers that question in the affirmative The responses vary and the proposals provoke new insights Along the way the ideas break new ground It turns out partnering with God has various meanings and dimensions The seventy seven contributors explore this rich diversity in accessible language deep insight and multiple stories Their explorations inspire elucidate and motivate What they're saying This helpful book provides both important concepts and lived experience that invite us to consider how what we think about God affects how we live in the world Sarah Heaner Lancaster Methodist Theological School in Ohio These essays are insightful practical thoughtful and worth our consideration Each author brings unique insights into the divine Christopher Fisher *God is Open* Get a copy of *Partnering with God*

No Perfect People Allowed John Burke, 2005 How do we live out the message of Jesus in today's ever-changing culture The church is facing its greatest challenge and its greatest opportunity in our postmodern post-Christian world God is drawing thousands of spiritually curious imperfect people to become his church but how are we doing at welcoming them *No Perfect People Allowed* shows you how to deconstruct the five main barriers standing between emerging generations and your church by creating the right culture From inspiring stories of real people once far from God to practical ideas that can be applied by any local church this book offers a refreshing vision of the potential and power of the Body of Christ to transform lives today We now are living in a post-Christian America and that means we must be rethinking ministry through a missionary mindset What makes this book both unique and extremely helpful is that it is filled with real-life stories of post-Christian people becoming followers of Jesus not just statistics or data

Sherene Nicholas Khouri,2024-11-19 A key area of disagreement between Christians and Muslims is the nature of God Is God a Trinity or absolutely one Applying insights from early Arabic Christian theologians and philosophers to current conversations Sherene Nicholas Khouri offers both historical and constructive responses to Islamic objections to the doctrine of the Trinity Our Relational God Danny Kershen,2021-03-09 For millions of people God is little more than a concept or such a distant figure that they question whether he exists at all Many Christians struggle with making God real in their lives complaining that God seems silent when they reach out to him Could God really love us and want a relationship with us It is a struggle to believe this when he also gives the impression of being hidden But what if we are seeing this all wrong What if God is right there waiting for us to discover and all we need to do is dim the florescent lights of this world so we can see Come along as we look at how relational God is through his creation and what he tells us about himself through his own words Let him wrap his arms around you and show you just how relational he is **Communion with God** John

Owen,2001-11 Communion with God or in full Of communion with God the Father Son and Holy Ghost each person distinctly in love grace and consolation or the saints fellowship with the Father Son and Holy Ghost unfolded is John Owen s finest devotional treatise This work expounds the most glorious truth that believers may have distinct communion with the three persons Father Son and Spirit and being addressed to the Christian reader is simpler than much of Owen s theology Unabridged Includes all footnotes Contemplating God with the Great Tradition Craig A. Carter,2021-04-20 Southwestern Journal of Theology 2021 Book of the Year Award Theological Studies 2021 Book Award The Gospel Coalition Honorable Mention Academic Theology Following his well received Interpreting Scripture with the Great Tradition Craig Carter presents the biblical and theological foundations of trinitarian classical theism Carter a leading Christian theologian known for his provocative defenses of classical approaches to doctrine critiques the recent trend toward modifying or rejecting classical theism in favor of modern relational understandings of God The book includes a short history of trinitarian theology from its patristic origins to the modern period and a concluding appendix provides a brief summary of classical trinitarian theology Foreword by Carl R Trueman **Theology of the Old Testament** Walter Brueggemann,2005 In this powerful book Walter Brueggemann moves the discussion of Old Testament theology beyond the dominant models of previous generations Brueggemann focuses on the metaphor and imagery of the courtroom trial in order to regard the theological substance of the Old Testament as a series of claims asserted for Yahweh the God of Israel This provides a context that attends to pluralism in every dimension of the interpretive process and suggests links to the plurality of voices of our time

God of Becoming and Relationship Rabbi Bradley Shavit Artson, DHL,2013-10-10 You no longer have to choose between what you know and what you believe an accessible introduction to a theological game changer I wrote this book for you if you want to be able to locate your life in a single encompassing story one that includes everything from the first moment the universe began until yesterday a narrative that embraces deepest personal meaning a yearning to love and be

loved a quest for social justice and compassion from the Introduction Much of what you were told you should believe when you were younger forces you to choose between your spirit and your intellect between science and religion between morality and dogma unchanging laws of nature vs miracles that sound magical a good God vs the tragedies that strike all living creatures a God who knows the future absolutely vs an open future that you help to shape through your choices This fascinating introduction to Process Theology from a Jewish perspective shows that these are false choices Inspiring speaker spiritual leader and philosopher Rabbi Bradley Shavit Artson presents an overview of what Process Theology is and what it can mean for your spiritual life He explains how Process Theology can break you free from the strictures of ancient Greek and medieval European philosophy allowing you to see all creation not as this or that us or them but as related patterns of energy through which we connect to everything Armed with Process insights and tools you can break free from outdated religious dichotomies and affirm that your religiosity your spirit your mind and your ethics all strengthen and refine each other

The Unknowable God Ignacio L. Götz, 2021-03-16 Most contemporary Christians are polytheists They believe in many gods unawares of course There is a Father god depicted old and white haired there is a Son god middle aged identified with Jesus of Nazareth and there is a Spirit god symbolized by a dove Many artists have depicted this trinity like El Greco who painted his The Trinity in 1578 These three gods are believed to constitute only one divinity but very few ordinary Christians could explain how this could be the case This plurality of gods is the reason why Christianity is reviled by Jews and Muslims who affirm steadfastly the unicity of God and who ban any pictorial representation of the divinity The very first Christians the family and friends of Jesus who were Jews would not have held such a pagan belief but their writings were destroyed by later adherents so we lack the evidence to prove this Christians claim that the Trinity has been revealed but the fact is that such revelation is disproved by science and philosophy So why not transcend this trinity in a contemplation of the One Unknowable God of all Why not learn to live without knowing what God is being satisfied with the belief that God is neither male nor female neither triad nor monad but simply the Divine Incognito
