Somewhere There Is Still a Sun Michael Gruenbaum, 2015-08-25 Resilience shines throughout Michael Gruenbaum's riveting memoir. Publishers Weekly starred review about his time in the Terezin concentration camp during the Holocaust in this National Jewish Book award finalist and Parents Choice Gold Medal Award winning title an ideal companion to the bestselling *Boy on the Wooden Box*. Michael Misha Gruenbaum enjoyed a carefree childhood playing games and taking walks through Prague with his beloved father. All of that changed forever when the Nazis invaded Prague. The Gruenbaum family was forced to move into the Jewish Ghetto in Prague. Then after a devastating loss, Michael, his mother, and sister were deported to the Terezin concentration camp. At Terezin, Misha roomed with forty other boys who became like brothers to him. Life in Terezin was a bizarre, surreal balance; some days were filled with friendship and soccer matches, while others brought mortal terror as the boys waited to hear the names on each new list of who was being sent to the East. Those trains were going to Auschwitz. When the day came that his family's name appeared on a transport list, their survival called for a miracle, one that tied Michael's fate to a carefully sewn teddy bear and to his mother's unshakeable determination to keep her children safe. Collaborating with acclaimed author Todd Hasak Lowy, Michael Gruenbaum shares his inspiring story of hope in an unforgettable memoir that recreates his experiences with stunning immediacy. Michael's story and the many original documents and photos included alongside it offer an essential contribution to Holocaust literature.

Sobreviventes - A Vida das Crianças Após o Holocausto Rebecca Clifford, 2021-03-01 SURVIVORS conta pela primeira vez a partir da sua perspectiva a história das crianças que sobreviveram ao trauma do Holocausto. Como possível dar um sentido à vida quando não se sabe de onde se veio. Esta foi uma questão premente para os mais jovens sobreviventes do Holocausto cujas memórias antes da guerra eram vagas ou inexistentes. Rebecca Clifford segue as vidas de uma centena de crianças judias depois dos escombros do conflito através da sua idade adulta até velhice, revelando as lutas que travaram para serem capazes de se chamar de sobreviventes. Desafiando as nossas concepções sobre trauma, a narrativa poderosa e surpreendente de Clifford ajuda-nos a compreender como foi viver depois e viver com infâncias marcadas pela ruptura e pela perda. O livro tem merecido grande destaque na imprensa britânica e internacional.

History on Trial Deborah E. Lipstadt, 2006-04-04 In her acclaimed 1993 book *Denying the Holocaust*, Deborah Lipstadt called putative WWII historian David Irving one of the most dangerous spokespersons for Holocaust denial. A prolific author of books on Nazi Germany who has claimed that more people died in Ted Kennedy's car at Chappaquiddick than in the gas chambers at Auschwitz, Irving responded by filing a libel lawsuit in the United Kingdom where the burden of proof lies on the defendant, not on the plaintiff. At stake were not only the reputations of two historians but the record of history itself.
