Religion And Astrology:

Astrology and Popular Religion in the Modern West Dr Nicholas Campion, 2012-09-01 This book explores an area of contemporary religion spirituality and popular culture which has not so far been investigated in depth the phenomenon of astrology in the modern west Locating modern astrology historically and sociologically in its religious New Age and millenarian contexts Nicholas Campion considers astrology's relation to modernity and draws on extensive fieldwork and interviews with leading modern astrologers to present an invaluable contribution to our understanding of the origins and nature of New Age ideology This book challenges the notion that astrology is either marginal or a feature of postmodernism Concluding that astrology is more popular than the usual figures suggest Campion argues that modern astrology is largely shaped by New Age thought influenced by the European Millenarian tradition that it can be seen as an heir to classical Gnosticism and is part of the vernacular religion of the modern west

the World's Religions Nicholas Campion,2012-06-11 Presents overviews of the astrologies of the world s religions discussing how various cultures have used celestial observations and beliefs about the heavens to engage with the divine and understand their lives on Earth **Astrology and Religion Among the Greeks and Romans** Franz Cumont,1912 **On Idolatry** Quintus Tertullianus,Tertullian,2018-08-10 The principal crime of the human race the highest guilt charged upon the world the whole procuring cause of judgment is idolatry For although each single fault retains its own proper feature although it is destined to judgment under its own proper name also yet it is marked off under the general account of idolatry Set aside names examine works the idolater is likewise a murderer Do you inquire whom he has slain If it contributes ought to the aggravation of the indictment no stranger nor personal enemy but his own self By what snares Those of his error By what weapon The offense done to God By how many blows As many as are his idolatries He who affirms that the idolater perishes not will affirm that the idolater has not committed murder Further you may recognize in the same crime adultery and fornication for he who serves false gods is doubtless an adulterer of truth because all falsehood is adultery So too he is sunk in fornication For who that is a fellow worker with unclean spirits does not stalk in general pollution and fornication And thus it is that the Holy Scriptures use the designation of fornication in their upbraiding of idolatry The essence of fraud I take it is that any should seize what is another s or refuse to another his due and of course fraud done toward man is a name of greatest crime Well but idolatry does fraud to God by refusing to Him and conferring on others His honors so that to fraud it also conjoins contumely But if fraud just as much as fornication and adultery entails death then in these cases equally with the former idolatry stands unacquitted of the impeachment of murder Quintus Septimius Florens Tertullianus Tertullian
