P. Moreland,David M. Ciochi,2015-01-26 While there is a unity to truth from God s perspective there are nevertheless many different ways of knowing studying and defining that truth Thus the task of integration is the task of relating theology and other disciplines in such a way that one articulates and defends a comprehensive unified Christian worldview Christian Perspectives on Being Human is a vital step in that essential process of integration In this unique anthology colleagues from various departments at Biola University undertake an important multidisciplinary approach to integration J P Moreland and David Ciochi represent philosophy in this discussion Robert Saucy theology Sherwood Lingenfelter anthropology Nancy Duvall and Keith Edwards psychology Walt Russell and Scott Rae New Testament and medical ethics and Klaus Issler Christian education      Introduction to Christian Ethics Roger H Crook,2015-10-02 This book is a college level introductory textbook in Christian ethics It introduces the field of ethics and a variety of approaches to its study The book is written for college students and is designed to help them develop a method of dealing with the thorny moral issues      How Faith Matures ,1989-01-01 How Faith Matures is a follow up to C Ellis Nelson s classic work Where Faith Begins Extending and developing the insights of that earlier volume How Faith Matures proposes an alternative to the church school and presents a model that church professionals can apply to improve education in their church communities      **The Christian ministry** Charles Bridges,1844      **Be Mature (James)** Warren W. LaVern Schafer, 2010-09 *Maturing in Christ* focuses on Christian truth that relates to living a successful spiritual life Before a Christian can realize a consistent victorious spiritual life some basic truths must be understood 1 the riches given by God at salvation to live Christ like 2 who the spiritual enemies are and how they attack 3 and how to utilize divine enabling when resisting the enemies in order to live a successful Christian life The Christian has three spiritual enemies Satan the world system and the sin nature Dr Schafer uses Scripture to identify these adversaries and how to access God's provisions for the strength to be victorious over them This expository study of the Word is dedicated to Dr Schafer's lifelong desire for saints to live Christ like H LaVern Schafer served the Lord in several capacities for over 65 years as a Christian He was pastor for 53 years seminary professor for 44 years and director of Dispensational Theological Seminary for 28 years He earned his Doctorate of Theology from Dallas Theological Seminary where his class was one of the last taught by Dr Lewis Sperry Chafer Dr Schafer practiced a literal interpretation of Scripture He believed that God's Word is meant to be interpreted literally to determine the exact concepts God is communicating and not what the reader wishes the Word to say This desire resulted in a dispensational approach while interpreting Scripture with a historical linguistic treatment of the original text His Christian Life series of booklets have been a blessing to thousands of believers He went home to be with the Lord in 2008 The Laity and the Life of the Counsels Hans Urs von Balthasar, 2003-01-01 Von Balthasar discusses the development of secular institutes groups of lay people who live the life of the counsels poverty chastity and obedience in the world as a response to the problems of our time In the process he sketches the outlines of a theology of states of life in the Church presents an account of the development of vows and the religious life in the history of the Church and compares the new secular institutes with other lay movements in today's Church **The Wiersbe Bible Commentary: New Testament** , Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe's popular *Be* series of Bible study books this commentary carefully unpacks all of the New Testament The Wiersbe Bible Commentary New Testament offers you Dr Wiersbe's trustworthy insights on the entire New Testament's New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that's free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It's the trusted reference you'll love to read **A Point of No Return?** Thomas Knieps-Port le Roi, 2017 In his post synodal exhortation *Amoris laetitia* Pope Francis calls upon the church to make room for the consciences of the faithful who very often respond as best they can to the Gospel amid their limitations and are capable of carrying out their own discernment in complex situations Respect for personal conscience and pastoral

