

Religion And Globalization

**Thomas Jansen, Thoralf Klein, Christian
Meyer**

Religion And Globalization:

Religion and Globalization Peter Beyer, 1994-03-31 In his exploration of the interaction between religion and worldwide social and cultural change the author examines the major theories of global change and discusses the ways in which such change impinges on contemporary religious practice meaning and influence Beyer explores some of the key issues in understanding the shape of religion today including religion as culture and as social system pure and applied religion privatized and publicly influential religion and liberal versus conservative religions He goes on to apply these issues to five contemporary illustrative cases the American Christian Right Liberation Theology movements in Latin America the Islamic Revolution in Iran Zionists in Israel and religious movements in Africa

Religion, Globalization and Culture Peter Beyer, Lori Gail Beaman, 2007 The topic of religion and globalization is complex susceptible to a great variety of approaches This book combines contributions from many authors who examine a wide range of subjects ranging from overall theoretical considerations to detailed regional perspectives No single understanding of either religion or globalization is privileged

Religion, Globalization and Political Culture in the Third World Jeff Haynes, 1999-02-11 A unique focus on the relationship between religion and political culture in the Third World using a comparative and thematic approach Specific issues of religion politics interaction in the Third World in recent times include the rise of Islamic fundamentalist groups throughout the Middle East and other parts of the Muslim world the political effects of the decline of Catholicism and the rapid growth of Protestant evangelical sects in Latin America communal conflict between Hindu nationalist groups and the politicisation of Buddhism in South East Asia The common effect of such developments is to challenge existing forms of relationship between states and societies with religion used as a political resource

Transnational Transcendence Thomas J. Csordas, 2023-09-01 This innovative collection examines the transnational movements effects and transformations of religion in the contemporary world offering a fresh perspective on the interrelation between globalization and religion Transnational Transcendence challenges some widely accepted ideas about this relationship in particular that globalization can be understood solely as an economic phenomenon and that its religious manifestations are secondary The book points out that religion's role remains understudied and undertheorized as an element in debates about globalization and it raises questions about how and why certain forms of religious practice and intersubjectivity succeed as they cross national and cultural boundaries Framed by Thomas J Csordas's introduction this timely volume both urges further development of a theory of religion and globalization and constitutes an important step toward that theory This innovative collection examines the transnational movements effects and transformations of religion in the contemporary world offering a fresh perspective on the interrelation between globalization and religion Transnational Transcendence c

Òrìṣà Devotion as World Religion Jacob Kẹhinde Olupona, Terry Rey, 2008 As the twenty first century begins tens of millions of people participate in devotions to the spirits called ọrìṣà This book explores the emergence of ọrìṣà devotion as a world religion one of the most remarkable and compelling

developments in the history of the human religious quest Originating among the Yor b people of West Africa the varied traditions that comprise r s devotion are today found in Africa the Americas Asia Europe and Australia The African spirit proved remarkably resilient in the face of the transatlantic slave trade inspiring the perseverance of African religion wherever its adherents settled in the New World Among the most significant manifestations of this spirit Yor b religious culture persisted adapted and even flourished in the Americas especially in Brazil and Cuba where it thrives as Candombl and Lukumi Santer a respectively After the end of slavery in the Americas the free migrations of Latin American and African practitioners has further spread the religion to places like New York City and Miami Thousands of African Americans have turned to the religion of their ancestors as have many other spiritual seekers who are not themselves of African descent If divination in Nigeria Candombl funerary chants in Brazil the role of music in Yor b revivalism in the United States gender and representational authority in Yor b religious culture these are among the many subjects discussed here by experts from around the world Approaching r s devotion from diverse vantage points their collective effort makes this one of the most authoritative texts on Yor b religion and a groundbreaking book that heralds this rich complex and variegated tradition as one of the world s great religions

