

A person is lying on their back on a thick, horizontal tree branch. They are wearing a dark jacket, light-colored pants, and dark sneakers. Their arms are crossed over their chest, and their legs are slightly bent. The background is a bright, overexposed outdoor scene with some bare tree branches visible. The overall tone is peaceful and contemplative.

perhaps a fast might express or even increase our soul's appetite for God Between the dangers of self denial and self indulgence is this path of pleasant pain called fasting It is the path John Piper invites you to travel in this book For when God is the supreme hunger of your heart He will be supreme in everything And when you are most satisfied in Him He will be most glorified in you
