Myles Munroe, 2010-07-21 Do you know your purpose in life Are you living up to your full potential You can do both
successfully and powerfully by learning how to unleash the plan your Creator designed especially for you Today the moral
fabric of too many societies is being stretched and tested to the outer limits People seem to be out of touch with their
purpose and the values morals and convictions that build strong families secure communities and prosperous nations When
we lose our sense of purpose and significance then confusion frustration disillusionment and corporate suicide whether
gradual or instant reign Dr Myles Munroe's personal experiences and stories are balanced with a solid biblical foundation to
help you regain your sense of purpose You can unleash your God given talents and skills and benefit from your potential
every joyful day of your life Blue-Collar Leadership Mack Story, 2016-03-13 Finally there is a book specifically created for
the often overlooked and underdeveloped blue collar workers on the front lines My passion is to help leaders and
organizations invest in those on the front lines or to help you invest in yourself For the blue collar workers I value so much I
ve written the book I wish someone would have given me this book nearly 30 years ago when I started my career on the front
lines It would have changed my life then It can change your life now Separate yourself from the crowd quickly by learning
how to master the traits High Impact leaders value most You will learn how to get noticed for the right reasons and how to
get promoted for the right reasons You will learn how to become recognized as a front line leader worth following and you
don't need formal authority position because you will develop something better moral authority influence I've made this book
easy to read for the non readers on the front lines There are 30 chapters with 3 pages each If you read a chapter a day 3
pages you will easily complete the book in 1 month even if you're a non reader I've written this book specifically for the often
overlooked great people with so much untapped potential on the front lines If you're on the front lines it will help you better
understand how to make an impact from where you are how to be recognized for your abilities how to position yourself well
for promotions how to increase your influence with your leaders and your teammates how to be a better team player how
why you should accept more responsibility how to intentionally become more valuable to the company how to become more
valuable and successful as an individual how to lead yourself well in order to create a better future for yourself This book will
actually be great for anyone at any level in any industry but the greatest value will be for those in the blue collar world on the
front lines along with the first few layers of front line leaders Of course higher level leaders also need to know and
understand what's in this book to multiply the potential of those on the front lines Maximize Your Potential Through the
Power of Your Subconscious Mind for a More Spiritual Life Dr Joseph Murphy, **Maximize Your Leadership Potential**
Mack Story, 2016-09-09 NOTE Maximize Your Leadership Potential Beyond Management Supervision is the white collar or
non specific version of Blue Collar Leadership Supervision Unleash Your Team's Potential and the content is nearly identical

It is primarily for those who have others reporting directly to them especially those new to a formal leadership position or those who have had very little or no formal leadership training and development Think of this book as Leadership 101 for leaders at any level It is written in an easy to read format with 30 chapters that are three pages each It can also be easily utilized for conducting a 30 day book study with your leaders This book is a tool and resource for developing those courageous people who have stepped up and accepted a position of leadership most often without ever receiving any formal leadership training They are simply expected to lead without being taught how to lead And they do the best they can This book will help them grow beyond management and supervision Leaders will understand what it means to be a high impact leader of people and how to become a highly effective leader They will learn how to move beyond managing people and to begin leading people As I share the principles that allowed me to be promoted 14 times in the first 20 years of my career they will learn how to get noticed by the right leaders and how to get promoted for the right reasons With over 11 000 hours of leading leaders and their cross functional teams through process improvement organizational change and cultural transformation I've also used the principles in this book to achieve amazing results with and through other people After reading this book you will have a choice Will you remain a traditional supervisor or manager of people Or will you choose to become a high impact leader of people that also supervises and manages things and process
