Religion [and] Aging Vicent John Fecher,1982 **Religion & Aging** ,1982 **Research on Religion and Aging** Harold G. Koenig,1995-03-18 This first systematic guide to the latest research about religion and aging focuses on the linkage between religion and health outcomes in people over 55 who will represent one third of America s population by the year 2025 A short introduction points to the rapidly growing literature since 1980 the conclusion offers a brief synthesis of the varied basic and applied studies on the subject and suggests a useful model to consider applying Nearly 300 entries with concise and comprehensive annotations are organized under four main subjects religious beliefs behaviors and experience relationships between religion and health practical applications of research findings and measuring religiosity and spirituality Arranged under numerous additional sub topics and with author and subject indexes the guide is accessible and designed for varied use by students teachers researchers policymakers practitioners and professionals in the fields of sociology and social work psychology and psychiatry and medicine and health Researchers educators and policymakers will find this book invaluable in identifying research and application studies and in evaluating their quality and methodology Arranged under additional subtopics by populations in many situations with varied problems in terms of concerns relating to mental and physical health and with applications in different fields and with author and subject indexes the guide is accessible and designed for varied use by students teachers practitioners and professionals in the fields of sociology and social work psychology and psychiatry and medicine and health *Religion and Aging* Southwestern Baptist Theological Seminary. School of Religious Education,1988 **Methods in Religion, Spirituality & Aging** James W. Ellor,2013-10-18 Since the 1971 White House Conference on Aging in the United States the need to move from religiosity into new areas such as Spiritual Assessment and Spirituality has emerged This movement has picked up momentum among scholars particularly in terms of research in the area of Spirituality While spirituality as a term is employed in many new studies this term continues to defy the quest for a single definition and method This book is divided into three sections In the first the authors reflect on the philosophical and theological issues presented by these terms from a variety of both cognate and practical methodological approaches The second section offers insights from the major professions of sociology psychology public health nursing and social work The final section offers insight and assistance to researchers and authors on specific religious traditions This book will be important for anyone working to develop such practical tools as spiritual assessment forms to those who engage in more formal scholarly investigation **Annotated Bibliography on Religion and Aging** Vincent Fecher,1982-06-01 **The Encyclopedia of Aging** Linda S. Noelker, PhD,Kenneth Rockwood, MD, FRCPC,Richard L. Sprott, Ph.D.,2006-03-17 A COMPREHENSIVE RESOURCE ON GERONTOLOGY AND GERIATRICS Since its inception in 1987 The Encyclopedia of Aging has proven to be the definitive resource for scholars and students across the burgeoning and increasingly interdisciplinary fields of gerontology and geriatrics Like its three esteemed predecessors the fourth edition

contains concise readable explorations of hundreds of terms concepts and issues related to the lives of older adults as well as timely coverage of the many new programs and services for the elderly Updated under the distinguished stewardship of editor in chief Richard Schulz to reflect the infusion of new information across the scientific disciplines this new edition brings readers up to the moment significant advances in biology physiology genetics medicine psychology nursing social services sociology economics technology and political science While retaining the format and standard of excellence that marked the first three editions the fourth edition encompasses a wealth of new information from the social and health sciences It contains the most current bibliography of an expanding literature an exhaustive index and extensive cross references This much anticipated update of the field s most authoritative resource will take its place as an indispensable reference for specialists and non specialists across a broad range of disciplines that now comprise the field of aging

Perspectives on Aging J. Gordon Harris, 2013-04-03 As the population of older Americans grows meaningful perspectives on aging are needed by both the young and the old *Biblical Perspectives on Aging* God and the Elderly takes a detailed look at the views of aging presented in the Old and New Testaments This wide ranging and insightful survey encompasses not only the entire Bible but also interpretations of sacred Middle Eastern and Judaic documents This new expanded edition of the original classic text adds thorough discussions of the wisdom of the Bible and Jewish literature with ways to interpret these readings and what they teach about spirituality and growing older Approaches to aging issues have changed in recent years With the average American lifespan increasing the view of old age as a solitary time of waiting has been pushed aside So too has the assumption that the elderly simply want to remember the good old days This updated edition of *Biblical Perspectives on Aging* God and the Elderly has expanded its scope to incorporate and address the effects of these changing views This sweeping study of the Bible s positive treatment of aging and elderly figures sheds new light on contemporary society s negative view of the elderly and what can be done about it Clear examples from both Scripture and literature provide a wealth of understanding comfort and wisdom to everyone interested in aging and the Bible In addition this new edition explores the changing relationships that exist among aging hermeneutics mentoring and spirituality The new insights revealed here reinvigorate the challenge against ageism and traditional pictures of old age as a time of withdrawal and living in the past Among the issues explored in *Biblical Perspectives on Aging* God and the Elderly are aging experiences and the Bible biblical theology and its role in social support for the elderly hermeneutics and old age spirituality and its relationship to aging cross generational relationships and mentoring and a detailed index of Old and New Testament Scripture references Accessible and concise with compelling arguments and numerous examples *Biblical Perspectives on Aging* God and the Elderly is an ideal resource for pastors seminary students professionals and leaders of programs for the elderly It shows both young and old that while aging may not be easy Biblical theology can ease some of its mystery **The Role of the Church**

