Maurice Cools Things Down:

Maurice Cools Things Down Geoffrey Baker, 1990 **Playground** 50 Cent, 2011-11-01 Thirteen year old Butterball doesn't have much going for him He's teased mercilessly about his weight He hates the Long Island suburb his mom moved them to and wishes he still lived with his dad in the city And now he's stuck talking to a totally out of touch therapist named Liz Liz tries to uncover what happened that day on the playground a day that landed one kid in the hospital and Butterball in detention Butterball refuses to let her in on the truth and while he evades her questions he takes readers on a journey through the moments that made him into the playground bully he is today This devastating yet ultimately redemptive story is told in voice driven prose and accented with drawings and photographs making it a natural successor to *The Absolutely True Diary of a Part Time Indian* Loosely inspired by 50 Cent's own adolescence and written with his fourteen year old son in mind *Playground* is sure to captivate wide attention and spark intense discussion *The Cool Gent* Herb Kent, David

Smallwood, Mayor Richard M. Daley, 2009-02-01 When Herb Kent was a straight A college student in the 1940s his white professor told him You have the best voice in class but you'll never make it in radio because you're a Negro This did not deter the poor kid from the Chicago housing projects who had decided on a radio career at age five It was just one more obstacle to face head on and overcome Known as the Cool Gent the King of the Dusties and the Mayor of Bronzeville Herb Kent is one of radio's most illustrious and legendary stars This fascinating autobiography details both the high and low points of Herb's life while providing a vivid picture of black music culture and personalities from the 1950s to today Herb had a typical rock and roll lifestyle drugs alcohol all night partying and women eventually hitting rock bottom where he finally faced his personal demons At least nine times Herb came close to death but through it all he maintained his debonair classy persona and his uncanny knack for picking timeless tunes And he didn't save only himself along the way he blazed new trails for all African Americans and remains a role model for today's top deejays **For Better Or Worse** Kim Smith, 2003-10 Kimberly and

Maurice is a young couple ready to start out in their new life together as husband and wife Both are from traditional families whose ideas about marriage are rooted in traditional values Yet Kimberly in spite of her upbringing is determined not to follow in the footsteps of her mother and grandmother in her role as wife From their very wedding day outside influences begin to wreak havoc in their relationship On the sidelines is Portia an ex lover who just cannot seem to get over her past relationship with Maurice Toss in the marital problems of their parents and relationship issues with their friends they soon begin to realize the significance that outside forces are having on fulfilling their vows of for better or worse Rather than being free to resolve their own marital problems Kimberly and Maurice find themselves serving as marriage counselors to both of their parents after skeletons from the past find their way out of the closet **The Missing Link** Kate
