No More Mr Nice Guy Robert Glover,2025-02-04 One of the best books I've ever read on men's emotional health and development Mark Manson author of *The Subtle Art of Not Giving a F ck* and *Models* I have read every self help book out there but this was the first that put everything together in a way that made perfect sense to me Every page of my copy of *No More Mr Nice Guy* is highlighted in yellow How did you know me so well A Nice Guy according to Dr Robert Glover a pioneering expert on the Nice Guy Syndrome is a man who believes he is not okay just as he is He is convinced that he must become what he thinks others want him to be liked loved and get his needs met He also believes that he must hide anything about himself that might trigger a negative response in others The Nice Guy Syndrome typically begins in infancy and childhood when a young boy inaccurately internalizes emotional messages about himself and the world It is fueled by toxic shame and anxiety Rapid social change in the late 20th century and early 21st century has contributed to a worldwide explosion of men struggling to find happiness love and purpose The paradigm of the Nice Guy Syndrome is driven by three faulty covert contracts Nice Guys believe If I am good then I will be liked and loved If I meet other people's needs without them having to ask then they will meet my needs without me having to ask If I do everything right then I will have a smooth problem free life The inauthentic and chameleon like approach to life causes Nice Guys to often feel frustrated confused and

resentful Subsequently these men are often anything but nice Common Nice Guy patterns include giving to get difficulty setting boundaries dishonesty caretaking fixing codependency people pleasing conflict avoidance passive aggressiveness unsatisfying relationships issues with sexuality and compulsive masturbation and pornography use Since the publication of No More Mr Nice Guy in 2003 hundreds of thousands of men worldwide have learned how to release toxic shame soothe their anxiety face their fears connect with men embrace their passion and purpose and experience success in work and career These men have also learned to set boundaries handle conflict make their needs a priority develop satisfying relationships and experience great sex This process of recovery from the Nice Guy Syndrome allows men to move through Depression Social anxiety and shyness Codependency Low self esteem Loneliness and hopelessness Feelings of failure Lack of confidence and purpose Compulsive behaviors and addictions Feeling stuck in life Contrary to what the title might seem to imply No More Mr Nice Guy does not teach men how to be not nice Dr Glover shows men how to become what he calls Integrated Males Becoming integrated does not mean becoming different or better It means being able to accept all aspects of oneself An integrated male can embrace everything that makes him unique his power his assertiveness his humor his courage and his mission as well as his fears his imperfections his mistakes his rough edges and his dark side If you are ready to get what you want in love sex and life No More Mr Nice Guy will show you how [How to Avoid Falling in Love with a Jerk](#) John Van Epp, 2008-03-19 AVOID THE JERKS AND FIND THE ONE WHO S RIGHT FOR YOU An insightful and creative contribution to managing the complexity of choosing a life partner I heartily recommend it Harville Hendrix Ph D author of Getting the Love You Want and Keeping the Love You Find Don t be part of the where was this book when I needed it crowd It s not too late read it now Pat Love Ed D author of The Truth About Love and Hot Monogamy Based on years of research on marital and premarital happiness How to Avoid Falling in Love with a Jerk previously published in hardcover as How to Avoid Marrying a Jerk will help you break destructive dating patterns that have kept you from finding the love you deserve Ask the right questions to inspire meaningful revealing conversations with your partner Judge character based on compatibility relationships skills friends and patterns from family and previous relationships Resolve your own emotional baggage so you re ready for a healthy relationship *Women Are Crazy, Men Are Stupid* Howard J Morris, Jenny Lee, 2009-09-15 THE REVEALiNG RiP ROARiNGLY FUNNY GUIDE TO MAKiNG EVERY RELATIOnSHiP SMARTER SANER AND HAPPiER Since the dawn of time when the first smitten caveboy tried to woo the object of his affections by shoving her into the mud men have demonstrated that when it comes to women they are profoundly stupid And when it comes to men women no matter how intelligent or mature are completely crazy Based on this simple yet groundbreaking insight comedy writers and real life couple Howard J Morris and Jenny Lee have devised a relationship guide that is refreshingly honest completely hilarious and surprisingly practical Using their own crazy stupid romance as an example of these forces in action they set out to explain why women ask questions that they absolutely do not want answered and why men persist in answering them What are men
