**Mayan Vision Quest** Cynthia MacAdams, Hunbatz Men, Charles Bensinger, 1991 Mayan spirituality is captured in photographs of ruins and ceremonial sites *Mayan Vision Quest* George MacDonald, Hunbatz Men, 1979 The Portent speaks of the highlanders 2nd sight myth or inner vision **Legends of the Plumed Serpent** Neil Baldwin, 2012-08-28 Meticulously pieced together from personal experiences that come with years of travel an extensive knowledge of the historic and scholarly works and a deep appreciation of Latin American art and culture both ancient and modern critically acclaimed biographer Neil Baldwin has created a mosaic of words and images retelling the myth of the Plumed Serpent or Quetzalcatl as it has evolved through the millennia He has also created an essential guidebook for the armchair traveller and passionate tourist alike Only a few hours by air from the United States are the mysteries and hauntingly beautiful ruins of Mexico Among the vines intertwined in the frail latticework of crumbling palaces spiraling geometric motifs covering vast walls that sink beneath the jungle and nearly vertical temple steps leading hundreds of feet to a dizzying view of sky and earth images of Quetzalcatl abound The fanged bug eyed feathered serpent thrusts his malevolent sneering head from the pyramid at Teotihuacan he swims in a river of rock around the temple at Xochicalco and at Chichén Itz serpent and jaguar dance on a trail of stone their embrace spawning a monstrous snake with clawed forefeet Depicted as part man snake and bird the Plumed Serpent is the earliest known creation myth from Mesoamerica the region spanning Mexico and most of Central America He embodies good and evil sky and earth feast and famine the duality of life itself Steep massive temples were built in his honor at Teotihuacan the vast city of ruins near today's Mexico City and at Chichén Itz in northern Yucatán the intricate complex that includes the famed ballcourt Moctezuma the ruler of the Aztecs mistook Hernán Cortés and the invasion of the Spanish in 1519 for the return of Quetzalcatl The Catholic Church with its army of Franciscan monks adapted his legend to introduce the indigenous people to Catholicism The myth enhanced Emiliano Zapata's stature as a latter day Quetzalcatl during the Mexican Revolution Diego Rivera and the modern muralists invoked his image to include indigenous themes in their state sponsored art And Quetzalcatl inspired English author D H Lawrence to write a new American novel These and many other tales are recounted in the words and images of Neil Baldwin's *Legends of the Plumed Serpent* Whether sharing a moment of reflection among the breathtaking ruins delving into the historic role of Quetzalcatl during the Spanish Conquest or tracing the themes of revolution and rebirth in the art of Rivera Orozco and Siqueiros Neil Baldwin's enlightening prose captures the imagination Accompanied by numerous illustrations many photographs taken by the author and others painstakingly researched and gathered over the past decade *Legends of the Plumed Serpent* is a true labor of love

**The Spiritual Quest** Robert M. Torrance,2023-09-01 Robert Torrance s wide ranging innovative study argues that the spiritual quest is rooted in our biological psychological linguistic and social nature The quest is not as most have believed a rare mystical experience but a frequent expression of our most basic human impulses Shaman and scientist medium and poet prophet and philosopher all venture forth in quest of visionary truths to transform and renew the world Yet Torrance is not trying to reduce the quest to an archetype or monomyth Instead he presents the full diversity of the quest in the myths and religious practices of tribal peoples throughout the world from Oceania to India Africa Siberia and especially the Americas In theorizing about the quest Torrance draws on thinkers as diverse as Bergson and Piaget van Gennep and Turner Pierce and Popper Freud Darwin and Chomsky This is a book that will expand our knowledge and awareness of a fundamental human activity in all its fascinating complexity Robert Torrance s wide ranging innovative study argues that the spiritual quest is rooted in our biological psychological linguistic and social nature The quest is not as most have believed a rare mystical experience but a frequent expression of o      **Pyramid of Fire:**