in Aging: Implications for policy and action Michael C. Hendrickson, 1985 This informative volume examines the multidimensional nature of aging identifies key issues involved in meeting the needs of the growing numbers of older adults and suggests effective methods of mobilizing resources to better meet the needs of the aging population *Sexuality and the Elderly* Bonnie L. Walker, 1997-05-12 This literature review was undertaken in order to determine what caregivers needed to know about elderly sexuality to determine the needs of elderly people related to their sexuality and to determine how caregivers could best assist them in meeting those needs In selecting materials to be annotated for this book the first priority was given to empirical studies Also included were articles by prominent practitioners and researchers interested in elderly sexuality literature reviews and books written for the lay population which are often cited in the professional literature In addition to seeking knowledge about elderly sexuality and understanding attitudes about sexuality this literature review sought information about measurement issues and measurement instruments frequently used in research within elderly populations Also of interest were investigations of educational and training programs involving caregivers

Religion in the Lives of African Americans Robert Joseph Taylor, Linda M. Chatters, Jeffrey S. Levin, 2004 Religion in the Lives of African Americans Social Psychological and Health Perspectives examines many broad issues including the structure and sociodemographic patterns of religious involvement the relationship between religion and physical and mental health and well being the impact of church support and the use of ministers for personal issues and the role of religion within specific subgroups of the African American population such as women and the elderly Authors Robert Joseph Taylor Linda M Chatters and Jeff Levin reflect upon current empirical research and derive conclusions from several wide ranging national surveys as well as a focus group study of religion and coping Recommended for students taking courses in racial and ethnic studies multicultural and minority studies black studies religious studies psychology sociology human development and family studies gerontology social work public health and nursing Gerontology in Theological Education Barbara P. Payne, 1989 Gerontology in Theological Education provides a wealth of useful information to those interested in planning the introduction or improvement of gerontological materials in the curriculum of theological schools The need for including aging in the professional education of the clergy is clear yet it is a relatively unmet need In response to this general lack of gerontological training in theological education this landmark volume documents a model project planned and implemented at the Gerontology Center at Georgia State University and provides suggestions for its use elsewhere Administrators and faculty will find here the results of a national study of gerontology in theological education Detailed descriptions of eight innovative programs nationwide and an extensive bibliography will also provide guidance for administrators and faculty interested in locating materials that relate to their gerontological concerns *Social Science and the Cults* John A. Saliba, 2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new

movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults

Religious Influences on Health and Well-Being in the Elderly K. Warner Schaie, PhD, Neal Krause, PhD, Alan Booth, PhD, 2004-06-15 What makes the book's approach so captivating is that each chapter is written by a different researcher in the study of religion and health These researchers are responsible for significant portions of the existing literature and methodologies found in this field today The versatility of the book warrants special mention It is effective as a survey of work that has already been done on this topic At the same time it serves as a wellspring of ideas for new research This work makes a valuable contribution to the present understanding of research on religion and health It also serves as a road map to help chart directions for future endeavors in the field

Sociology of Religion This volume focuses on the ways in which religious institutions religious practices and religious organizations impact the health and well being of older persons Topics examined include the conceptualization and measurement of religion in late life the relationship between religious coping and possible stress reduction the role of forgiveness as an alternate mediator how social class gender and race can influence the specific effect of religion and religious institutions in a diverse aging society Contributors include L Chatters K Ferraro L K George E Idler S McFadden and K Meador
