Relevance Of The Prophets:

The Relevance of the Prophets Robert Balgarnie Young Scott, 1959 Meet the Prophets John W. Miller, 1987 A carefully organized step by step introduction to the books of the biblical prophets the men behind them their message and their relevance for today **The Relevance of the Prophets** R. B. Y. Scott, 1944 *An Introduction to the Old Testament Prophetic Books* C. Hassell Bullock, 2007-05-01 The Old Testament prophets spoke to Israel in times of historical and moral crisis They saw themselves as being a part of a story that God was weaving throughout history a story of repentance encouragement and a coming Messiah In this updated introductory book each major and minor prophet and his writing are clustered with the major historical events of their time Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets but also the God who comprehends spans and transcends all time In these pages C Hassell Bullock presents a clear picture of some of history s most profound spokesmen the Old Testament prophets and the God who shaped them *God Does His Best Work with Empty* Nancy Guthrie, 2020-09-15 It s amazing how heavy the weight of emptiness can feel how much room it can take up in our souls how much pain can be caused by something that isn t even there But while we may see the emptiness of our lives as our greatest problem that s not how God sees it When God looks into the empty places of our lives He sees His greatest opportunity God does His best work in the emptiness of our Insatiable craving for things that don t satisfy Relational disappointments and loneliness Frustrated search for purpose and meaning Relentless desire for comfort and security Ongoing struggle to live with loss and unfulfilled dreams Join Nancy Guthrie in discovering why emptiness has never been and never will be a problem to God As Nancy pulls back the curtain on God s work to fill up emptiness as revealed throughout the Bible you ll experience page after page of grace and hope that your emptiness can and will be filled You ll begin to see that God really does do His best work with empty as he fills it with Himself

Themes and Transformations in Old Testament Prophecy Samuel A.
