Maurice Blanchot Gerald L. Bruns,2005-04-13 Ch 9 pp 207 234 Blanchot s holocaust discusses the French thinker s philosophy of the Holocaust Foucault - Blanchot Michel Foucault,Maurice Blanchot,1990-10 In these two essays two of the most important French thinkers of our time reflect on each other s work In so doing novelist essayist Maurice Blanchot and philosopher Michel Foucault develop a new perspective on the relationship between subjectivity fiction and the will to truth The two texts present reflections on writing language and representation that question the status of the author subject and explore the notion of a neutral voice that arises from the realm of the outside This book is crucial not only to an understanding of these two thinkers but also to any overview of recent French thought **The Step Not Beyond** Lycette Nelson,1992-07-01 This book is a translation of Maurice Blanchot s work that is of major importance to late 20th century literature and philosophy studies Using the fragmentary form Blanchot challenges the boundaries between the literary and the philosophical With the obsessive rigor that has always marked his writing Blanchot returns to the themes that have haunted his work since the beginning writing death transgression the neuter but here the figures around whom his discussion turns are Hegel and Nietzsche rather than Mallarme and Kafka The metaphor Blanchot uses for writing in *The Step Not Beyond* is the game of chance Fragmentary writing is a play of limits a play of ever multiplied terms in which no one term ever takes precedence Through the randomness of the fragmentary Blanchot explores ideas as varied as the relation of writing to luck and to the law the displacement of the self in writing the temporality of the Eternal Return the responsibility of the self towards the others **Ecriture Du Dsastre** Maurice Blanchot,1995-01-01 Modern history is haunted by the disasters of the century world wars concentration camps Hiroshima and the Holocaust grief anger terror and loss beyond words but still close still impending How can we write or think about disaster when by its very nature it defies speech and compels silence burns books and shatters meaning *The Writing of the Disaster* reflects upon efforts to abide in disaster s infinite threat First published in French in 1980 it takes up the most serious tasks of writing to describe explain and redeem when possible and to admit what is not possible Neither offers consolation Maurice Blanchot has been praised on both sides

of the Atlantic for his fiction and criticism The philosopher Emmanuel Levinas once remarked that Blanchot's writing is a language of pure transcendence without correlative Literary theorist and critic Geoffrey Hartman remarked that Blanchot's influence on contemporary writers cannot be overestimated Ann Smock is a professor of French at the University of California at Berkeley She has translated Blanchot's *The Space of Literature* also available as a Bison Book Jeffrey Mehlman a professor of French at Boston University is the author of many books and articles on twentieth century France and French literature

L'Espace Littéraire Maurice Blanchot, 1989-01-01 Maurice Blanchot the eminent literary and cultural critic has had a vast influence on contemporary French writers among them Jean Paul Sartre and Jacques Derrida From the 1930s through the present day his writings have been shaping the international literary consciousness *The Space of Literature* first published in France in 1955 is central to the development of Blanchot's thought In it he reflects on literature and the unique demand it makes upon our attention Thus he explores the process of reading as well as the nature of artistic creativity all the while considering the relation of the literary work to time to history and to death This book consists not so much in the application of a critical method or the demonstration of a theory of literature as in a patiently deliberate meditation upon the literary experience informed most notably by studies of Mallarmé Kafka Rilke and Hölderlin Blanchot's discussions of those writers are among the finest in any language

Infinite Conversation Maurice Blanchot, 1992-12-16 In this landmark volume Blanchot sustains a dialogue with a number of thinkers whose contributions have marked turning points in the history of Western thought and have influenced virtually all the themes that inflect the contemporary literary and philosophical debate today Blanchot waits for us still to come to be read and reread I would say that never as much as today have I pictured him so far ahead of us Jacques Derrida

The Most High Maurice Blanchot, 2001-05-01 Blanchot describes a world where the Absolute has finally overcome all other rivals to its authority The State is unified universal and homogenous promising perfect satisfaction Why then does it find revolt everywhere Could it be the omnipresent police The plagues The proliferating prisons and black markets Written in part as a description of post World War II Europe Blanchot's dystopia charts with terrible clarity the endless death of god in an era of constantly metamorphosing but strangely definitive ideologies Translation Review Maurice Blanchot has been for a half century one of France's leading authors of fiction and theory Two of his most ambitious works *The Space of Literature* and *The Writing of the Disaster* are also available in Bison Books editions Allan Stoekl is the author of *On Bataille* and *Agonies of the Intellectual* Commitment Subjectivity and the Performative in the Twentieth Century French Tradition Nebraska 1992

