Maverick War Of The Silver Kings:

Maverick Dennis Broe, 2015-08-15 Demonstrates how *Maverick The Legend of the West* fractured altered or undermined nearly every Western code and myth Airing on ABC from 1957 to 1962 *Maverick* appeared at a key moment in television Western history and provided a distinct alternative to the genre's usual moralistic lawmen in its hero Bret Maverick A non-violent gambler and part-time con man *Maverick's* principles revolved around pleasure and not power and he added humor satire and irony to the usually grim-faced Western In this study of *Maverick* author Dennis Broe details how the popular series mocked altered and undermined the characteristics of other popular Westerns like *Gunsmoke* and *Bonanza* Broe highlights the contributions made by its creators its producer Roy Huggins and its lead actor James Garner to a format that was described as the American fairy tale Broe describes how Garner and Huggins struck blows against a feudal studio system that was on its last legs in cinema but was being applied even more rigidly in television He considers *Maverick* as a place where multiple counter-cultural discourses converged including Baudelaire's Flaneur Guy DeBord's Situationists and Jack Kerouac's Beats in a form that was acceptable to American households Finally Broe shows how the series validation of *Maverick's* outside the law status punctured the Cold War rhetoric promoted by the adult Western Broe also highlights the series female con women or flaneuses who were every bit the equal of their male counterparts and added additional layers to the traditional schoolteacher showgirl Western dichotomy Broe demonstrates the progressive nature of *Maverick* as it worked to counter the traditional studio mode of production served as a locus of counter-cultural trends and would ultimately become the lone outpost of anti-Cold War and anti-establishment sentiments within the Western genre *Maverick* fans and scholars of American television history will enjoy this close look at the classic series *The Garner Files* James Garner, Jon Winokur, 2012-10-23 The revered actor and quintessential self-made man recalls trying to decipher William Wyler with Audrey Hepburn and Shirley MacLaine breaking Doris Day's ribs having a heart-to-heart and eyeball-to-eyeball with Steve McQueen being a card-carrying liberal and proud of it and much more *The Films of Budd Boetticher* Robert Nott, 2018-10-02 Budd Boetticher 1916-2001 was a bullfighter a pleasant madman and a talented journeyman filmmaker who could with the right material and drive create a minor Western film classic as easily as he could kill a bull Yet pain and passion naturally mixed in both endeavors Drawing on studio archives and featuring insightful interviews with Boetticher and those who worked with him this retrospective looks at each of his 33 films in detail covering his cinematic career from his days as an assistant's assistant on the set of Hal Roach comedies to his last documentary some 45 years later **ReFocus: The Films of Budd Boetticher** Gary D Rhodes, 2017-02-03 One of the most important yet overlooked of Hollywood auteurs Budd Boetticher was responsible for a number of classic films including his famous *Ranown* series of westerns starring Randolph Scott With influential figures like Martin Scorsese and Clint Eastwood acknowledging Boetticher's influence and with growing academic interest in his work Gary D Rhodes and Robert Singer present a vital collection of essays on the

