K. Subramanian,1990      **Chanakya Neeti** B. K. Chaturvedi,2017-08-30 One of the greatest figures of wisdom and knowledge in the Indian history is Chanakya Chanakya is regarded as a great thinker and diplomat in India who is traditionally identified as Kautilya or Vishnu Gupta Originally a professor of economics and political science at the ancient Takshashila University Chanakya managed the first Maurya Emperor Chandragupta s rise to power at a young age Instead of acquiring the seat of kingdom for himself he crowned Chandragupta Maurya as the emperor and served as his

chief advisor Chanakya Neeti is a treatise on the ideal way of life and shows Chanakya's deep study of the Indian way of life. These practical and powerful strategies provide a path to live an orderly and planned life. If these strategies are followed in any sphere of life, victory is certain. Chanakya also developed Neeti Sutras, aphorisms, pithy sentences that tell people how they should behave. Chanakya used these sutras to groom Chandragupta and other selected disciples in the art of ruling a kingdom. But these sutras are also relevant in this modern age and are very useful for us. For the first time, Chanakya Neeti and Chanakya Sutras are compiled in this book to make Chanakya's invaluable wisdom easily available to the common readers. This book presents Chanakya's powerful strategies and principles in a very lucid manner for the benefit of our valuable readers.

The book gives a detailed account of Chandragupta Maurya and the

general view of his administration It has covered almost all aspects of administration including the king ministers and officers with rules of service and divisions of administrative departments governance of land system and rural administration along with municipal administration the source of law and dispensation of justice and the army and its management Besides social and economic conditions of that times have been elaborately discussed The detailed contents serves as an index of subjects the other parts are Index of technical terms three appendices which enrich utility of the book and a plate of typical Mauryan Coins

*Chanakya Niti on Corruption* Dev Dantrelia, 2014-03-24 Mostly we all know Chanakya by name Chanakya who was born around 3rd BC in Bharat now Hindustan astute shrewd and ruthless political master Equally selfless and patriotic teacher who politically united the small states post invasion of Greeks and reclaimed the boundaries of Bharat stretching from Puruvarsha Persia now Iran Gansthan now Afghanistan to far east of Magadh Bihar state of India We know Chanakya for his Niti shashtas for his voluminous work on economy maxims of wisdom and intelligence But we do not know much about minute details with which he governed the country at that time We do not know during his time of around 3rd BCE at how much advance stage the economy public life administration industries defence mechanisms taxations public private partnerships foreign policy judicial systems banking and accounting systems were there in India It seems they all were in more than perfect stage compared to present scenario factoring advancement in science and technology etc We will look at each of them one by one In this book Chanakya Niti on Corruption we will take a look at corruption What Chanakya thinks about sources of corruption ways of finding about corruption judgements and punishments of corruptions etc Chanakya knows very well that just like it is impossible to know when and how much water a fish drinks it is utmost difficult to know how much money government officials steal away while in charge of it Knowing human nature which succumbs to greed fear lust anger or any such tamas gunas and indulges in acts of corruption to accumulate wealth in the country or outside Chanakya keeps eye on conduct and life style of not only ministers but all levels of the government officials too Chanakya takes multi pronged approach to tackle and eradicate corruption He knows that by establishing one department to tackle corruption problems are not going to be solved instead will increase many fold later when that department itself becomes corrupt eventually He relies on spying continuous intelligence gathering harsh punishments leading to deaths rewards who bring to notice acts of corruptions by officials etc promotions and rewards to who do their job righteously Not only that 3rd century BC do you imagine there were clear cut rules and guidelines how to write account books At that time he knew that what impact it creates on overall economy and nation building if sanctioned amount for projects are not utilised actually Chanakya knows corruption is contiguous and he tackles such problems too with well laid out and practical laws to follow at that time Looking at the crux of the guidelines what Chanakya outlines it seems that essence of those laws are applicable still today with more verbatim or expansion of words to suite and cover present scenarios But the essence remains same He knew that in corruption free country trade and business entrepreneurship and industries flourishes and so overall

wealth health and security of the nation I hope reading this book Chanakya Niti on Corruption will open up a window to explore further on how an Indian political guru administered this nation 3rd century BCE *Seven Classics on War and Politics* Sun Tzu, Confucius, Chanakya, Kautilya, Marcus Aurelius, Niccolo Machiavelli, Miyamoto Musashi, Yamamoto Tsunetomo, 2019-10-25 This is an international collection spanning over 2 000 years of history Two books are from China one from India two from Italy and two from Japan These works provide insight into the thinking of warlords and kings who ruled across Asia and Europe in ancient times Some of these books are focused more on war and military science Art of War Book of Five Rings Hagakure others are more self reflective and develop an ethical philosophy Analects Meditations and others still are focused more on politics and ruling Arthashastra The Prince Each of these books provides a unique and historical perspective regarding these topics and they complement each other in tracing deep insight into the nature of leadership war politics and statecraft
