Donigian, 2014-10-01 Prayer and praying takes a variety of forms but in today's secular world many people aren't sure what it is or how to do it Donigian re-introduces three prayers the Lord's Prayer the Serenity Prayer and Dag Hammarskjöld's famous prayer from Markings as gifts for those who are uncertain or unclear about prayer and praying Study guide included Faith Healing Ministry Gwendolyn Washington, 2020-08-25 Faith Healing Ministry A Christian Education Model for Clergy and Laity The purpose of this book is to begin an intentional effort to retrieve the ministry of faith healing using a Christian education model to educate train clergy and laity Healing as a spiritual gift for the body of Christ is a much neglected gift due to variables that may be altered to benefit multitudes In my research and study I have discovered it is the lack of knowledge in understanding the gift of healing and how to operate it that caused so many to be indifferent about it Jesus came so that our souls may be saved and to heal our bodies A scriptural reference is Isaiah 53:5 But He was wounded for our transgressions He was bruised for our iniquities the chastisement of our peace was upon him and by His stripes we are healed This sums up the purpose for Jesus coming to earth to make it possible for each person who would believe to have eternal life and be sound in body and mind This book reveals some pitfalls or controversial teachings regarding why so many from various denominations believe that the gifts ceased during the first century Being in the health profession for thirty eight years I have seen various diseases many struggle with and medical technology has no cure for With health care benefits changing and there is a possibility many may lose their coverage it is imperative that we go back to God's original plan divine healing Not to discount the physicians scientist and medical technology but it is important for us to know that we have God's plan for healing My desire is to get the message out to the masses especially to churches to establish healing centers that divine healing is a benefit of the Kingdom of God **I'd Say Yes God If I Knew What You Wanted** Nancy Reeves, 2001 What do you want from me God If you have ever struggled with this question but have not found a way to answer it then this book is for you Real life stories from 75 men and women open up a world of spiritual discernment practices inviting you to find one that works for you Easy to read yet rich with information this book draws on faith traditions as diverse as Baha I Buddhist Christian Islamic Jewish Sikh and Sufi Stories from every day people living everyday lives are interspersed with biographical accounts from C S Lewis Albert Schweitzer Shoghi Effendi Mahatma Gandhi Matsuo Basho Thomas Merton and Mother Teresa Over 40 discernment concepts and methods are illustrated including prayer worship pilgrimage labyrinth Enneagram I Ching pendulum angels the medicine wheel and the use of sacred texts Suitable for individual use this book

experience in parish healing ministry along with history practical advice and guidance For Christians the ministry of healing prayer goes back to our deepest roots to Jesus of Nazareth who cared for those suffering in body and in spirit As his followers we are challenged and empowered to do the same Members of mainline Christian denominations however may be skeptical about this ministry as author Avery Brooke was at first She tells the surprising story of healing prayer in her own life and that of her church in Connecticut With clarity and thoroughness she traces the history of healing prayer examining it as part of the larger landscape of prayer This book provides a foundation and a wealth of practical information for clergy and lay people to explore healing prayer in their own lives and parishes *As If the Heart Mattered* Gregory S. Clapper, 2014-02-25 *As If the Heart Mattered* expounds on John Wesley's image of religion as a house by exploring three main parts the porch of repentance the door of faith and holiness the house itself Useful study helps include references to John Wesley sermons and Charles Wesley hymns But this approach to spiritual life transcends Methodism and provides essential biblical truth applicable to all Christians Questions for reflection or discussion are provided at the end of each chapter **Beyond Death** Flora Slosson Wuellner, 2014-03-01 What awaits us after death Flora Wuellner brings her deep wisdom and a lifetime of study reflection observation and spiritual direction to shed light on what Jesus revealed about eternal life Her writing offers hope and comfort to those who might be troubled by mixed messages about the afterlife from church or who are simply wounded from misunderstandings on the subject Each chapter opens with a quotation from Jesus and develops the implications of those words and closes with a guided meditation **Make Your Home in My Love** Catherine Skinner Powell, 2019-11-13 Are you living as God's burning bush without being consumed Or might you be headed toward burnout We will rediscover the blessing of this mutual love relationship with God overflowing to others as God's sheer gift Could it be that the first and greatest commandment is for our greatest joy and not some mysterious burden to fulfill One metaphor is the vine and the branches from John 15 1-11 Jesus is the vine and we are the branches apart from the vine the branch can do nothing God wants to be our supply our source in an intimate encounter of the finite with the infinite God was the source for these heroes of faith Augustine of Hippo Bernard of Clairvaux Catherine of Siena Ignatius of Loyola John Calvin and Teresa of Avila Using a descriptive process called the Classic Three Ways including the purgative letting go illuminative seeing with the heart and unitive intimacy dating back to around 500 CE we now add a fourth way the unitive active the dance From that dance of mutual love ministry overflows We do it together it is participatory humankind following God's lead It's not a formula It's our living God Healing the Wounds of Divorce Barbara L. Shlemon, 1992 The author offers seventeen short chapters dealing with such issues as children finances and relatives but also with spiritual concerns such as fear guilt and forgiveness Accompanying prayers invite readers to surrender their sorrow to God *The Way of Forgiveness* Marjorie J. Thompson, 2002 It takes a lot of willingness and practice to see life from God's perspective Perhaps nothing goes more against the grain of human nature than the ideas of forgiving those who wound us and accepting forgiveness from others The

second release in the Companions in Christ Series The Way of Forgiveness explores how to deal with these issues to preserve the beauty of our souls and to fulfill the teachings of Jesus in the Sermon on the Mount In this 8 week study Thompson breaks down the transformational process by first examining shame guilt and anger A full release of these feelings not only leads to the wholeness that Christ taught but also takes us on a path of freedom and joy A unique feature of this book is the inclusion of a reproduction of Rembrandt's Return of the Prodigal Son Over the course of the study the artwork will serve as a focal point for reflection and discovery A Leader's Guide for The Way of Forgiveness is available *Designed to Heal* Jennie A. Wood, Brit Eaton, 2022-07-26 When it comes to Christ centered recovery we the church have work to do Our legalistic box checking one size fits all programs produce astonishingly high failure rates which means far too many people are left to fight addiction mental health problems and suicidal thoughts on their own This begs some critical questions of the church Do we really believe transformational recovery and healing is possible Do we really have the right systems and structures to support struggling people Do we really carry a kingdom responsibility to restore people gently Do we really take time to ask God what more He would have us do in the recovery space This book is for anyone who can't offer a resounding yes and amen to each of those questions With hearts that beat for those struggling with addictions and mental

health issues authors George A Wood and Brit Eaton present A critical reframing of the word recovery and an invitation to answer God's call for more spirit led trauma informed ministry Deeper exploration into the origins of addiction mental health problems and suicidal thoughts and the church's responsibility to bring God's healing Powerful supernatural testimonies and stories of hope healing and life restoration as a result of embracing The Uncovery Practical strategies to help Christ centered recovery leaders bridge the gap between spiritual and scientific communities to better serve struggling people A loose and helpful framework for embracing The Uncovery message Inspiration for recovery leaders to love and lead in a more inclusive sacrificial and Christlike manner while maintaining healthy self care The goal of The Uncovery is to help the church and the world see recovery through a grace laced gospel lens Some say recovery is the civil rights movement of our generation because believe it or not recovery is for everyone And if that statement bothers you Recovery might be for you too Every single one of us has some trauma or issue from our past that may still be affecting our life today This book offers readers a not so subtle nudge to go deeper in the recovery space for a transformative encounter with Father God to heal from those wounds and lead the promised land life He has planned for us Designed to Heal Jennie A.
