Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Maverick's** Matt Warshaw,2003-10-09 With its massive faces punishing rocks and treacherous currents Maverick s presents a surfing challenge like no other Author Matt Warshaw has updated his critically acclaimed illustrated history of Maverick s to cover important recent developments and we ve added a fresh new cover to kick this edition off in style A fascinating account to quote Surfer magazine it takes a cue from Sebastian Junger s The Perfect Storm Warshaw focused on a single event and expands on it to illuminate an entire culture and its world beyond waves The event was the death of celebrated surfer Mark Foo one of those who congregate every winter to test themselves in the dark foreboding waters And what unfolds in Maverick s is no less than the story of big wave surfing from its ancient Hawaiian origins to modern tow in riders It s a book to be enjoyed not only by those who surf deep in the waves but also by those whose taste for adventure is satisfied deep in the pages of a very good book *Who's Who in the West* Marquis Who's Who,2001-11 **A Guide to Sources on**

Australia-Asia Relations Deborah J. McNamara,1990 **Film Composers Guide** ,1996 Australian national bibliography ,1961 **The Rough Guide to Rock** Peter Buckley,2003 Compiles career biographies of over 1 200 artists and rock music reviews written by fans covering every phase of rock from R B through punk and rap Rewriting God Elaine Lindsay,2021-11-22 Women are rarely if ever mentioned in commentaries upon Australian Christianity and spirituality Only exceptional women are recognized as authorities on religious matters Why is this so Does it matter Don t people from the same religious tradition share similar experiences of the divine regardless of their gender Rewriting God asks whether women have been writing about the divine and whether their insights are different from those contained in malestream accounts of Australian Christianity and spirituality An analysis of the writings of popular theologians and religious commentators over the last twenty years suggests that the most popular form of spirituality among Australian theologians is Desert Spirituality An analysis of women s autobiographical writings however suggests that the desert is irrelevant to many women s spiritual experiences This book through a close investigation of the fictions of Thea Astley Elizabeth Jolley and Barbara Hanrahan attempts to posit alternative forms of women s spirituality and to signal ways in which this spirituality is already being expressed From the evidence gathered here it becomes obvious that traditional expressions of Australian Christianity and spirituality are gender specific and that they have functioned to deny women s religious experiences and to silence their claims to equality in the sight and service of the divine It becomes obvious too that women have been developing

their own forms of religious expression and that these may be expected to supplant gradually withering images of Desert Spirituality Whether this new imagery will strengthen Australian Christianity or whether it merely marks a decline in the authority of Christianity remains a moot point Index to American Reference Books Annual 1985-1989 ,1989 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering

Unsettling Stories Victoria Kuttainen,2009-12-14 The first study of the synergies between postcolonialism and the genre of the short story composite Unsettling Stories considers how the form of the interconnected short story collection is well suited to expressing thematic aspects of postcolonial writing on settler terrain Unique for its comparative considerations of American Canadian and Australian literature within the purview of postcolonial studies this is also a considered study of the difficult place of the postcolonial settler subject within academic debates and literature Close readings of work by Tim Winton Margaret Laurence William Faulkner Stephen Leacock Sherwood Anderson Olga Masters Scott R Sanders Thea Astley Tim O'Brien and Sandra Birdsell are positioned alongside critical discussions of postcolonial theory to show how awkward affiliations of individuals to place home nation culture and history expressed in short story composites can be usefully positioned within the broader context of settler colonialism and its aftermath **Australian Beach Cultures**
