Mauritania Enchantment Of Africa:

Mauritania Allan Carpenter, James Wilfred Hughes, 1977 An introduction to the geography history government economy culture and people of the African country that is three fourths desert **The Publishers' Trade List Annual** ,1983

Invoking the Invisible in the Sahara Erin Pettigrew, 2023-01-26 In this innovative new history Erin Pettigrew utilizes invisible forces and entities esoteric knowledge and spirits to show how these forms of knowledge and unseen forces have shaped social structures religious norms and political power in the Saharan West Situating this ethnographic history in what became la Mauritanie under French colonial rule and later the Islamic Republic of Mauritania Pettigrew traces the changing roles of Muslim spiritual mediators and their Islamic esoteric sciences known locally as *l j b* over the long term history of the region By exploring the impact of the immaterial in the material world and demonstrating the importance of Islamic esoteric sciences in Saharan societies she illuminates peoples enduring reliance upon these sciences in their daily lives and argues for a new approach to historical research that takes the immaterial seriously **Master Index to Summaries of Children's**

Grades Christine Bell Gilbert, 1981 Countless Blessings Barbara M. Cooper, 2019-07-01 How do women in Niger experience pregnancy and childbirth differently from women in the United States or Europe Barbara M Cooper sets out to understand childbirth in a country with the world s highest fertility rate and an alarmingly high rate of maternal and infant mortality Cooper shows how the environment slavery and abolition French military rule and the rapid expansion of Islam have all influenced childbirth and fertility in Niger from the 19th century to the present day She sketches a landscape where fear of infertility generates intense competition between communities ethnicities and co wives and creates a culture where concerns about infertility dominate concerns about overpopulation where illegitimate children are rejected and where the education of girls is sacrificed in the name of avoiding shame Given a medical system poorly adapted to women s needs a precarious economy and a political context where it is impossible to address sexuality openly Cooper discovers that it is little wonder that pregnancy and birth are a woman s greatest pride as well as a source of grave danger *Monographic Series* Library of Congress, 1978 **El-Hi textbooks in print** R. Enchantment and Creed in the Hymns of Ambrose of Milan Brian P. Dunkle, 2016-10-20 Enchantment and Creed in the Hymns of Ambrose of Milan offers the first critical overview of the hymns of Ambrose of Milan in the context of fourth century doctrinal song and Ambrose s own catechetical preaching Brian P Dunkle SJ argues that these settings inform the interpretation of Ambrose s hymnodic project The hymns employ sophisticated poetic techniques to foster a pro Nicene

sensitivity in the bishop's embattled congregation After a summary presentation of early Christian hymnody with special attention to Ambrose's Latin predecessors Dunkle describes the mystagogical function of fourth century songs He examines Ambrose's sermons especially his catechetical and mystagogical works for preached parallels to this hymnodic effort Close reading of Ambrose's hymnodic corpus constitutes the bulk of the study Dunkle corroborates his findings through a treatment of early Ambrosian imitations especially the poetry of Prudentius These early readers amplify the hymnodic features that Dunkle identifies as enchanting that is enlightening the eyes of faith *The Rough Guide to First-time Africa*
