Max City Guides New York:

New York City Guide Best Books on,1940 **Julius Cahn's Official Theatrical Guide ,1903** **A People's Guide to New York City** Carolina Bank Muñoz,Penny Lewis,Emily Tumpson Molina,2022-01-25 This alternative guidebook for one of the world's most popular tourist destinations explores all five boroughs to reveal a people's New York City. The sites and stories of A People's Guide to New York City shift our perception of what defines New York, placing the passion, determination, defeats and victories of its people at the core. Delving into the histories of New York's five boroughs, you will encounter enslaved Africans in revolt, women marching for equality, workers on strike, musicians and performers claiming streets for their art, and neighbors organizing against landfills and industrial toxins and in support of affordable housing and public schools. The streetscapes that emerge from these groups' struggles bear the traces, and this book shows you where to look to find them. New York City is a preeminent global city serving as the headquarters for hundreds of multinational firms and a world-renowned cultural hub for fashion, art, and music. It is among the most multicultural cities in the world and also one of the most segregated cities in the United States. The people that make this global city function: immigrants, people of color, and the working classes reside largely in the so-called outer boroughs outside the corporations' neon and skyscrapers of Manhattan. A People's Guide to New York City expands the scope and scale of traditional guidebooks, providing an equitable exploration of the diverse communities throughout the city. Through the stories of over 150 sites across the Bronx, Manhattan, Queens, Brooklyn, and Staten Island, as well as thematic tours and contemporary and archival photographs, a people's New York emerges, one in which collective struggles for justice and freedom have shaped the very landscape of the city.

The Official Railway Guide ,1909 **Professor Chocolate Presents the Ultimate Guide to Finding Chocolate in New York City (Lower Manhattan and Brooklyn Edition)** Rob Monahan,Neill Allewa,2010-08-30 Professor Chocolate presents the official handbook for discovering New York City's best-kept chocolate secrets. It is designed for both the native and the visitor who wish to hunt for the ultimate chocolate experience. Inside, you'll find over 40 chocolate shops profiled, mapped, and organized into 11 distinct and digestible walking tours. The authors are elementary school teachers by day and chocolate-seeking aficionados by night and weekend. We simply love chocolate, love finding it, and love sharing our research with anyone who is interested. We hope that you will have just as much fun exploring as we have had researching. Let the journey be the reward.
