Religion Alcohol Sobering Thoughts:

Religion & Alcohol Charles Kevin Robertson, 2004 Religion and Alcohol Sobering Thoughts is an intriguing and thought provoking collection of ten essays divided into two main parts The first part focuses on the use or prohibition of alcohol in various religious traditions with chapters exploring the Christian New Testament Judaism Islam Hinduism and tribal religions The second half of the book considers alcohol in its historical context with chapters examining drinking in medieval monasticism Victorian England the American South and films as well as the influence of movements such as Alcoholics Anonymous

The Christian & Alcohol Doug Batchelor, 2002-01-01 **The Living Church**, 2004 **The Handbook of Alcohol Use** Daniel Frings, Ian P. Albery, 2021-01-17 Alcohol use is complex and multifaceted Our understanding must be also Alcohol use both problematic and not can be understood at many levels from basic biological systems through to global public health interventions To provide the multi level perspective needed to address this complexity the Handbook of Alcohol Use draws together an eclectic set of authors including both researchers and practitioners to examine the causes processes and effects of alcohol consumption Specifically this book approaches the topic from biological individual cognition small group systems and domestic global population perspectives Each examines alcohol use differently and each offers its own ways to combat problematic behavior While these alternative viewpoints are sometimes construed as incompatible or antagonistic the current volume also explores how they can be complimentary In summary the Handbook of Alcohol Use brings together an international group of experts to explore how alcohol use can be understood from various perspectives and how these conceptualizations relate In doing so it allows us to understand alcohol consumption and our responses to it more from an account which spans from synapse to society Explores alcohol use from individual through to societal levels Synthesizes these varied levels of analysis on alcohol use Draws on an international team of experts including researchers and alcohol treatment practitioners Makes clear the implications of research for practice and vice versa

Religion & Sexuality Charles Kevin Robertson, 2006 Issues of religion and sexuality elicit passionate debate as witnessed in the well researched provocative essays contained in this volume Cutting edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture Oral sex polygamy homosexuality and clergy celibacy and boundaries are addressed as editor C K Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone wishing to explore what is on and off limits in today's increasingly pluralistic yet strongly spiritual society

Holy Waters Ryan Lemasters, Stephen Covell, 2024-07-10 This edited volume brings together scholars from across disciplines to examine the relationship between religion and alcohol It examines the historical social ritual economic political and cultural relationship between religion and alcohol across time periods and around the world Twelve chapters are tied together by two major themes first gender identity and its intersection with religion and alcohol second identity construction in religious communities demonstrating how alcohol can be used as a

distinguishing factor for religious ethnic and national identity A key focus of the volume is how alcohol can bridge and divide the point at which the sacred and secular meet With its interdisciplinary approach and engaging style this book is an essential resource for undergraduate and graduate students in religion departments and appeals to scholars of material culture food and alcohol Additionally the book is of interest to professionals in the alcohol industry particularly those involved in microbrewing and winemaking who are interested in understanding the historical and cultural contexts of their craft

Alcohol and Humans Kimberley Hockings, Robin Ian MacDonald Dunbar, 2020 Alcohol use has a long and ubiquitous history This fascinating multi disciplinary volume examines the broad use of alcohol in the human lineage and its wider relationship to social contexts such as feasting sacred rituals and social bonding

Fundamentalists in the Public Square Madison Trammel, 2023-12-13 A myth busting work on fundamentalists and culture The Scopes Trial of 1925 is often regarded as a turning point in the history of American fundamentalism and evangelicalism It is claimed that Scopes was a public relations defeat that sent fundamentalism into retreat from mainstream culture In *Fundamentalists in the Public Square* Evolution Alcohol and the Culture Wars after the Scopes Trial Madison Trammel argues that such a characterization is misguided Using documentary evidence from newspapers in the 1920s and 1930s Trammel shows that fundamentalists remained fully active in seeking to transform the culture for Christ and they remained so through the rise of Billy Graham s ministry Grounded in historical evidence *Fundamentalists in the Public Square* offers a fresh take on the relationship between fundamentalism evangelicalism and the public square

The Sober Truth Lance Dodes, Zachary Dodes, 2014-03-25 A powerful expos of Alcoholics Anonymous 12 step programs and the rehab industry and how a failed addiction treatment model came to dominate America A humane science based global view of addiction an essential bracing critique of the rehab industry and its ideological foundations that we have much to learn from Gabor Mat M D author of *In The Realm of Hungry Ghosts* Alcoholics Anonymous has become so infused in our society that it is practically synonymous with addiction recovery Yet the evidence shows that AA has only a 5 10 percent success rate hardly better than no treatment at all Despite this doctors employers and judges regularly refer addicted people to treatment programs and rehab facilities based on the 12 step model In *The Sober Truth* acclaimed addiction specialist Dr Lance Dodes exposes the deeply flawed science that the 12 step industry has used to support its programs Dr Dodes analyzes dozens of studies to reveal a startling pattern of errors misjudgments and biases He also pores over the research to highlight the best peer reviewed studies available and discovers that they reach a grim consensus on the program s overall success But *The Sober Truth* is more than a book about addiction It is also a book about science and how and why AA and rehab became so popular despite the discouraging data Drawing from thirty five years of clinical practice and firsthand accounts submitted by addicts Dr Dodes explores the entire story of AA s rise from its origins in early fundamentalist religious and mystical beliefs to its present day place of privilege in politics and media A powerful response to the monopoly of the 12 step program and the myth that they

are a universal solution to addiction The Sober Truth offers new and actionable information for addicts their families and medical providers and lays out better ways to understand addiction for those seeking a more effective and compassionate approach to this treatable problem

