Maybe This Christmas:

Maybe This Christmas...? Alison Roberts, 2013-01-01 Christmas Eve always reminds Gemma of her husband pediatrician Andy Baxter. It was the day she first fell in love and also the day her heart broke. But now her tiny niece needs urgent medical care and the only man she trusts is Andy. Will this be the Christmas that finally brings them back together? Maybe This Christmas Sarah Morgan, 2019-10-14 Uplifting, sexy, and warm. Sarah Morgan's O'Neil Brothers series is perfection. Jill Shalvis, New York Times bestselling author. This winter, ex-skiing champion, reformed heartbreaker, and single dad Tyler O'Neil has only one mission: making sure his daughter Jess has the best Christmas ever. The fact that his best friend Brenna is also temporarily moving into his chalet at the overbooked Snow Crystal resort is a delicious distraction. He's simply going to have to ignore them. This is the one relationship he's never ruined, and he's not about to start now. Ski pro Brenna Daniels knows all about the perils of unrequited love. She's been in love with Tyler for years. But living with him is absolute torture. How can she concentrate on being his friend when he's sleeping in the room next door? Then, when Tyler kisses Brenna, suddenly the relationship she's always dreamed of feels so close she could almost touch it. Could this be the Christmas her dreams of a happy ever after finally come true? Previously published. You also won't want to miss *One More for Christmas*, the sparkling new festive novel from Sarah Morgan. Readers will be delighted. Publishers Weekly on *One More for Christmas* starred review.

Maybe This Christmas Susannah Nix, 2019-10-22 Two best friends. Ten Christmases. One happy ending. When best friends Alexandra and Lucas share a first kiss on Christmas night their senior year of high school, it feels like the best years of their lives are ahead of them. Then Alex goes off to college and Lucas stays behind to work at his dad's construction business in the small beach town where they grew up. Life, as they say, happens. And somewhere along the way, these two high school sweethearts find they don't have as much in common as they once did. Lucas's life is on Beaufort Island, and Alex is all about getting away and moving on. So he makes one of the hardest decisions of his life and lets her go. But every year when Alex comes home for the holidays, fate conspires to reunite the two former lovebirds on Christmas Day. Year after year, through good times and bad, Lucas and Alex meet up, catch up, and reconnect on the anniversary of their first kiss. Is it too much to hope that one year they'll find their way back to each other permanently? Maybe even this Christmas. **Maybe This Christmas** Jennifer Snow, 2017-05-30 All wrapped up. One more game. That's all that stands between NHL star Asher Westmore and a major career milestone. But then his brother bashes him against the hockey boards, sidelining him for months. Over Christmas holidays, no less. If staying off the ice doesn't drive him crazy, staying with his family will. The only bright spot amidst the mistletoe and twinkling lights: His best friend Emma is a physical therapist. And working out with her improves his body and his spirit. One last time. Emma Callaway was in trouble the minute she and Asher added benefits to their friendship. How is she supposed to resist a funny, caring guy who makes her toes curl? Her heart was safe while he lived in a different state. Now that he's back home recuperating, though, it's only a matter of time before she blurts out her feelings. Emma's only

hope is that with a little holiday magic she'll get the best Christmas gift of all With the perfect blend of hockey heart and heat
