Mature Audiences Television And The Elderly:

Mature Audiences Karen E. Riggs,1998 In *Mature Audiences* Karen Riggs challenges traditional ideas about older viewers as passive vulnerable audiences for television She tells the stories of seventy elder Americans who have worked television into their lives in specific and practical ways In particular Riggs studies older women fans of *Murder She Wrote* the impact of news and public affairs programming in an affluent retirement community the efforts of several older African Americans to produce and telecast their own public access shows and the role of television in the daily lives of minority elders including gays American Indians and immigrants from Russia and Laos Although television s own images of the elderly are nearly nonexistent or frequently negative this collection of interviews provides a portrait of viewers who are often deliberate thoughtful and seasoned in their responses to questions about the role of television in their daily lives

Television and the Quality of Life Robert Kubey,Mihalyi Csikszentmihalyi,2013-12-02 Employing a unique research methodology that enables people to report on their normal activities as they occur the authors examine how people actually use and experience television and how television viewing both contributes to and detracts from the quality of everyday life Studied within the natural context of everyday living and drawing comparisons between television viewing and a variety of other daily activities and leisure pursuits this unusual book explores whether television is a boon or a detriment to family life how people feel and think before during and after television viewing what causes television habits to develop and what causes heavy viewing and what heavy viewing causes in the short and long term *Television and the Quality of Life* also compares the viewing experience cross nationally using samples from the United States Italy Canada and Germany and then interprets the findings within a broad theoretical and historical framework that considers how information use and daily activity contribute to individual familial societal and cultural development *Television News and the Elderly* Michael L. Hilt,2013-06-19 This concise survey investigates the television general managers and news directors attitudes towards the elderly in the United States Originally published in 1997 it raises important issues of ageing in relation to the media with specific focus on the older viewer s status as a viewing audience of the news and how they are presented in the news This is still useful food for thought for gerontologists mass communication researchers social psychologists and media studies researchers

Jake Harwood,2007-06-05 This interesting easy to read book provides a comprehensive framework for considering communication and aging in the context of biology sociology and psychology This thought provoking book is strongly anti ageist It could serve as a broad overview for anyone interested in the myriad of issues related to communication and aging

CHOICE Understanding Communication and Aging achieves a nice balance between the facts of growing old the social forces that shape that process and the communication factors that connect these two domains With attention to both research and everyday applications the text is thorough and inviting I am delighted that a user friendly undergraduate text has finally been produced in the field of communication and aging This book deserves to be an instant and sustained success Sandra Metts Illinois State University This book has so many strengths I am especially pleased with the communication focus and the discussions on cultural issues new technologies and identities I am impressed by Dr Harwood s creativity and reaching out to learners via the use of info boxes significant achievement profiles literary artistic descriptions selected detailed summaries of research and quotations about aging All of these features auger very well for student learning and enthusiasm I commend Dr Harwood for his attention to detail targeting multiple learning styles and attending to instructors who value these kinds of features Jim L Query Jr University of Houston The way Professor Harwood ties together theory research and everyday experience into a text that is accessible interesting and fun to read is impressive The focus is not merely psychological or interpersonal the book spans multiple disciplines This text is the total package Jo Anna Grant California State University San Bernardino Understanding Communication and Aging is the most accessible introduction to the many ways aging in the 21st century is influenced by human communication processes from face to face conversation to mass media representations With a lively presentation author Jake Harwood presents central research findings while engaging students with important questions concerning communication and aging Key Features Covers the broad area of communication and older adulthood The book examines key topics such as interpersonal and family relationships in old age media portrayals of aging cultural variations in intergenerational communication and health communication in old age Shatters the myths and stereotypes of aging The book s orientation and perspective is on healthy living and aging This anti ageist approach encourages readers to reexamine their views on aging and become fluent at defending and promoting an anti ageist ideology Provides concrete examples While taking a theoretical approach the book includes coverage of applied issues such as health communication and age related prejudice and discrimination Older Americans, Vital Communities W. Andrew Achenbaum, 2007-12-03 This thought provoking work grapples with the vast range of issues associated with the aging population and challenges people of all ages to think more boldly and more creatively about the relationship between older Americans and their communities W Andrew Achenbaum begins by exploring the demographics of our aging society and its effect on employment and markets education health care religion and political action Drawing on history literature and philosophy Achenbaum focuses on the way health care and increases in life expectancy have transformed late life from a phase characterized by illness frailty and debility to one of vitality productivity and spirituality He shows how this transformation of aging is beginning to be felt in programs and policies for aging persons as communities focus more effort on lifelong learning and extensive civic engagement Concerned that his own undergraduate students are too focused on the immediate future

Achenbaum encourages young people to consider their place in life's social and chronological trajectory. He calls on baby boomers to create institutional structures that promote productive vital growth for the common good and he invites people of all ages to think more boldly about what they will do with the long lives ahead of them. **Media Portrayal of the Elderly**
