ago and it has met with nothing but opposition and obstruction Around 1360 BC Moses has the fabulous box called the Ark of the Covenant made This holy box was the national talisman of the Hebrew nation It was revered as the place of the presence of the god Yahweh and the most holy thing belonging to the Hebrew nation A series of events that included the Ark being seen as an invincible means of military success and in one disaster being captured by the Philistines ended when King David placed the Ark in the care of the family of Obed Edom and he took the Ark to Jerusalem around 975 BC along with the family of Obed Edom The next King was Solomon and he built a celebrated temple in Jerusalem to house the Ark where annually the high priest entered the holy of holies chamber to serve the divine box Nothing much is said of the Ark until c 790 BC the Judean King Ahaziah attacked the Israelite King Jehoash and was totally defeated The victorious Jehoash then went to Jerusalem where he took everything from the palace and everything from the temple and he also took away the family of Obed Edom who are the family mentioned several times in the Bible as guardians of the Ark guardians of the Ark Therefore Jehoash removed the Ark from Jerusalem and took it north to Samaria Nothing is said in the Biblical record of the Ark being anywhere near Jerusalem after this event in circa 790 BC In 740 736 BC the Judean King Ahaz paid a huge bribe to the Assyrian Emperor Tiglathpileser III to attack King Pekah of Ten Tribe Israel and as a result Israel was totally crushed by the Assyrian army A large number of Israelite nobles and leaders were immediately deported north to areas around Harran from where the patriarch Abraham has begun his migrations In successive campaigns by the Assyrian emperors Shalmaneser IV Sargon II and Sennacherib great numbers of the Israelite nation were deported north and up into the areas north of Harran In 702 BC Sennacherib recorded how he deported 200 120 people in one mass exodus The Assyrian records unmistakably and persistently call the Ten Tribes as the Khumry It is a virtual certainty that these deported Ten Tribes took the Ark with them from Israel Sennacherib was murdered by two of his sons in c 687 BC and civil war convulsed the Assyrian Empire and as the heir Esarhaddon fought the murders the massed Ten Tribes took the opportunity to move westwards across both the upper branches of the Y shaped Euphrates river as described in the Book of Esdras II They moved slowly and unstoppably through Siasia Minor and the Greeks recorded their migration as that of the Kimmerio Khumry There is a record of the Khumry having the Ark with them on this journey from north of Assyria through Asia Minor and to the Dardanelles Finally around 650 BC the nation split into two and one half migrated to Italy whilst the other half remained in the areas around Byzantium until circa 504 BC when they gathered on the island of Lemnos before sailing to Britain in the fleets An inscribed stone that was found on Lemnos in 1876 and now in the Athens museum that records this gathering and the intent to sail to Britain Either the Ark was taken to Etrurian Italy in circa 650 BC or it remained near the Dardanelles until around 504 BC before being brought into Britain The fact is that the Greal or Holy Greal is simply a record and a comparison would be that the Bible the Koran the American Declaration of Independence or the Two Tablets brought down the mountain by Moses would all be greals Britain is the land of the Holy Greal The search was begun to locate the Ark in Britain and this proved to

be relatively straightforward but technically different The persistent ancient legend in the area north of Cardiff is that a great chest lies buried and this chest is guarded by two Cigfrangawr Giant Ravens It is not difficult to perceive that this great chest is the Ark that has two golden Cherubim fearsome dragons figures What emerged was that these had been a direct transfer of culture from Israel to Britain and all across the hills of South Wales there are gigantic mounds and these huge mounds are named and set out in a pattern to mirror the pattern of the major stars in the heavens Then there are several ancient tales that tell of the great plants moving on their orbits and being in conjunction with the main stars of the various constellations The journeys of the planets seen as moving and not fixed stars are tracing out routes that can be followed around the Star t Mound Maps on the ground In short our British ancestors left us clear records of where to go The Ark is at a place where the giant mound marks the start Regulus in Leo the Lion the Judean emblem The ancient place name is The Enclosure of the Ark and the central area is The Place of Worship The top of the large hillock has clearly been molded by the hand of man and satellite photography showed spoil heaps tumbling down the slopes form a tunnel excavated horizontally to underground chambers Five very ancient drainage systems of the type used in antiquity to drain and keeps chambers dry are clearly evident Amazingly the Above sea Levels readings of satellite photography proved absolutely that the top 60 feet of this low dome shaped hill is a man made construction This is unassailable incontrovertible and absolute scientific proof of the highest order Ground penetrating radar and other methods shows at least two underground chambers and deep reading g electronic metal detection identifies a large non ferrous box of around four feet long and two feet wide This is the precise size of the Ark of the Covenant An approach has been made to the Welsh National Assembly and hopefully something positive will at last be done to restore Khumric British heritage cultures and history *Colours in the Steel* K. J. Parker, 2013-05-07 An epic novel of blood betrayal and intrigue Perimadeia is the famed Triple City and the mercantile capital of the known world Behind its allegedly impregnable walls everything is available including information that will allow its enemies to plan one of the most devastating sieges of all time The man called upon to defend Perimadeia is Bardas Loredan a fencer at law weary of his work and the world For Loredan is one of the surviving members of Maxen s Pitchfork the legendary band of soldiers who waged war on the Plains tribes rendering an attack on Perimadeia impossible Until now that is But Loredan has problems of his own In a city where court cases are settled by lawyers arguing with swords not words enemies are all too easily made And by winning one particular case Loredan has unwittingly become the target of a young woman bent on revenge The last thing he needs is the responsibility of saving a city **Snow Day** Andrea K Höst, 2020-01-01 KOTIS recruits Oriel and Maxen just wanted to get their gaming guild together for Snow Day but failed to factor jealousy into their plans On a day that has come to celebrate families and friendship it can be hard to be kinless A turning of the year piece of Touchstone fluff one for the fans not recommended for new readers *The Spirit Path* Katherine Genet, Teach them from the heart The Goddess s words are clear in Morghan s memory but the task is difficult in the extreme because now that Wilde Grove and Wellsford are

known to many so do they discover enemies they never anticipated Morghan finds herself brokering alliances both in the Otherworld and this one only to learn that the issues are much bigger than she ever dreamed and that she's not the only one pulling the strings Erin and Winsome meanwhile discover that by protecting one who needs their help badly needed bridges are burned instead of built But even in the midst of strife life must prevail The way of the heart must be followed for along that pathway lies the only lasting joy This is book 6 in the Wilde Grove series and continues the story from Book 5 The North Star

Follow The Wind Katherine Genet,2022-04-12 The flow of life's purpose twists and turns Selena Wilde has been Lady of the Grove for many years successfully keeping and passing on the knowledge wisdom and practices of the Ancient Way She's trained Morghan Wilde to take her place when the time comes and is living her life's purpose with gratitude and joy Until that is the wind brings on its wings the cries of a child and her dreams take her places she'd never expected to go The message is clear she is needed there is someone who needs her to hear them and come to their aid A simple enough thing perhaps Selena thinks but the call comes from far away and she must do the unthinkable leave Wilde Grove For the flow of her purpose must be followed wherever it leads and the wind's message must be heeded Includes the new Wilde Grove novella The Threading