director's long career from a range of international scholars Looking at celebrated films like *Buchanan Rides Alone* 1958 and *Comanche Station* 1960 as well as at lesser known works like *Escape in the Fog* 1945 and *Behind Locked Doors* 1948 this book also addresses Boetticher's influential television work on the James Garner series *Maverick* and Boetticher's continuing aesthetic influence on contemporary TV classics like *Breaking Bad* [Riding the Video Range](#) Gary A. Television in Black-and-white America Alan Nadel, 2005 La couverture indique Alan Nadel's new book reminds us that most of the images on early TV were decidedly Caucasian and directed at predominantly white audiences Television did not invent whiteness for America but it did reinforce it as the norm particularly during the Cold War years Nadel now shows just how instrumental it was in constructing a narrow conservative and very white vision of America During this era prime time TV was dominated by adult Westerns with heroes like *The Rebel's* Johnny Yuma reincarnating Southern values and *Bonanza's* Cartwright family reinforcing the notion of white patriarchy programs that Nadel shows bristled with Cold War messages even as they spoke to the nation's mythology America had become visually reconfigured as a vast Ponderosa crisscrossed by concrete highways designed to carry suburban white drivers beyond the moral challenge of racism racial poverty and increasingly vocal civil rights demands **Shooting Stars of the Small Screen** Douglas Brode, 2010-01-01 Since the beginning of television Westerns have been playing on the small screen From the mid 1950s until the early 1960s they were one of TV's most popular genres with millions of viewers tuning in to such popular shows as *Rawhide* *Gunsmoke* and Disney's *Davy Crockett* Though the cultural revolution of the later 1960s contributed to the demise of traditional Western programs the Western never actually disappeared from TV Instead it took on new forms such as the highly popular *Lonesome Dove* and *Deadwood* while exploring the lives of characters who never before had a starring role including antiheroes mountain men farmers Native and African Americans Latinos and women *Shooting Stars of the Small Screen* is a comprehensive encyclopedia of more than 450 actors who received star billing or played a recurring character role in a TV Western series or a made for TV Western movie or miniseries from the late 1940s up to 2008 Douglas Brode covers the highlights of each actor's career including Western movie work if significant to give a full sense of the actor's screen persona

s Within the entries are discussions of scores of popular Western TV shows that explore how these programs both reflected and impacted the social world in which they aired Brode opens the encyclopedia with a fascinating history of the TV Western that traces its roots in B Western movies while also showing how TV Westerns developed their own unique storytelling conventions **Storytellers to the Nation** Tom Stempel, 1996-05-01 Jam packed with hundreds of anecdotes and quotes from in depth interviews with over forty television writers this is the first comprehensive history of writing for American television These writers tell often in wonderfully funny tales of their experiences working with and often fighting with the networks the censors the sponsors the producers and the stars in trying to create shows *The Fugitive* David Pierson, 2011-11-15 A social cultural historical and institutional analysis of the classic original series *The Fugitive* *Men to Boys* Gary S. Cross, 2008 When did maturity become the ultimate taboo Men have gone from idolizing Cary Grant to aping Hugh Grant shunning marriage and responsibility well into their twenties and thirties Gary Cross renowned cultural historian identifies the boy man and his habits examining the attitudes and practices of three generations to make sense of this gradual but profound shift in American masculinity Cross matches the rise of the American boy man to trends in twentieth century advertising popular culture and consumerism and he locates the roots of our present crisis in the vague call for a new model of leadership that ultimately failed to offer a better concept of maturity **Prime-Time Authorship** Douglas Heil, 2002-03-01 Designed to inspire the fledgling scriptwriter this book combines analytical essays on the work of three successful television writers with interviews and complete scripts printed in correct professional format The writers Marion Hargrove *Maverick* The *Waltons* Joseph Dougherty *thirtysomething* and Michael Kozoll *Hill Street Blues* are used as examples of professionals who developed a personal voice and a distinctive style while serving as staff writers for existing prime time television programs Douglas Heil theorizes that students of television scriptwriting need to engage in close study of exemplary and the three full scripts he offers a re useful models of humane and entertaining drama The book is of value not only to aspiring scriptwriters but also to those readers with a general interest in media history **American Drama**, 1997 *The Essential James Garner* Stephen H. Ryan, Paul J. Ryan, 2018-06-07 Since his television debut in the mid 1950s James Garner entertained millions of fans on screens both big and small From supporting roles in memorable films like *Sayonara* and *The Notebook* to leading roles in box office hits including *The Great Escape* *Victor Victoria* and the feature film version of *Maverick* the actor appeared in some of the most entertaining movies of all time In *The Essential James Garner* Stephen H Ryan and Paul J Ryan consider the prolific output of one of America s most beloved actors This book looks at the key feature films made for television movies and television episodes of Garner s career The authors discuss each of the actor s most well known films *The Great Escape* *The Americanization of Emily* *Support Your Local Sheriff* and *Murphy s Romance* among others as well as critically acclaimed television movies including *Barbarians at the Gate* *Breathing Lessons* *Decoration Day* *Heartsounds* *My Name Is Bill W* and *Promise* Each entry provides details about the film s production critical reception
