Then it's time to stop looking for purpose and start using the divinely placed purpose inside of you. Your destiny is not waiting to be found; it's waiting to be released. God's power with your potential. Power can be released through specific people, strategic meetings, significant moments. Regardless of how power comes, you must learn how to prepare your potential for the life-changing, destiny-altering collisions with supernatural power that launch you into new levels of living. By drawing from the powerful analogy of Elijah and Elisha, Bishop Jakes shows you how to discover your purpose, unleash your potential, remain focused during difficult seasons, position yourself for destiny-defining moments, recognize your power encounters, and seize those opportunities. When your potential meets God's power, you are on the way to fulfilling your purpose.

**Instinct** T. D. Jakes, 2014-05-06. Tap into your God-given intuition and start achieving ultimate success with this inspiring #1 New York Times bestseller from Bishop T. D. Jakes. If you have ever felt misaligned, this book is for you. If you have lost the rhythm, the passion, or the thrill of living in alignment, then keep reading. As He did with the very cells that comprise our bodies and the dry bones that were joined together for new life, God has given us deeper instincts to be attracted to those things that fit a higher and better purpose. Never settle for less than God's best for your life. Some people have the courage to move beyond the ordinary from the methodical, mediocre into the revolutionary realization of where they belong. You can have this sense of belonging only when you connect to your core calling. The calling to creativity, the calling to teach, to give, to build, are all part of allowing your instinct to guide you to the something more that you suspect is out there. If you are ready to break through the confines of where you are and discover where you are meant to be, then Instinct is your key.