Islam Cenap Çakmak,2017-05-18 This expansive four volume encyclopedia presents a broad introduction to Islam that enables learning about the fundamental role of Islam in world history and promotes greater respect for cultural diversity One of the most popular and widespread religions in the world Islam has attracted a great deal of attention in recent times particularly in the Western world With the ongoing tensions in the Middle East and a pervasive sense of hostility toward Arab Americans there is ever increasing need to examine and understand Islam as a religion and historical force Islam A Worldwide Encyclopedia provides some 700 entries on Islam written by expert contributors that cover the religion from the birth of Islam to the present time The set also includes 16 pages of color images per volume that serve to illustrate the diverse expressions of this important religious tradition Each entry begins with a basic introduction followed by a general discussion of the subject and a conclusion Each entry also features a further readings list for readers In addition to supplying a comprehensive authoritative overview of Islam this work also specifically addresses many controversial related issues including jihad violence in Islam polygamy and apostasy

American Saint John Wigger,2009-10-01 English born Francis Asbury was one of the most important religious leaders in American history Asbury single handedly guided the creation of the American Methodist church which became the largest Protestant denomination in nineteenth century America and laid the foundation of the Holiness and Pentecostal movements that flourish today John Wigger has written the definitive biography of Asbury and by extension a revealing interpretation of the early years of the Methodist movement in America Asbury emerges here as not merely an influential religious leader but a fascinating character who lived an extraordinary life His cultural sensitivity was matched only by his ability to organize His life of prayer and voluntary poverty were legendary as was his generosity to the poor He had a remarkable ability to connect with ordinary people and he met with thousands of them as he crisscrossed the nation riding more than one hundred and thirty thousand miles between his arrival in America in 1771 and his death in 1816 Indeed Wigger notes that Asbury was more recognized face to face than any other American of his day including Thomas Jefferson and George Washington

The Spirituality of Wine Gisela H. Kreglinger ,2016 Wine serves an important role both in Scripture and in the Christian church but its significance has received relatively little theological attention in modern times This book fills that gap Viewing wine as a gift of God s created bounty and as a special symbol used pervasively throughout Scripture Kreglinger canvasses the history of wine in the church particularly its use in the Lord s Supper discusses the fascinating process of winemaking and considers both the health benefits of wine and the dangers of alcohol abuse Offering a vision of the Christian life that sees God in all things including the work of a vintner and the enjoyment of a well crafted glass of wine

Prohibition in Turkey Emine Ö Evered,2024 Despite the supposed Islamic prescriptions against alcohol many Muslim majority countries including Turkey

have a complicated history with alcohol Anatolia the region of modern Turkey was one of the world's earliest sites of alcohol production After Muslim occupation and the creation of the Ottoman Empire in 1300 alcohol was still enjoyed by non Muslims and many Muslims alike especially as new spirits were eventually introduced from Europe Taverns were popular places to gather and do business and their guilds controlled many aspects of production and sales even during periods where employees and patrons were looked down upon and culturally derided Although there were many governmental attempts to control the sale and consumption of alcohol over the centuries the prohibition movement did not gain a strong foothold until the early 20th century roughly coinciding with the United States own temperance movement and constitutional prohibition Emine Evered traces the history of alcohol and attempts to control it through Turkish history before focusing on this period of prohibition She examines both the religious and public health rationales that strengthened the temperance movement in the late 19th and early 20th centuries and the role that US Prohibition played in Turkey's own prohibition from 1920 to 1924 even as the Ottoman Empire ended and the modern Turkish republic was created 1 Corinthians B. J. Oropeza, 2017-10-27 This compact commentary on 1 Corinthians is both readable and full of insights that will engage students ministers and scholars alike The Apostle Paul writes to a relatively new church in which members are failing to maintain solidarity with other members They struggle to find their unique place in Roman society as Gentile followers of Jewish leaders that proclaim Christ as Lord Their many problems include competition over leadership and social prestige sexual impropriety household conflicts idol foods table fellowship protocols on gender and the use of spiritual gifts and confusion about death immortality and Christ's return Oropeza addresses Paul's response to these and other issues as he engages ancient biblical Jewish and Greco Roman sources along with recent scholarship This is a must read for those who want to understand the Corinthian situation and Paul's response in a new way **Christian Controversies** Scott Haraburda, 2013 The Greatest is Love God wants us to love our neighbors If this is the premise of being Christian then why do thousands of denominations claim to be the right and true one implying that all others are false The author searches for truth and explores real world issues concerning Christians throughout history and today and the future of Christianity in this ever changing world Join the author as he challenges you to think outside of your comfort zone and questions what you might have been told not to question about the Word of God This book contains many facts and true stories some you might recognize and some from the author's own life as he logically discusses controversial subjects such as a Perfect Bible sex lying killing ethics Christian leadership Bible thumping judgment and women's rights It is well documented and written in easy to understand language to arm you with the knowledge you need to discuss Scripture in an educated and meaningful way and to develop a real world perspective of Christianity a must read for all who profess to be Christian The Poetics of Plants in Spanish American Literature Lesley Wylie, 2020-12-08 The Poetics of Plants in Spanish American Literature examines the defining role of plants in cultural expression across Latin America particularly in literature From the colonial georgic to Pablo Neruda's Canto

