responsibility is Max Bryson's middle name. Never having been in a serious relationship, he has no plans for one in the near future. He likes being his own man. And even if he were interested in a serious relationship, he certainly wouldn't choose someone so immature and irresponsible as Amanda. But no matter how hard he tries, he can't get sexy Amanda out of his head or his heart. Watching her mature in front of his eyes, his protectiveness towards her only strengthens. Bossy and possessive aren't the only words Amanda uses to describe this frustrating cop. She can't deny just looking at the man makes her tremble. But she's done with having anyone control her, and this man isn't going to be any different. Or is he? Note: This full-length novel doesn't have a cliffhanger or cheating and, as always, has an HEA. It's best to read this series in order.
