Matthews, James Lund, 2020-09-08 In this powerful story about the healing every man needs John Eldredge New York Times bestselling author a near fatal attack by an enraged grizzly bear leads to an unexpected encounter with God for alpha male Greg Matthews Greg Matthews was the ultimate poster boy for masculinity Avid hunter and outdoorsman Air Force and civilian firefighter EMT rescue helicopter pilot fugitive recovery agent Ground Zero volunteer and more Greg had spent his whole life striving to serve others but for all the wrong reasons After his parents divorce when he was young Greg believed deep down that the only way he could be loved and valued by his father by his family and by God was if he earned it through daring high stakes high risk what society commonly refers to as manly

achievements But everything changed when an idyllic hunting trip through the backwoods of Alaska turned into a harrowing fight for his life Greg was attacked by a grizzly bear but the gruesome nearly fatal conflict offered an unexpected encounter with God Greg's eyes and more importantly his heart were finally opened to the lie that he'd internalized as a child that his dangerously high risk achievements were the sole signifiers of his worth The road to recovery was long and painful but it forced Greg to come face to face with the long held view of manhood he had absorbed as his own identity The relentless grizzly uncovered something in Greg's heart that he was being pursued by an equally persistent God who loved him unconditionally A gripping tale of survival and a rebuttal to outdated notions about masculinity Wild Awakening will help you lead a life of greater purpose John O Leary author of On Fire

**The Matthew Journey: A Discipleship Manual Through the Gospel of Matthew** Jeff S. Kennedy, 2011-12 Before Jesus left his disciples he gave them the famous commission to Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything that I've commanded you Mt 28:19-20 The commission actually reveals a unique characteristic of Matthew's Gospel it was designed to be a training manual for the Matthean community of disciples Matthew's Gospel was structured along five major discourses on discipleship Chs 5 7 10 13 18 24 25 In addition to these formalized sermons the gospel contains numerous situational teaching moments Thus future disciples are expected to assimilate the entire spectrum of Jesus teaching content found in both His preaching and practice The disciple of Jesus should know who Jesus is what Jesus has to say and what Jesus did Knowing who he is will inspire faith in him Knowing what he commands will guide the disciple

in obedience and knowing what the Master does will provide a pattern to follow These three lines of inquiry will guide the disciple s development into the image of Jesus The end game in following such a manual is that the believer will be prepared to make disciples of others If this all sounds to you like a pretty tall order well then you re right It is a demanding journey Welcome to The Matthew Journey This study guide follow s the course taught at Eastpoint Church in Spokane Valley WA It is designed to be a thirteen week discipleship mentoring curriculum for committed disciples Bear Island Matthew Cordell,2021-01-26 Louise and her family are sad over the loss of their beloved dog Charlie Life will not be the same Louise says as she visits a little island that Charlie loved But on a visit to the island after Charlie s death something strange happens She meets a bear At first she s afraid but soon she realizes that the bear is sad too As Louise visits more often she realizes that getting over loss takes time And just when she starts to feel better it s time for Bear to bed down for the winter Once again Louise believes that life will not be the same But sometimes things can change for the better and on the first warm day of spring her family welcomes a new member Here is a lovely poignant story about loss and healing that will bring comfort to even the youngest readers *The Farther Shore* Matthew Eck,2011-12-18 Short sharp devastating *The Farther Shore* is a literary machine gun a winning debut that happens to be a war novel Kansas City Star A small unit of soldiers from the US Army is separated from their command and left for dead Their only option is to keep moving in hope that they ll escape the marauding gangs and clansmen who appear to rule the city Josh a young soldier and his battle buddies are left to wander in this hostile territory A series of nightmarish often violent encounters leaves only a few of them alive *The Farther Shore* is a short stark war novel in which the characters are both haunting and inhuman natives and invaders alike The emerging story reflects a new kind of military engagement with all the attendant horrors and difficulties of fighting in a strange new postmodern battlefield In his unforgettable debut novel Matthew Eck puts readers inside the mind of a confused young soldier caught in the fog of unexpected warfare Bold profane hallucinatory Seattle Post Intelligencer Haunting goes beyond the on the ground chaos of battle to capture the physical and psychological disorientation of modern war Publishers Weekly Every word in Eck s first novel is as solid as a stone Every moment of crisis feels authentic in its terror and tragedy indeed Eck served as a soldier in Somalia at age eighteen Heir to Hemingway and damn near as powerful as Cormac McCarthy in *The Road* Eck has created a contemporary version of *The Red Badge of Courage* in this tale of one young man s trial by fire in the pandemonium of war in an age of high tech weaponry and low grade morality Booklist starred review The first great war novel of our generation Salon **Journey to the East** Liam Matthew BROCKEY,2009-06-30 It was one of the great encounters of world history highly educated European priests confronting Chinese culture for the first time in the modern era This journey to the East is explored by Brockey as he retraces the path of the Jesuit missionaries who sailed from Portugal to China **Starting at the Finish Line** Matthew Newman,2018-03-23 Our job is to be there when things are bad Matt Newman said this to financial planners on a daily basis as a wholesaler in the financial services industry He constantly

**Letters to Matthew** Louise Bates, 2019-04-25 Letters to Matthew invites you into the world of grief It is not sugar coated or edited to make it an easy read which is why it has been separated into two distinct parts Part one contains the heartfelt letters written by grieving mother Louise to her son Matthew after he died at the age of twenty seven The letters are a mixture of anguish deep sorrow humour wisdom personal insights and experiences that may resonate with others who have lost a special person Part two is about her journey of self discovery and how Louise turned her grief and loss into something positive This book is not about fixing people or forcing the healing process because as the book explains there is no cure for grief Grief can only be absorbed carried experienced and cared for The loss of a child is unimaginable but Louise has managed to turn this heart breaking experience into something positive By sharing her letters insights thoughts and feelings with the world she is not only keeping Matthew's memory alive but also giving hope to other people that life can be meaningful again after the death of a loved one Grief is a sensitive subject which makes it challenging for writers to describe in a way that feels both real and honest Louise has shown her vulnerability and documented her experience in a very brave and open hearted way The book does have an uplifting ending
