Relationship Learning A Primer In Christian Education:

Relationship Learning C. Doug Bryan,1990 *Following the Lamb* Keith T. Marriner II,2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn't we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost **Piety and Philosophy** Richard Allan Riesen,2002-09 Christians have a unique role to play in the future of our schools and Dr Riesens refreshingly honest inquiry into the relationship between the spiritual life and the academic enterprise is guaranteed to provoke discussion Chapters include what makes an education Christian what the liberal arts have to do with Christianity and whether Christian education can be too academic This is a must read for anyone who cares about what it means to educate Future of Christian Learning, The Mark A. Noll,James Turner,Thomas Albert Howard,2008-06 Two front rank historians dialogue from Catholic and evangelical perspectives on the current state of Christian higher education and suggest ways forward *A Primer In Integration: Synthesizing Theology and the Social Sciences for Christian Education* Harley Atkinson,2018-10-02 This is a primer on doing integration in Christian education employing a complementary model **Teaching for Reconciliation** Ronald Habermas,Ronald T. Habermas,Klaus Dieter Issler,1992 Ronald Habermas and Klaus Issler have written a textbook on Christian education that reflects their conviction that the educational function of the church is central to Christ's mission of reconciliation They succeed in balancing both theory and practice **The Idea of a Christian School** Tom Stoner,2024-05-14 Have you ever thought about the difference attending a Christian school might make for your child or grandchild What really makes a Christian school different from public schools and other kinds of private schools How do Christian schools impact the way children understand the world The ideas that come immediately to most people's minds when they think about a Christian school are far from a complete picture A deeper consideration of the many ways a Christian school is designed to help children flourish in their lives will help parents and caregivers to better understand why the selection of a school matters The Idea of a Christian School is an introduction to foundational ideas that contribute to the distinctive mission of Christian schooling and a valuable resource for parents and schools **That You May Know** Jacob Gerber,Warren W. Wiersbe,2014-10-02 While there are many books written about Christian discipleship there are not nearly enough books on

discipleship that primarily expound the Bible itself The Apostle John wrote three letters however with the main purpose of helping disciples to grow That You May Know A Primer on Christian Discipleship is an enriching study that will lead you through John s teaching on following Jesus as a disciple This book is more than a commentary and more than a topical book on the subject of Christian discipleship Instead this is a primer on Christian discipleship written as a careful reading of God s word in 1 2 3 John It s ideal for your own individual devotional reading or as a helpful resource for your group Bible study What others are saying about That You May Know Whether you are a new believer or a seasoned saint you will benefit greatly from reading this book It does exactly what a Bible commentary should do enlighten encourage and enrich and it does so in a manner that is clear wise and practical Warren W Wiersbe Former Pastor of the Moody Church Chicago IL Pastor Gerber marries thorough exegetical study with a loving pastoral tone in this very helpful primer on discipleship He carries the reader along with him to a deeper understanding of the word of God the promises God makes to his children and what it means to be a disciples of Jesus Parker Johnson Pastor of First Presbyterian Church Brewton AL **American Book Publishing Record** ,2003 **Encyclopedia of Christian Education** George Thomas Kurian,Mark A. Lamport,2015-05-07 This reference work tells the unique history of Christian education and shows how Christian educators pioneered such institutions and reforms as universal literacy home schooling Sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten *Living More Human(e)ly?* Rebecca Leong,2025-04-22 Does it really matter who one chooses to marry and how one makes a choice as to who to marry or is it basically true that you always marry the wrong person Was Jane Austen right in her portrayals of couples marrying for love for comfort or for both What about arranged marriages Does the one exist How about soulmates Will getting involved in casual sex or hook up culture affect one s chances of eventually realizing happy lifelong monogamy Are promoters of purity culture basically right that their approach will help lead to happy lasting marriages Can there be a way forward through the culture wars Are dating apps any good Virtue ethics is sometimes drawn upon for a dependable approach to couple relationships But what does this approach consist of and which virtues as there are potentially very many should one focus on particularly when navigating dating culture in contemporary contexts What light might theology history and the human sciences including sociology and psychology shed on these matters Rebecca Leong offers findings from wide ranging interdisciplinary studies that address these questions and more in the process developing a five fold ethic and further building blocks for better approaches to dating in contemporary contexts *For the Love of Learning* Jenny Sockey,2002-06 *The Christian Educator's Handbook on Adult Education* Kenneth O. Kopic,2012-07-05 In this quick and vibrant little book Kelly Kopic presents the nature method and manners of theological study for newcomers to the field He emphasizes that theology is more than a school of thought about God but an endeavor that affects who we are Theology is about life

writes Kopic It is not a conversation our souls can afford to avoid When Children Love to Learn Elaine Cooper,2004-04-07
They're hallmarks of childhood The endless why questions The desire to touch and taste everything The curiosity and the observations It can't be denied children have an inherent desire to know Teachers and parents can either encourage this natural inquisitiveness or squelch it There is joy in the classroom when children learn not to take a test not to get a grade not to compete with each other and not to please their parents or their teachers but because they want to know about the world around them Both Christian educators and parents will find proven help in creating a positive learning atmosphere through methods pioneered by Charlotte Mason that show how to develop a child's natural love of learning The professional educators administrators and Mason supporters contributing to this volume give useful applications that work in a variety of educational settings from Christian schools to homeschools A practical follow up to Crossway's *For the Children's Sake* this book follows a tradition of giving serious thought to what education is so that children will be learning for life and for everlasting life *Resources in Education* ,2001 *The Core* Leigh A. Bortins,2010-06-08 The Core is an important resource that helps parents create ways to incorporate study into daily routines involving the entire family Book Jacket