Flourishing Miroslav Volf, Tony Blair, 2016-01-12 More than almost anything else globalization and the great world religions are shaping our lives affecting everything from the public policies of political leaders and the economic decisions of industry bosses and employees to university curricula all the way to the inner longings of our hearts Integral to both globalization and religions are compelling overlapping and sometimes competing visions of what it means to live well In this perceptive deeply personal and beautifully written book a leading theologian sheds light on how religions and globalization have historically interacted and argues for what their relationship ought to be Recounting how these twinned forces have intersected in his own life he shows how world religions despite their malfunctions remain one of our most potent sources of moral motivation and contain within them profoundly evocative accounts of human flourishing Globalization should be judged by how well it serves us for living out our authentic humanity as envisioned within these traditions Through renewal and reform religions might in turn shape globalization so that can be about more than bread alone

Religion, Globalization, and Culture Peter Beyer, Lori G. Beaman, 2007-10-30 This volume brings together over 25 articles by many of the most important authors who have worked on issues directly related to the theme of religion and globalization An additional emphasis on culture flags the inclusion of the relation of religion to its wider social context and also permits questioning the boundaries of religion so as to avoid a strong bias in favour of the analysis of institutionalized religion The key emphasis of the book however is the focus specifically on religion a topic that is still largely ignored in the burgeoning literature on globalization The articles are divided into five subthemes theoretical issues historical approaches to religion and globalization forms and boundaries of religion key issues such as ecology and gender and regional perspectives Contributors Afe Adogame Elisabeth Arweck Lori Beaman Peter Beyer John Boli Gary Bouma Dave Brewington

Globalization and the Making of Religious Modernity in China Thomas Jansen, Thoralf Klein, Christian Meyer, 2014-03-20
Globalization and the Making of Religious Modernity in China co edited by Thomas Jansen Thoralf Klein and Christian Meyer investigates the transformation of China s religious landscape under the impact of global influences since 1800 The interdisciplinary case studies analyze the ways in which processes of globalization are interlinked with localizing tendencies thereby forging transnational relationships between individuals the state and religious as well as non religious groups at the same time that the global concept religion embeds itself in the emerging Chinese religious field and within the new academic disciplines of Religious Studies and Theology The contributions unravel the intellectual social political and economic forces that shaped and were themselves shaped by the emergence of what has remained a highly contested category The contributors are Hildegard Diemberger Vincent Goossaert Esther Maria Guggenmos Thomas Jansen Thoralf Klein Dirk Kuhlmann LAI Pan chiu Joseph Tse Hei Lee Christian Meyer Lauren Pfister Chlo Starr Xiaobing Wang Riese and Robert P Weller

Globalization and Identity B. Lum, 2017-07-05 In the first decade of the twenty first century globalization and identity have emerged as the most critical challenges to world peace This volume of Peace Policy addresses the overarching question What are the effects of globalization in the areas of culture ethnic diversity religion and citizenship and how does terrorism help groups attain a sense of global identity Part I Citizenship in a Globalizing World reexamines globalization in light of the traditions from which human civilizations have evolved Linda Groff focuses on Samuel R Huntington s thesis that the Cold War would be followed by a clash of civilizations Joseph A Camilleri traces the history of the concept of citizenship and its transformation through the ages to modern times Kamran Mofid argues that the marketplace is not just an economic sphere but one where economic and business interests must embrace the spiritual assets of the community Majid Tehranian raises the problem of identity and advocates the assumption of global identity responsibility and citizenship Part II Convergence in Global Cultures explores the complex issues of diversity in religions Christopher Leeds Vladimir Korobov and Bharapt Gupta show how the reconceptualization of the world both geographically and regionally can recreate new sensibilities needed to overcome differences Part III Divergence in Global Conflicts discusses the multiple dimensions of the globalizing effects of economic expansion and political strife experienced by different cultures at local and regional levels Audrey Kitigawa and Ade Ogunrinade use Nigeria as an example of political manipulation of religious and ethnic groups to divert attention from the real problems of social and economic marginalization Fred Riggs looks at how the Web has become a medium in the globalization of religious movements The authors maintain that continuing efforts for dialogue across cultural and religious boundaries in today s