discernment should also guide the church's theological stance and pastoral attitude toward contemporary forms of living together especially those that do not conform to the ideal of exclusive and lifelong marriage This volume explores the implications of this vision with particular regard to the divorced and remarried Series INTAMS Studies on Marriage and Family INTAMS Studien zu Ehe und Familie Vol 2 Subject Catholic Studies Marriage Family **Committed Worship: Adult conversion and initiation** Donald L. Gelpi, 1993 Volume II develops a sacramental theology that addresses the needs of all adult Christians The chapters on Marriage show how conversion both humanizes and Christianizes human sexuality providing the context for a foundational rethinking of the meaning of the context for a foundational rethinking of the meaning of Christian Marriage The discussion of Orders examines the responsibilities of ordained leaders and throws light on the rise of clericalism and on the meaning of priestly identity and ministry in addition to clarifying the relationship between the priesthood of the laity and that of the ordained A discussion of Christian nurture explains the practical and theoretical meaning of infant Baptism This volume also examines the three sacraments that most foster ongoing conversion Reconciliation Anointing and Eucharist After situating each of these rituals in its Biblical and historical setting the author shows how each contributes to ongoing Christian conversion *The 'Puritan' Democracy of Thomas Hill Green* Alberto de Sanctis, 2016-12-15 The central concern of this book is to demonstrate how Puritanism was a theme which ran through all Green's biography and political philosophy It thereby reveals how Green's connections with Evangelicalism and his known affinities with religious dissent came from his way of conceiving Puritanism In Green's eyes its anti formalist viewpoint made Puritanism the most suitable tool for avoiding the drawbacks of democracy The key objective of the book is to illustrate how the philosophy elaborated by Green aimed to encapsulate the best of Puritanism whilst eschewing the dangerous abstractions of both Puritan philosophy and German idealism It follows that Green's conception of positive and negative freedom and his vision of political obligation stemmed from his effort to revive the Puritan heritage rather than from an ambiguous flirtation with idealism The book purports to show how the influence of Puritanism in Green's political thought is an element which can help to integrate the literature in the area contributing to a better comprehension of a philosopher who despite being unanimously considered as the founder of the so called Oxford idealist school had a very difficult and sometimes obscure connection with idealism It has been widely argued that Green's relationship with idealism seemed to be infected by a religious germ which because it was unrelated to German idealism gave it a bad taste This study aims to encourage further investigation into the nature and propagation of that germ in the British idealist School *The Power of God's* *Consciousness* James Grant, 2022-11-03 The Power of God's Consciousness was written to transform the lives and consciousness of mankind It was written to transform mankind from a sinful nature and more into fellowship with God When we read and study God's divine Word we realize how God's Word can become the bread of life for mankind God's Word must become the bread of life in our lives so that we can experience how God's Word is able to manifest itself in our lives We have

to implement God's Word in our hearts and minds as God's Word becomes a part of our lives. We have to develop the discipline in our lifestyles that reflect the life of Jesus Christ. Everything that we do at this point in our lives should reflect our discipline and consciousness of God's divine Word in our hearts and is acted out in our lives. When we have confidence and courage in God's divine Word, we are better able to enhance and develop our faith in God. We can only understand our purpose and reason for living through how we define God's consciousness in our lives. *The Practice of the Presence of God* Brother Lawrence, 2024-02-12. *The Practice of the Presence of God* is a spiritual classic written by Brother Lawrence, a 17th-century Carmelite monk. This small but impactful work is a compilation of letters and conversations attributed to Brother Lawrence, offering profound insights into cultivating a continuous awareness of the presence of God in everyday life.

**The True Christian Life** Ambroise Gardeil, OP, Matthew Levering, 2022-01-14. Although not well known in the English-speaking world, Fr Ambroise Gardeil, OP (1859-1931) was a Dominican of significant influence in French Catholic thought at the turn of the 20th century. Conservative theologians like Frs Reginald Garrigou Lagrange, OP, Michel Labourdette, OP, Jean Hervé Nicolas, OP, and many others hailed him as a careful expositor of the supernaturalism of faith, a defender of the theological nature of rational apologetics, and a spiritual master. In his controversial *Le Saulchoir*, Une école de théologie, Fr Marie Dominique Chenu, OP, praised Fr Gardeil as an important Dominican initiator of reforms in historical theology, presenting the latter as a kind of precursor to one of the streams of what is now referred to historically as the Nouvelle Théologie. And one cannot read the words of Fr Gardeil's contemporary Fr Antoine Lemonnier, OP, without hearing echoes and re-echoes of common cause regarding our lofty spiritual vocation resounding within the halls of the Saulchoir. With such a broad appeal, it is no surprise that in private correspondence, a young Yves Simon, writing to Jacques Maritain, referred to Fr Gardeil as 'The Great Gardeil'. *The True Christian Life* provides a thorough and stirring introduction to Fr Gardeil's work in spiritual theology. The volume was originally published posthumously through the collaboration of Fr Gardeil's nephew, Fr Henri Dominique Gardeil, OP, and Jacques Maritain. Fr Ambroise, prior to beginning work on his masterpiece on spiritual experience, *La Structure de l'expérience mystique*, drafted nearly eight hundred pages that would have set forth a full presentation of moral ascetical theology. While drafting this massive work, his reflection on the soul's receptive capacity for grace led him to the two-volume study *La Structure*, and he never was able to finish his original designs for a comprehensive study of the Christian moral spiritual life. Soon after his death, his nephew gathered several essays from the *Revue thomiste* and *Revue de Jeunes* along with a complete but unpublished study on prayer. Drafting a lengthy introduction on the basis of Fr Ambroise's unpublished notes, Fr Henri Dominique assembled a volume of moral spiritual theology that sets out the principles of many important themes: divinization through grace, Christian prudence, conscience, the virtue of religion, devotion, and prayer. In his *In memoriam* written after the passing of Fr Gardeil, Fr Reginald Garrigou Lagrange emphasized Fr Gardeil's ability to meditate on a given topic's central principles like someone who sees

the highest peaks that give structure to the entire mountain range of theology In this volume the reader will find a clear and rhetorically striking presentation of the central mysteries of the spiritual life presented with stirring and beautiful rhetoric by a theological master from the Thomist tradition     Lit!
