Mark I. Rosen,2010-01 BEHIND THE SCENES AT AMERICA S LARGEST JEWISH CHARITY The American Jewish Joint Distribution Committee affectionately referred to as the Joint is considered to be one of the most effective and professionally run Jewish nonprofit organizations in the United States To support and expand its rescue relief and renewal programs that help individuals in need in almost 70 countries the organization has in recent years become a fundraising powerhouse How does the Joint raise over 100 million each year By delving deeply into this question author Mark I Rosen offers an absorbing history of the Joint that reveals much about the complex structure of Jewish philanthropy in the United States In the process he also illuminates principles and practices that can be adopted by any nonprofit to improve leadership and fundraising effectiveness This well written and well researched book is an excellent resource for those with interests in nonprofit management philanthropy and organizational change

Dollars for Life Mary Ziegler,2022-01-01 A new understanding of the slow drift to extremes in American politics that shows how the anti abortion movement remade the Republican Party A timely and expert guide to one of today s most hot button political issues Publishers Weekly starred review A sober knowledgeable scholarly analysis of a timely issue Kirkus Reviews Ziegler s argument is that over the course of decades the anti abortion movement laid the groundwork for an insurgent candidate like Trump Jennifer Szalai New York Times The modern Republican Party is the party of conservative Christianity and big business two things so closely identified with the contemporary GOP that we hardly notice the strangeness of the pairing Legal historian Mary Ziegler traces how the anti abortion movement helped to forge and later

upend this alliance Beginning with the Supreme Court s landmark decision in Buckley v Valeo right to lifers fought to gain power in the GOP by changing how campaign spending and the First Amendment work The anti abortion movement helped to revolutionize the rules of money in U S politics and persuaded conservative voters to fixate on the federal courts Ultimately the campaign finance landscape that abortion foes created fueled the GOP s embrace of populism and the rise of Donald Trump Ziegler offers a surprising new view of the slow drift to extremes in American politics and explains how it had everything to do with the strange intersection of right to life politics and campaign spending
