

*"Everyone has his superstitions.
One of mine has always been when I
started to go anywhere, or to do
anything, never to turn back or to
stop until the thing intended was
accomplished."*

- Ulysses S. Grant

May I Quote You General Grant

CL Gary

May I Quote You General Grant:

American Military History Daniel K. Blewett, 2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums Great Military Leaders William T. Worthington, 2002 Great Military Leaders A Bibliography with Vignettes Grant Speaks Ev Ehrlich, 2000-06-15 Whether putting Generals Burnside Hooker and Robert E Lee in their place or listening to foul mouthed General Sherman Hiram Ulysses S Useless Grant offers an amusingly warped perspective on the Civil War *May I Quote You, General Grant?* Randall J Bedwell, 1998 Amazingly Ulysses S Grant seemingly failed at everything he did before the war yet he became a successful leader of men in wartime and later president in a crucial period of American history The quotations in this book provide insight into the strength and character that he showed throughout his life **Columbiad**, 1999 The Congressional Globe United States. Congress, 1872 The Country Gentleman, 1916 **Ulysses S. Grant** Josiah Bunting, 2004-09-08 Publisher Description

Grant and Twain Mark Perry, 2005-05-10 In the spring of 1884 Ulysses S Grant heeded the advice of Mark Twain and finally agreed to write his memoirs Little did Grant or Twain realize that this seemingly straightforward decision would profoundly alter not only both their lives but the course of American literature Over the next fifteen months as the two men became close friends and intimate collaborators Grant raced against the spread of cancer to compose a triumphant account of his life and times while Twain struggled to complete and publish his greatest novel *Adventures of Huckleberry Finn* In this deeply moving and meticulously researched book veteran writer Mark Perry reconstructs the heady months when Grant and Twain inspired and cajoled each other to create two quintessentially American masterpieces In a bold and colorful narrative Perry recounts the early careers of these two giants traces their quest for fame and elusive fortunes and then follows the series of events that brought them together as friends The reason Grant let Twain talk him into writing his memoirs was simple He was bankrupt and needed the money Twain promised Grant princely returns in exchange for the right to edit and publish the book and though the writer's own finances were tottering he kept his word to the general and his family Mortally ill and battling debts magazine editors and a constant crush of reporters Grant fought bravely to get the story of his life and his Civil War victories down on paper Twain meanwhile staked all his hopes both financial and literary on the tale of a ragged boy and a runaway slave that he had been unable to finish for decades As Perry delves into the story of the men's deepening

friendship and mutual influence he arrives at the startling discovery of the true model for the character of Huckleberry Finn With a cast of fascinating characters including General William T Sherman William Dean Howells William Henry Vanderbilt and Abraham Lincoln Perry's narrative takes in the whole sweep of a glittering unscrupulous age A story of friendship and history inspiration and desperation genius and ruin Grant and Twain captures a pivotal moment in the lives of two towering Americans and the age they epitomized *Essays in Military Biography* Charles Cornwallis Chesney, 1874 Selected Letters of Hamlin Garland Hamlin Garland, 1998-01-01 Hamlin Garland a Pulitzer Prize winner and author of more than forty books was a central figure in American literary life for half a century He was intimately involved with many of the major literary social and artistic movements in American culture and his extensive correspondence with the intellectual leaders of American culture was almost unparalleled in scope This volume brings together a rich representative sample of Garland's letters They are addressed to an impressive roster of individuals Samuel Clemens William Dean Howells Walt Whitman Zona Gale Theodore Roosevelt Van Wyck Brooks Howard Mumford Jones Brander Matthews Stephen Crane George Washington Cable and many others The letters touch on an equally broad range of subjects from the U S government's reprehensible treatment of Native Americans to environmental issues to the major literary figures and controversies of Garland's day Frank opinionated and wide ranging Garland's letters provide a valuable and entertaining portrait of American cultural and intellectual life in the years between 1890 and 1940 **Hearings** United States. Congress. House. Committee on Appropriations, 1947 **Congressional Record** United States. Congress, 1938 **Harper's**, 1914 The Battles of "Gravelly Run," "Dinwiddie Court-house," and "Five Forks," Va., 1865 Asa Bird Gardiner, 1881 *The Spectator*, 1896 **Essays in Modern Military Biography** Charles Cornwallis Chesney, 1874 **Speeches, correspondence and political papers of Carl Schurz Volume 2** Schurz, Carl, 1913-01-01 **Speeches, Correspondence and Political Papers of Carl Schurz** Carl Schurz, 1913 North-western Christian Advocate, 1897
