Copperman,2013-11-05 Alison Kerby s guesthouse is already crowded with spirits The last thing she needs is a whole new batch of haunts settling in As Alison s reputation as the ghost lady grows so does her business and not always in a way she d like Tourists may be flocking to her guesthouse for a chance to glimpse her resident spirits but her special abilities are also bringing unwanted private investigation cases to her door And she has no choice but to take a case when the local homeless man is found murdered under mysterious circumstances just hours after asking for help in exorcising a specter If that weren t enough to deal with Alison s other PI case soon turns fatal as the mistress she was spying on for a jealous wife turns up dead as well The cases seem like they couldn t possibly be linked but with a mountain of clues motives and suspects both living and dead Alison will have to think fast before someone else checks out for good Manifest Destiny NJ Damschroder,2018-09-01 Thanks to the ghosts who have been chained to her since birth Maxi Cotter has given up on hoping for a normal life The weirdness surrounding her keeps people away and has had her hopping from foster home to foster home her whole life Her only goal is to increase the stash of cash meant to support her when she ages out of foster care using the ghosts to do impossible tasks that her classmates pay for Maxi s solitary life changes when not one but two people discover Maxi s secret and find it fascinating rather than frightening Sheridan Daniels can detect the ghosts and insists that Maxi let her join some of her jobs to see them in action Devin Courtney tangles his personal interest in Maxi with his need for her help The three embark on a mission to find Devin s missing sister Sydney They uncover not just nefarious intentions at Sydney s school but a lonely vengeful ghost who isn t about to let Maxi leave Stopping the ghost means blowing up life as Maxi knows it and possibly leaving her more alone than ever **The Fusion Series Box Set** NJ Damschroder,2018-03-07 Eighteen year old Roxie Sebastian lives a charmed life and she knows it But she couldn t feel it until she learns that she s half angel a being from another dimension and she was separated from the light that is her soul during her traumatic birth Someone has been screwing with that light using it to commit crimes and their actions are about to cause irreparable damage to two worlds the one she lives in and the one she can t remember Aided by her best friend Jordan her boyfriend Tucker and fellow half angel Lincoln Roxie tracks down the criminal and uncovers many more secrets not only of her past but of the history of their race on Earth And then she faces a horrible dilemma the only way she can stop them from ripping apart both worlds is to fuse with her light which could be tainted by the evil with which it was used Fusing with her soul has allowed Roxie to feel complete for the first time in her life But that doesn t mean everything is fine Her angel assigned mission prevents her from going to college and forces her to lie to her parents She sucks at the cool powers that come along with being half angel And now she finds out that angels aren t the whole story There are shadows too and a centuries old battle between angels and shadows has somehow put Roxie right in the middle Forget fake homework and the easy memorable summer before college

she's not having the stakes are suddenly life or death and the main casualty could be the one person she can't live without After saving the world again Roxie continues to struggle with the emotional explosion that came with her fusion Her relationship with her parents is cracking under the strain of too many lies And now she and her friends have let into our world a being of unimaginable power and unknown intentions As a series of visions show her truths even the other angels and shadows didn't know new threats close in She must unite allies and enemies in a race to save her father from possession and the world from invasion She can't succeed without the help of Gaia the most powerful angel who almost killed her 18 years ago But that help will come at a most terrible price *Perfect Vision* NJ Damschroder, 2017-06-30 Roxie Sebastian's life is a mess She's struggling with the emotional explosion that's the aftermath of fusing with her angel soul Her relationship with her parents is cracking under the strain of too many lies And even though she and her friends have saved the world more than one of them actually they also have let in a being of unimaginable power and unknown intentions The circumstances of Roxie's birth have made her a completely unique being Every time she uses her abilities it increases her own power As a series of visions show her truths even the other angels and shadows didn't know new threats close in She must unite allies and enemies in a race to save her father from possession and the world from invasion She can't succeed without the help of Gaia the most powerful angel who almost killed her 18 years ago But that help will come at a most terrible price *Your Reading*, 1988 An annotated listing of books of fiction nonfiction poetry and drama recommended for junior high and middle school students **Paper Ghosts** Jesse Kalfel, 2023-06-29 Fenn Cooper is a journalist in trouble His boss has given him one last chance to write a riveting story or lose his job He decides to write about the eccentric people who work at a travelling circus in Ithaca New York where silent movies were once made There he meets Zena a little person fortune teller with uncanny abilities and her friend Holey John a Vietnam vet whose act is piercing his flesh for five bucks a pop as penitence for what he imagines he did in Nam Marvin Brinks a Hollywood exec for a big time movie production company also finds himself in trouble when he stumbles upon a one hundred year old contract his company inherited from a long forgotten silent movie company that was based in Ithaca Wording in the contract would trigger an audit and an audit would expose him for embezzling millions of dollars from the company When he realizes that several copies of the contract are missing he hires an assassin to find the contracts and kill any heirs As Fenn begins to write his story he uncovers a connection between the long forgotten contracts and a series of recent unsolved murders What's more he realizes that Zena and Holey John could be the killer's next victims As these players converge in Ithaca a deadly game of cat and mouse ensues Will Fenn uncover Marvin Brinks secrets and stop the murders before Zena and Holey John become the killer's next victim **Phantom Power** NJ Damschroder, 2020-11-29 Keegan Belcastro has always loved a mystery even when it got her into trouble When research for a school paper leads her to a haunted mansion full of desperate phantoms learning who they are and how they came to be trapped there evolves into a quest for their freedom Shane Bitrec has been Keegan's next door
