The Sacred Chase Heath Adamson, 2020-03-31 There is nothing more important in this life or the one to come than an intimate connection with Jesus Unfortunately we have thousands of voices distracting us and all too often we listen to them We confuse proximity to God with intimacy with God and are content with a Christian branded life yet miss out on what we were created for knowing God

intimately Sharing the touching story of a demon possessed man who had every reason to run the other way when he encountered Jesus Heath Adamson shows us how spiritual hunger can overcome our hopelessness our shame and our excuses He encourages us to pursue God regardless of where we've been or where we are seeing our salvation as a doorway Once we walk through it we can discover the love of God in a tangible way This book is for anyone who longs for a deeper connection to God who has felt far from peace and hope and who needs the assurance that God is both interested in who they are and accepts them

Relational Christianity Wesley M. Pinkham, 2022-06-21 This work begins with a transformative idea human existence is fundamentally relational Relational Christianity explores how the nature of the Trinity must define the Church and the Christian spiritual life Utilizing Scripture Christian spiritual tradition and philosophy Pinkham and Gruenberg paint the picture of a Trinitarian Jesus centered Christianity led by the Father and explored in interpersonal oneness In this view God's intimate unifying love is the theological river that runs through the landscape of biblical revelation and through God's movement in history This work of Trinitarian practical theology suggests that the relation between Father Son and Spirit should shape and guide all Christian interactions with God with others and with self In the paradigm of relational Christianity the formation of genuine personhood and identity are based upon relational connections first with the Trinity and second with God's family The shape of the new covenant community must reflect the Father's nature Church culture must prioritize relationship in the same way the Trinity does

Same-Sex Attraction and the Church Ed Shaw, 2015-11-09 When Christians have same sex attraction how should the church respond Pastor Ed Shaw experiences same sex attraction and yet he is committed to Scripture and the church's traditional position on sexuality In this honest book he shares his own experiences and shows us that obedience to Jesus is ultimately the only way to experience life to the full

Experiencing God (2008 Edition) Henry T. Blackaby, Richard Blackaby, Claude V. King, 2008 A modern classic revised with more than 70 percent new material is based on seven Scriptural realities that teach Christians how to develop a true relationship with the Creator

With Skye Jethani, 2011-08-22 With explores the narrative of the Bible to show that we were created to be with God and that restoring this connection is his mission Instead of life over under from or even for God what leads us into freedom and restoration is life with God Why are American Christians who have more access to biblical teaching than any other people in history failing to experience the freedom of the Christian life Why are pastors those closest to the work and ministry burning out at an alarming rate Why do many church members who

give large amounts of their time and wealth to Christ and his kingdom secretly question the legitimacy of their efforts And why are spiritual seekers dismissing the validity of the Christian message Is it possible we've misunderstood the call of the Christian life A life lived in rich communion with God cultivates faith hope and love in a way that transforms both us and the broken world we inhabit In *With You* ll find illustrations of concepts in the book to aid understanding recommendations for how to practice communion with God including three helpful practices and a discussion guide for use when continuing the conversation with others in small groups Endorsements If we've grown weary of Christianity if we find most any local church uninspiring maybe the problem lies not in the Christian faith or these faithful bodies but in our own disgruntled hearts In *With Skye* Jethani tenderly unmasks the clichéd posturing that too often masquerades as genuine communion with Christ More importantly he takes readers to the humble place they must occupy in prayer studying Scripture with the Church if faith hope and love are to truly mark our lives James H Gilmore author *The Experience Economy* It doesn't matter as old theologians were rumored to argue how many angels can dance on a pinhead But it does matter which preposition governs your faith over after against for from under with Who knew what huge worlds turn on such tiny words Who knew what theological riches were laced into the bones of grammar Skye has done a great service to the church In prose elegant and clear with insights keen and deep he shows how everything changes with just one word *With It's* a book I want my whole church to read Mark Buchanan author of *Spiritual Rhythm* Who knew that a preposition had so much influence Skye's book will challenge the way that you think about God and faith digging deep into our motivations and heart issues You can't read this book and not see yourself and others differently Margaret Feinberg author of *Scouting the Divine* and *Hungry for God*