The Gaze of Orpheus, and Other Literary Essays Maurice Blanchot, 1981 Writing about *The Gaze of Orpheus* Geoffrey Hartman suggested that When we come to write the history of criticism for the 1940 to 1980 period it will be found that Blanchot together with Sartre made French discourse possible both in its relentlessness and its acuity This selection is exemplary for its clearly translated and well chosen excerpts from Blanchot's many influential books Reading him now and in this form I feel once more the excitement of discovering

Blanchot in the 1950s Maurice Blanchot and Fragmentary Writing Leslie Hill, 2012-07-05 Writing in fragments is often held to be one of the most distinctive signature effects of Romantic modern and postmodern literature But what is the fragment and what may be said to be its literary philosophical and political significance Few writers have explored these questions with such probing radicality and rigorous tenacity as the French writer and thinker Maurice Blanchot For the first time in any language this book explores in detail Blanchot's own writing in fragments in order to understand the stakes of the fragmentary within philosophical and literary modernity It attends in detail to each of Blanchot's fragmentary works *Awaiting Forgetting The Step Not Beyond* and *The Writing of the Disaster* and reconstructs Blanchot's radical critical engagement with the philosophical and literary tradition in particular with Hegel Nietzsche Heidegger Heraclitus Levinas Derrida Nancy Mallarmé Char and others and assesses Blanchot's account of politics Jewish thought and the Shoah with a view to understanding the stakes of fragmentary writing in Blanchot and within philosophical and literary modernity in general

When the Time Comes Maurice Blanchot, 1985 In this re issue of Lydia Davis celebrated translation of Blanchot's classic mysterious tale *recit Au Moment Voulu* the story hovers on the edge of the occult Ostensibly it chronicles the troubled relations between the narrator a very ill man and the two women whose lives he invades As in all of Blanchot's intensely subjective fiction the true subject of the work is the narrator's consciousness and the process by which his tale emerges through its telling Powerfully affected by the slightest of events the narrator responds with a violence that most disturbingly appears inevitable Included in *The Station Hill Blanchot Reader* this book's renewed availability as a convenient individual volume will be welcomed by fiction readers students and teachers **Maurice Blanchot** Carolyn Bailey Gill, 2005-08-04 This timely collection of essays is the first to be written on the work of Maurice Blanchot in English One of the finest writers of our time Blanchot is a contemporary of Bataille and Levinas his writing has influenced the likes of Derrida and Foucault Eminent commentators featured here include Simon Critchley Paul Davies Christopher Fynsk Rodolphe Gasché Leslie Hill Michael Holland Jeffery Mehlman Roger Laporte Ian MacLachlan Marie Claire Ropars Wuilleumier Gillian Rose and Ann Smock The essays consider the political implications of Blanchot's questioning the relationship between philosophy and literature In addition the provocative issue of Blanchot's politics during the 1930s is clarified by a letter from Blanchot to one of the contributors published here for the first time Maurice Blanchot *The Demand of Writing* is a crucial selection for all students of philosophy literature or French studies **Awaiting Oblivion** Maurice Blanchot, 1997 Another of Blanchot's almost fictions throwing into deliciously baffling high relief the enigmatic condition of a man and woman alone in a sparsely furnished hotel room who try to remember what has happened to bring them there as they apprehensively await whatever will happen next Their reserved confusion and quiet desperation eventually impress upon them and us the realization that imagination or if you will writing can create reality and offer the paradoxical solace that seems to rest at the heart of Blanchot's writing the sense that even language that expresses meaninglessness can't help but contain and therefore convey

meaning Kirkus This absolutely first rate translation will not only make Blanchot accessible to many new readers but will also encourage Blanchot scholars and students to reconsider everything they thought they knew about L Attente l oubli This book should be required reading period Choice Awaiting Oblivion is one of Blanchot s crowning works a penetrating reflection upon human nature language and literature Translation Review Blanchot is a terrifying writer Review of Contemporary Fiction Maurice Blanchot has been for a half century one of France s leading authors of fiction and theory Two of his most ambitious nonfiction works The Space of Literature and The Writing of the Disaster are also available from the University of Nebraska Press as is The Most High his third novel John Gregg is the author of Maurice Blanchot and the Literature of Transgression **Emmanuel Levinas and Maurice Blanchot** William Large,2005 With a central focus on themes of ethics and subjectivity this analysis pairs Maurice Blanchot s creativity with Emmanuel Levinas s philosophies across topics of friendship the opposition of speech to writing and the ethical role of language