general Lesley Wylie's close study of botanical imagery demonstrates the fundamental role of the natural world and the relationship between people and plants in the region. Plants are also central to literary forms originating in the Americas such as the New World Baroque described by Alejo Carpentier as *nacido de rboles*. The book establishes how vegetal imaginaries are key to Spanish American attempts to renovate European forms and traditions as well as to the reconfiguration of the relationship between humans and nonhumans. Such a reconfiguration which persistently draws on indigenous animist ontologies to blur the boundaries between people and plants anticipates much contemporary ecological thinking about our responsibility towards nonhuman nature and shows how environmental thinking by way of plants has a long history in Latin American literature.

Liber 420 Chris Bennett, 2018-04-20 Although little known cannabis and other psychoactive plants held a prominent and important role in the Occult arts of Alchemy and Magic as well as being used in ritual initiations of certain secret societies. Find out about the important role cannabis played in helping to develop modern medicines through alchemical works. Cannabis played a pivotal role in spagyric alchemy and appears in the works of alchemists such as Zosimos, Avicenna, Lull, Paracelsus, Cardano, and Rabelais. Cannabis also played a pivotal role in medieval and renaissance magic and recipes with instructions for its use appear in a number of influential and important grimoires such as the *Picatrix*, *Sepher Raxiel*, *Liber Salomonis*, and *The Book of Oberon*. Could cannabis be the Holy Grail? With detailed historical references the author explores the allegations the Templars were influenced by the hashish ingesting Assassins of medieval Islam and that myths of the Grail are derived from the Persian traditions around the sacred beverage known as haoma which was a preparation of cannabis, opium, and other drugs. Many of the works discussed have never been translated into English or published in centuries. The unparalleled research in this volume makes it a potential perennial classic on the subjects of both medieval and renaissance history of cannabis as well as the role of plants in the magical and occult traditions.

The Sobering Truth Jeff Herten, 2011-04-02 For over thirty years author Dr Jeff Herten was a high functioning alcoholic one who drinks every day yet continues to lead a productive successful life. Now he shares how alcohol can destroy lives as it nearly destroyed his. Alcohol is the single greatest social ill in the U.S. Alcohol may lead to deadly cancers of the breast, colon, esophagus, and liver. It rots our bones, corrodes our stomach lining, erodes our memories, and suppresses our immune systems. *The Sobering Truth* explores the associated risks, behaviors, and innocent victims of alcohol abuse and recommends resources to help turn their lives around. Frank and honest, *The Sobering Truth* is a must read for every spouse, parent, child, employer, physician, and counselor whose life is touched by alcohol. It may be just the wake up call you need.

The Twelve Steps and the Sacraments Scott Weeman, 2017 Winner of a 2018 Catholic Press Association Award, Sacraments Second Place. In the first book to directly integrate the Twelve Steps with the practice of Catholicism, Scott Weeman, founder and director of Catholic in Recovery, pairs his personal story with compassionate straight talk to show Catholics how to bridge the commonly felt gap between the Higher Power of twelve step programs and the merciful God that he rediscovered in the heart of the sacraments.

Weeman entered sobriety from alcohol and drugs on October 10 2011 and he's made it his full time ministry to help others who struggle with various types of addiction to find spiritual wholeness through Catholic in Recovery an organization he founded and directs In The Twelve Steps and the Sacraments Weeman candidly tackles the struggle he and other addicts have with getting to know intimately the unnamed Higher Power of recovery He shares stories of his compulsion to find a personal relationship with God and how his tentative steps back to the Catholic Church opened new doors of healing and brought him surprising joy as he came to know Christ in the sacraments Catholics in recovery and those moving toward it as well as the people who love them will recognize Weeman's story and his spiritual struggle to personally encounter God He tells us how Baptism helps you admit powerlessness over an unmanageable problem face your desperate need for God and choose to believe in and submit to God's mercy Reconciliation affirms and strengthens the hard work of examining your life admitting wrongs and making amends The Eucharist provides ongoing sustenance and draws you to the healing power of Christ The graces of Confirmation strengthen each person to keep moving forward and to share the good news of recovery and new life in Christ Weeman's words are boldly challenging and brimming with compassion and through them you will discover inspiration hope sage advice and refreshingly practical help

Alcohol Scott Barbour, 2006 Alcohol is a drug that often results in tragedies Yet it is also a legal substance that is enjoyed harmlessly by millions of Americans Contributors to this volume debate the harms and benefits of alcohol as well as measures to prevent underage drinking and drunk driving
