Maxima Seguridad Almoloya Y Puente Grande Nuevo Siglo:

El Narco Ioan Grillo, 2012-01-16 War is no exaggeration in discussing the bloodshed that has terrorized Mexico in the past decades As rival cartels battle for control of a billion dollar drug trade the body count 23 000 dead in five years and sheer horror beggar the imagination of journalistic witnesses Cartel gunmen have attacked schools and rehabilitation centers and murdered the entire families of those who defy them Reformers and law enforcement officials have been gunned down within hours of taking office Headless corpses are dumped on streets to intimidate rivals and severed heads are rolled onto dancefloors as messages to would be opponents And the war is creeping northward towards the United States El Narco is the story of the ultraviolent criminal organizations that have turned huge areas of Mexico into a combat zone It is a piercing portrait of a drug trade that turns ordinary men into mass murderers as well as a diagnosis of what drives the cartels and what gives them such power Veteran Mexico correspondent Ioan Grillo traces the gangs from their origins as smugglers to their present status as criminal empires The narco cartels are a threat to the Mexican government and their violence has now reached as far as North Carolina El Narco is required reading for anyone concerned about one of the most important news stories of the decade *Narcotráfico a ocho columnas. Historia de la narrativa periodística sobre el narco en México*

Rodrigo Marcial Jiménez, 2024-01-30 El objetivo principal de la investigación fue documentar los problemas políticos y sociales generados por la guerra contra las drogas en México que consignó la prensa nacional al final del siglo XX Se aborda el periodo de gobierno del presidente Ronald Reagan y las políticas intervencionistas impulsadas por Estados Unidos en América Latina en la década de los ochenta Además se describen varios episodios delincuenciales cronicados en los medios periodísticos de la época en los que participaron distintos miembros del cartel de Guadalajara y agentes de la agencia antidrogas norteamericana DEA Los casos en concreto que se exponen en este trabajo son el caso Camarena el caso Ivarez Machain y el caso Posadas Ocampo Los mismos fueron descritos por la prensa mexicana de la época que construyó diferentes discursos y narrativas que a la postre dieron paso a la aparición de los periodistas y el género especializado en el narcotráfico *Máxima seguridad* Julio Scherer García, 2001 Habla Caro Quintero confiesa Zulema amante de El Chapo Guzmán recita El Mochaorejas Arizmendi expone el general Gutiérrez Rebollo murmura Mario Aburto Los entrevistados son muchos una larga lista de personajes disimulados reclusos en La Palma antes Almoloya y Puente Grande cárceles mexicanas de máxima seguridad Scherer pregunta y escucha En las pausas los silencios se adivina la estupefacción la sorpresa la conmoción del entrevistador quien consigue que los otros digan lo que nunca imaginaron poder decir En Máxima seguridad Julio Scherer García explora los paradójicos horizontes carcelarios percibe el horror la pudrición la carencia el abuso la suciedad e imperturbable ejerce su labor como si supiera que de esta experiencia o sale triunfante o se convierte en estatua de sal Un viaje tormentoso sinuoso traumático donde es el lector quien tiene la última palabra *La vida en México (1976-2010) Tomo III: Fox/Calderón*
