Hawai'i Vortex Field Guide Zach Royer, 2014-01-22 Vortexes are areas of high energy originating from magnetic spiritual or sometimes unknown sources Additionally they are thought to be gateways or portals to other realms both spiritual and dimensional These powerful eddies of pure earth power manifest as spiral like concentrations of energy that are either electric magnetic or electromagnetic qualities of life force Hawaii is one of the most powerful and active vortexes on the globe Each Island has a special energy and flavor Some believe the Hawaiian Islands are the chakra system of the planet all of the seven main Islands representing and vibrating at a different chakra energy Whether this is true or not is for the individual to decide But one thing for sure is that the energy geographic location and features of each Hawaiian Island is very unique and the spiritual power is very different on each Island Some of the specific sites on Hawaii Island hold the energy of Creativity Death change and transformation Pure unconditional love Healing Forgiveness and Peace Birthing Perfect male female balance relationship Instant manifestation Empowerment Each site carries unique energy that exponentially magnifies and quickens whatever intention a person brings to each site The manifestation vortex is one of the easiest places in the world to instantly manifest anything Healing sites offers potent concentrations of balancing energy through which miracles can happen The same is true for other sites as they all accelerate and amplify intentions in their own unique way In addition to energetic and metaphysical attributes of the Islands are special physical qualities that stand out This is perhaps a reason for the unique and transformative power Each Island evolved by a volcano or volcanoes that began with a single hot area There is a high concentration of obsidian iron and other elements which amplify transformation Many vortexes have been shown to be associated with the World Grid and have been found to be extremely strong at nodal points where the grid lines cross Worldwide the Great Pyramid in Egypt and Stonehenge in England are perhaps the most well known sites of vortex activity This book is your guide to a dozen vortexes that are located on Hawai i Island including strength type accessibility directions and more giving you the chance to connect with these sites at your own pace Because Hawai i as a whole is known to be a spiritual power spot a vortex site here is a place where one can feel Hawai i s spiritual healing energy or mana most strongly **Fodor's Oahu** Fodor's Travel Guides, 2018-11-06 For a limited time receive a free Fodor s Guide to Safe and Healthy Travel e book with the purchase of this guidebook Go to fodors.com for details Written by locals Fodor s Oahu travel guidebook offers expert advice and insider tips for all tastes and budgets Complete with detailed maps and concise descriptions this travel guide will help you plan your trip with ease and make the most out of your visit to Honolulu
