May Tennant A Portrait

Sir Sidney Lee

May Tennant A Portrait:

Organized Patriotism and the Crucible of War Matthew C. Hendley, 2012-02-27 Patriotic organizations in prewar Britain are often blamed for the public's enthusiastic response to the outbreak of World War One. The wartime experience of these same organizations is insufficiently understood. In *Organized Patriotism and the Crucible of War* Matthew Hendley examines how the stresses and strains of the Great War radically reshaped popular patriotism and imperialism in Britain after 1918. Using insights from gender history and recent accounts of associational life in early twentieth century Britain, Hendley compares the wartime and postwar histories of three major patriotic organizations founded between 1901 and 1902: the National Service League, the League of the Empire, and the Victoria League. He shows how the National Service League, strongly masculinist and supportive of militaristic aims, flourished in wartime. Conversely, the League of the Empire and the Victoria League, with strong female memberships and goals related to education and hospitality and a language emphasizing metaphors of family, home, and kinship, prospered in wartime and beyond into the 1920s. *Organized Patriotism and the Crucible of War* is a richly detailed study of women's roles in Britain during the height of popular imperialism, as well as a major contribution to our understanding of the continuities in Britain before and after the First World War. [Among Our Books](#) Carnegie Library of Pittsburgh, 1918

A Guide to the Papers of British Cabinet Ministers 1900-1964 Cameron Hazlehurst, Sally Whitehead, Christine Woodland, 1996 A Guide to the Papers of British Cabinet Ministers 1900-1964 is the revised and expanded edition of a volume published by The Royal Historical Society in 1974. Up-to-date information on the papers of 323 ministers from the first edition is provided, and its scope has increased from 323 ministers to include all Cabinet ministers until the resignation of Sir Alec Douglas-Home as Prime Minister in 1964. This Guide is a major research tool and a source of information on the personal papers of British Cabinet ministers.

The Sunset, 1905

A Historical Dictionary of British Women Cathy Hartley, 2013-04-15 This reference book containing the biographies of more than 1,100 notable British women from Boudicca to Barbara Castle is an absorbing record of female achievement spanning some 2,000 years of British life. Most of the lives included are those of women whose work took them in some way before the public and who therefore played a direct and important role in broadening the horizons of women. Also included are women who influenced events in a more indirect way: the wives of kings and politicians, mistresses, ladies-in-waiting, and society hostesses. Originally published as *The Europa Biographical Dictionary of British Women*, this newly reworked edition includes key figures who have died in the last 20 years, such as The Queen Mother, Baroness Ryder of Warsaw, Elizabeth Jennings, and Christina Foyle.

Not Only The Dangerous Trades Barbara Harrison, 2005-08-19 Focusing on occupational ill health in relation to women, this book examines the relationships between gender, work, and illness from 1880 to 1914. It looks at the part played by feminist activists in debates about health and industrial work and shows how they went beyond the concerns of suffrage.

Wolfgang Tillmans Wolfgang Tillmans, Julie Ault, Daniel Birnbaum, Russell Ferguson, Dominic Molon-Lane

Relyea, Mark Wigley, 2006-01-01 Few artists have changed the manner in which photographic images are made read and received over the past two decades as dramatically as German photographer Wolfgang Tillmans b 1968 One of the most important and distinctive artists to emerge in the 1990s Tillmans's work is internationally recognized for its powerful reflections on the often overlooked objects and moments in everyday life With images culled from the entirety of Tillmans's career this generously illustrated book accompanies the artist's first retrospective exhibition in the United States and features the potent effects of his portraits abstractions and structural and sculptural motifs Essays by leading scholars examine the context of the German art and pop cultural scene in which Tillmans first began working in the late 1980s his use of magazines as both venue and source materials his unique approach to portraiture his ability to create a sense of intimacy between the viewer and subjects ranging from his friends to cultural figures and heads of state and his distinctive approach to presenting his images in displays and installations A fascinating look at the breadth of Tillmans's career to date including his most recent new work this book demonstrates the renowned abilities of one of the art world's most revolutionary photographers