**The Lost Aztec Codex** John Major Jenkins,Martin Matz,2004-11-03 The first translation of a previously unknown Aztec codex and its initiatory teachings for 2012 Discloses the potential for great spiritual awakening offered at the end of the Aztec calendar cycle Presents the only existing English language transcription of the Aztec codex with line by line commentary Contains the epic poetry and metaphysical insights of Beat poet Marty Matz 1934 2001 In 1961 an unknown Aztec codex was revealed to Beat poet and explorer Marty Matz by a Mazatec shaman in the mountains of Oaxaca Mexico Originally intended for dramatic performance this codex presents a profound metaphysical teaching describing how the end of time will bring about a visionary ascent At the behest of his Mazatec teacher Matz transcribed this pictorial codex into a literary form that would preserve its initiatory teachings and reveal its secret meanings to a wider audience Pyramid of Fire is an epic poem that provides a vehicle to transport the initiate into the higher realms of consciousness It represents a barely surviving thread of teachings that have been passed down in secret since the time of the Spanish Conquest Revealed are the

techniques by which man is transported to the stellar realm after death via the solar energy within what the ancients called the serpent of consciousness Line by line commentary by Matz and John Major Jenkins provides insights into the perennial philosophy contained in the codex and its relevance to our times      Taken from the Lips Sylvia Marcos, 2006 This epistemological study which is based on ancient chronicles and stories hymns and ritual discourses epics and poetics as well as contemporary ethnographic studies of Mesoamerica has as its salient issues gender fluidity eroticism linked to religion permeable corporeality embodied thought and the amblings of oral thought      **The Spell of the Sensuous** David Abram, 1997-02-25 Winner of the International Lannan Literary Award for Nonfiction Animal tracks word magic the speech of stones the power of letters and the taste of the wind all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us This major work of ecological philosophy startles the senses out of habitual ways of perception For a thousand generations human beings viewed themselves as part of the wider community of nature and they carried on active relationships not only with other people with other animals plants and natural objects including mountains rivers winds and weather patters that we have only lately come to think of as inanimate How then did humans come to sever their ancient reciprocity with the natural world What will it take for us to recover a sustaining relation with the breathing earth In *The Spell of the Sensuous* David Abram draws on sources as diverse as the philosophy of Merleau Ponty Balinese shamanism Apache storytelling and his own experience as an accomplished sleight of hand of magician to reveal the subtle dependence of human cognition on the natural environment He explores the character of perception and excavates the sensual foundations of language which even at its most abstract echoes the calls and cries of the earth On every page of this lyrical work Abram weaves his arguments with a passion a precision and an intellectual daring that recall such writers as Loren Eiseley Annie Dillard and Barry Lopez      *Visiting the Calvario at Mitla, Oaxaca* William R. Arfman, 2008 In the centre of the Mexican town of Mitla stands a run down chapel on an overgrown pre colonial pyramid The chapel housing three crosses is the town s Calvario the local representation of the hill on which Christ died Although buses full of tourists on their way to Chiapas or on daytrips from Oaxaca City swarm the town every day almost none of them ever visit the Calvario Instead they stick to the tourist zone to marvel at the famous mosaic friezes of the pre colonial temples and shop for traditional souvenirs in the tourist market If they would climb the steep steps to the chapel they would discover that despite appearances the building still sees extensive use as pilgrims from the wide Zapotec region visit it to bring offerings to and ask favours of the souls of their dearly departed And as these offerings consist of elaborate arrangements of flowers fruits black candles cacao beans and bundles of copal incense such tourists might well start to wonder where the origins of these practices lie It is this question that this thesis seeks to answer To achieve this current theories on cultural continuity syncretism the materiality of religion and ritual theory are combined with a study of archaeological historical iconographical and anthropological sources In addition ethnographic fieldwork has been conducted to come to a better understanding of the

offerings made in the Calvario today In three parts the thesis first addresses the history of Mitla as The Place of the Dead then of the Calvario as a ritual location and finally of the offerings for the dead Combining these three lines of research an interesting image is formed of the continuity of ancestor veneration in this busy tourist town
