Global Coloniality of Power in Guatemala Eglá Martínez Salazar,2012-07-20 In this engaged critique of the geopolitics of knowledge Eglá Martínez Salazar examines the genocide and other forms of state terror such as racialized feminicide and the attack on Maya childhood which occurred in Guatemala of the 1980s and 90s with the full support of Western colonial powers Drawing on a careful analysis of recently declassified state documents thematic life histories and compelling interviews with Maya and Mestizo women and men survivors Martínez Salazar shows how people resisting oppression were converted into the politically abject At the center of her book is an examination of how coloniality survives colonialism a crucial point for understanding how contemporary hegemonic practices and ideologies such as equality democracy human rights peace and citizenship are deeply contested terrains for they create nominal equality from practical social inequality While many in the global North continue to enjoy the benefits of this domination millions if not billions in both the South and North have been persecuted controlled and exterminated during their struggles for a more just world
