Max Beckmann On My Painting:

Max Beckmann: On My Painting Max Beckmann, 2013-09-05 Max Beckmann is widely acknowledged as one of Germany's leading twentieth century artists. A figurative painter throughout his career, Beckmann depicted the world around him with an unparalleled intensity. His art emerges directly from his experiences of the First and Second World Wars, the political upheavals of the 1920s and 1930s, the rise of Nazism, exile in Amsterdam, and his final emigration to the United States. By capturing the objects and events that surrounded him, Beckmann hoped to grasp the deeper mysteries underlying human existence. He perceived and painted the world as a vast stage at once real and magical upon which his own life and the traumas of contemporary history were closely intertwined. *On My Painting* can give a valuable insight into understanding his work. It was composed in 1938 at a crucial juncture in Beckmann's life, just a year after he was included in the Degenerate Art exhibition in Nazi Germany. It was read by him at the opening of the Twentieth Century German Art exhibition. With an introduction by Mayen Beckmann, the artist's granddaughter, and an afterword by Sean Rainbird. *Self-Portrait in Words* Max Beckmann, 1997-03-15 One of the most important German artists of the twentieth century, Max Beckmann was labeled a degenerate artist by the Nazis and chose exile. His artistic production encompassed the realism and figural themes of his early works to the provocatively blunt portraiture, critical urban views, and richly layered symbolic works for which he is now universally recognized. Although he was a prolific writer, his written work has never before been collected and translated into English. Beckmann is known for the depth, pungency, and tremendous sensuous force of his works. Only in the last twenty years have we come to learn more about his personal life. *Self-Portrait in Words* maps out Beckmann's life and draws attention to the occasions on or for which he produced his writings to the importance of writing for him as a form of expression and to both the contemporary and personal references of his ideas and images. **Max Beckmann** Max Beckmann, Buchholz Gallery (New York, N.Y.), New Burlington Galleries, Curt Valentin Gallery (New York, N.Y.), 1941 **Max Beckmann: on My Painting**, 1941 Max Beckmann Kunsthalle Bremen, Museum Barberini (Potsdam, Germany), 2017 Many paintings by Max Beckmann 1884-1950 depict the world of the theater, circus, and variety shows. Driven by an urge toward showmanship and display, the painter turned the pictorial frame into his stage. This publication is the first to pursue the question of how Beckmann's art fits in with the concept of world theater in the history of ideas. It opens up a new way of looking at the work of this exceptional artist of the twentieth century. back cover **Max Beckmann in Exile**, 1996 Distributed by Abrams Exhibition 10-9-96-1-5-97 **Max Beckmann and the Self** Wendy Beckett, 2003 This beautifully produced volume uses Beckmann's own words as an introduction to the artist's creative expression and his unwavering search for the self. **Modern Art Despite Modernism** Robert Storr, Museum of Modern Art (New York, N.Y.), 2000 Essay by Robert Storr Foreword by Glenn D.