Religion, Politics, and Globalization Galina Lindquist, Don

Handelman,2012-11 While social scientists beginning with Weber envisioned a secularized world religion today is forthrightly becoming a defining feature of life all around the globe The complex connections between religion and politics and the ways in which globalization shapes these processes are central themes explored in this volume by leading scholars in the field of religion Does the holism of numerous past and present day cosmologies mean that religions with their holistic orientations are integral to human existence What happens when political ideologies and projects are framed as transcendental truths and justified by Divine authority How are individual and collective identities shaped by religious rhetoric and what are the consequences Can mass murder deemed terrorism be understood as a form of ritual sacrifice and if so what are the implications for our sensibilities and practices as scholars and citizens Using empirical material from historical analyses of established religions to the everyday strife of marginalized groups such as migrants and dissident movements this volume deepens the understanding of processes that shape the contemporary world *Globalization, Gender, and Religion* NA

NA,2001-01-01 In the early 1970s accompanying the current wave of globalization conservative nationalist religious movements began using religion to oppose non democratic and often Western oriented regimes Reasserting patriarchal gender relations presumably authorized by religion has been central to these movements At the Fourth United Nations Congress on Women in Beijing in 1995 Muslim and Catholic delegations from diverse countries united to oppose provisions on sexuality reproductive rights women s health and women s rights as human rights Scholars from eight different Muslim and Catholic communities analyze the political strategies that women are employing in these contexts ranging from acceptance of traditional doctrines to various forms of resistance religious reinterpretation innovation and political action toward change and equal rights *Religion in Third World Politics* Jeffrey Haynes,1993 Examines and analyzes the position of Islam and Christianity the two global religions within the context of Third World political change from the 1970s The book addresses the topic in a thematic focus and draws parallels between religions cultures political systems and geographical areas *Religious Pluralism, Globalization, and World Politics* Thomas Banchoff,2008-11-26 Globalization has spawned more active transnational religious communities creating a powerful force in world affairs Religious Pluralism Globalization and World Politics an incisive new collection of essays explores the patterns of cooperation and conflict that mark this new religious pluralism Shifting religious identities have encouraged interreligious dialogue and greater political engagement around global challenges including international development conflict resolution transitional justice and bioethics At the same time interreligious competition has contributed to political conflict and running controversy over the meaning and scope of religious freedom In this volume leading scholars from a variety of disciplines examine how the forces of religious pluralism and globalization are playing out on the world stage **Christianity, Social Change, and Globalization in the Americas** Anna Lisa Peterson,Manuel A. Vásquez,Philip J. Williams,2001 This volume resulted from a collaborative research project into responses of Protestant and Catholic religious communities in the Americas to the challenges of globalization

Contributors from the fields of religion anthropology political science and sociology draw on fieldwork in Peru El Salvador and the United States to show the interplay of economic globalization migration and growing religious pluralism in Latin America Organized around three central themes family youth and community democratization citizenship and political participation and immigration and transnationalism the book argues that at the local level religion helps people especially women and youths solidify their identities and confront the challenges of the modern world Religious communities are seen as both peaceful venues for people to articulate their needs and forums for building participatory democracies in the Americas Finally the contributors examine how religion enfranchises poor women youths and people displaced by war or economic change and at the same time drives social movements that seek to strengthen family and community bonds disrupted by migration and political violence

Globalization, Modernity and the Rise of Religious Fundamentalism

Dimitrios Methenitis, 2019-06-03 The emergence of religious fundamentalism in a globalized post colonial world poses a significant challenge to the End of History narratives common in academic and non academic literature alike Globalization Modernity and the Rise of Religious Fundamentalism proposes that we must seek new explanations for this phenomenon that recasts the relationship between globalization modernity and religion One model through which this possible is that of a dialectical kaleidoscopic methodology one that applies a variety of theoretical tools and takes a truly multi dimensional perspective Through the overlapping and complementary approaches of systems theory field theory and network theory this book redefined the concepts of globalization modernity and religion itself by challenging the inherent misconceptions of ethnocentric biases It also provides a thorough historical analysis of religious systems from antiquity to the present to show the integration of modern and archaic elements within the structure of religious fundamentalism Interdisciplinary in nature Globalization Modernity and the Rise of Religious Fundamentalism will appeal to students and researchers interested in fields such as geopolitics history of race and ethnicity postcolonialism globalization and sociology of religion

