CHILDHOOD OF VICE PRESIDENT KAMALA HARRIS A beautiful empowering picture book about two sisters who work with their community to effect change inspired by a true story from the childhood of the author s aunt Kamala Harris and mother lawyer and policy expert Maya Harris **Maya and Miguel** Crystal Velasquez,2005 In back to back stories Maya reminds her twin brother how cool he can be and Miguel helps keep his big hearted sister s crazy ideas from getting out of control

The Encyclopedia of American Animated Television Shows David Perlmutter,2018-05-04 Once consigned almost exclusively to Saturday morning fare for young viewers television animation has evolved over the last several decades as a programming form to be reckoned with While many animated shows continue to entertain tots the form also reaches a much wider audience engaging viewers of all ages Whether aimed at toddlers teens or adults animated shows reflect an evolving expression of sophisticated wit adult humor and a variety of artistic techniques and styles The Encyclopedia of American Animated Television Series encompasses animated programs broadcast in the United States and Canada since 1948 From early cartoon series like Crusader Rabbit Rocky and His Friends and The Flintstones to 21st century stalwarts like The Simpsons South Park and Spongebob Squarepants the wide range of shows can be found in this volume Series from many networks such as Comedy Central the Disney Channel Nickleodeon and Cartoon Network are included representing both the diversity of programming and the broad spectrum of viewership Each entry includes a list of cast and characters credit information a brief synopsis of the series and a critical analysis Additional details include network information and broadcast history The volume also features one hundred images and an introduction containing an historical overview of animated programming since the inception of television Highlighting an extensive array of shows from Animaniacs and Archer to The X Men and Yogi Bear The Encyclopedia of American Animated Television Series is an essential resource for anyone interested in the history and evolution of this constantly expanding art form **The Popol Vuh** Lewis Spence,1908 Big Ideas for

Young Thinkers Jamia Wilson,2020-03-03 An inclusive philosophy book for the next generation of young thinkers *Maya Political Science* Prudence M. Rice,2013-08-28 How did the ancient Maya rule their world Despite more than a century of archaeological investigation and glyphic decipherment the nature of Maya political organization and political geography has remained an open question Many debates have raged over models of centralization versus decentralization superordinate and subordinate status with far flung analogies to emerging states in Europe Asia and Africa But Prudence Rice asserts that neither the model of two giant superpowers nor that which postulates scores of small weakly independent polities fits the

accumulating body of material and cultural evidence In this groundbreaking book Rice builds a new model of Classic lowland Maya AD 179 948 political organization and political geography Using the method of direct historical analogy she integrates ethnohistoric and ethnographic knowledge of the Colonial period and modern Maya with archaeological epigraphic and iconographic data from the ancient Maya On this basis of cultural continuity she constructs a convincing case that the fundamental ordering principles of Classic Maya geopolitical organization were the calendar specifically a 256 year cycle of time known as the may and the concept of quadripartition or the division of the cosmos into four cardinal directions Rice also examines this new model of geopolitical organization in the Preclassic and Postclassic periods and demonstrates that it offers fresh insights into the nature of rulership ballgame ritual and warfare among the Classic lowland Maya The First 20 Hours Josh Kaufman,2013-06-13 Forget the 10 000 hour rule what if it s possible to learn the basics of any new skill in 20 hours or less Take a moment to consider how many things you want to learn to do What s on your list What s holding you back from getting started Are you worried about the time and effort it takes to acquire new skills time you don t have and effort you can t spare Research suggests it takes 10 000 hours to develop a new skill In this nonstop world when will you ever find that much time and energy To make matters worse the early hours of practicing something new are always the most frustrating That s why it s difficult to learn how to speak a new language play an instrument hit a golf ball or shoot great photos It s so much easier to watch TV or surf the web In The First 20 Hours Josh Kaufman offers a systematic approach to rapid skill acquisition how to learn any new skill as quickly as possible His method shows you how to deconstruct complex skills maximize productive practice and remove common learning barriers By completing just 20 hours of focused deliberate practice you ll go from knowing absolutely nothing to performing noticeably well Kaufman personally field tested the methods in this book You ll have a front row seat as he develops a personal yoga practice writes his own web based computer programs teaches himself to touch type on a nonstandard keyboard explores the oldest and most complex board game in history picks up the ukulele and learns how to windsurf Here are a few of the simple techniques he teaches Define your target performance level Figure out what your desired level of skill looks like what you re trying to achieve and what you ll be able to do when you re done The more specific the better Deconstruct the skill Most of the things we think of as skills are actually bundles of smaller subskills If you break down the subcomponents it s easier to figure out which ones are most important and practice those first Eliminate barriers to practice Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice Create fast feedback loops Getting accurate real time information about how well you re performing during practice makes it much easier to improve Whether you want to paint a portrait launch a startup fly an airplane or juggle flaming chain saws The First 20 Hours will help you pick up the basics of any skill in record time and have more fun along the way Neighborhood Friends Crystal Velasquez,2005-08-01 Presents two short stories in which Maya and Miguel offer secret soccer lessons and make bets about their bad habits **Early**