Religious Activism in the Global Economy Sabine Dreher, Peter J. Smith, 2016-06-01 This book explores how religious activists understand interpret and practically engage with neoliberal globalization and present their proposals and practices to promote reform or resist neoliberal globalization

Religions in Global Society Peter Beyer, 2013-01-11

Peter Beyer a distinguished sociologist of religion presents a way of understanding religion in a contemporary global society by analyzing it as a dimension of the historical process of globalization Introducing theories of globalization and showing how they can be applied to world religions Beyer reveals the nature of the contested category of religion what it means what it includes and what it implies in the world today Written with exceptional clarity and illustrated with lively and diverse examples ranging from Islam and Hinduism to African traditional religions and new age spirituality this is a fascinating overview of how religion has developed in a globalized society It is recommended reading for students taking courses on sociology of religion religion and globalization and religion and modernity

Spiritual Perspectives on Globalization (2nd Edition) Ira

Rifkin,2013-03-21 What is globalization anyway What are spiritually minded people on all sides of the issue doing and saying about it The economic and cultural dynamic of globalization is transforming the world at an unprecedented pace But what exactly is it What are its origins What is its impact on our spiritual lives This lucid introduction surveys the religious landscape explaining in clear and nonjudgmental language the beliefs that motivate spiritual leaders activists theologians academics and others involved on all sides of the issue Included are the points of view of Bah s Buddhists Earth based and tribal religions Hindus Jews Muslims Protestants Roman Catholics Unlike other books on this controversial issue this easy to read introduction won t tell you what to think it gives you the information you need to reach your own conclusions As important as economics may be it is not as the great religions stress the full measure of humanity There is also connection to self to others to the ingrained values that have sustained cultures for generations and millennia and to the belief in transcendence that gives it all meaning In the end what unnerves people most about globalization including many in the West who may fairly be said to be on the winning side economically that is of the process so far is the threat it poses to that which is most precious to a life of satisfaction our sense of meaning from the Conclusion

Religion and Globalization John L. Esposito,Darrell J. Fasching,Todd Vernon Lewis,2008 A unique and in depth introduction to religion in the modern world Religion and Globalization includes coverage of Christianity Judaism Islam Hinduism Buddhism East Asian religions and new religious movements It addresses such questions as How do these various religions change as they are brought into contact with each other by the forces of globalization and How are ancient traditions modified to accommodate the realities of the 21st century Focusing on the diverse ways that humans have been religious in the past and are religious today the book examines the changes that began with the Scientific Revolution and how those changes have shaped these religions as they are practiced today Ideal for courses on religion and globalization or religion and politics Religion and Globalization includes sixteen custom maps key terms at the end of each chapter a glossary and timelines of important events each religious tradition

Religion, Modernity, Globalisation FRANCOIS. GAUTHIER,2021-06-30 This book argues that the last four decades have seen profound and important changes in the nature and social location of religion and that those changes are best understood when cast against the associated rise of consumerism and neoliberalism These transformations are often misunderstood and underestimated namely because the study of religion remains dependent on the secularisation paradigm which can no longer provide a sufficiently fruitful framework for analysis The book challenges diagnoses of transience and fragmentation by proposing an alternative narrative and set of concepts for understanding the global religious landscape The present situation is framed as the result of a shift from a National Statist to a Global Market regime of religion Adopting a holistic perspective that breaks with the current specialisation tendencies it charts the emergence of the State and the Market as institutions and ideas related to social order as well as their changing rapports from classical modernity to today Breaking with a tradition of Western centeredness the book offers probing enquiries into Indonesia and a synthesis of global

and Western trends This long awaited book offers a bold new vision for the social scientific study of religion and will be of great interest to all scholars of the Sociology and Anthropology of religion as well as Religious Studies in general

Religion And Globalization Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religion And Globalization free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religion And Globalization free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religion And Globalization free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religion And Globalization. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be

cautious and verify the legality of the source before downloading Religion And Globalization any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religion And Globalization Books

What is a Religion And Globalization PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion And Globalization PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion And Globalization PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion And Globalization PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion And Globalization PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
