Toronto Mayors Mark Maloney,2023-08-15 The first ever look at all 65 Toronto mayors the good the bad the colourful the rogues and the leaders who have shaped the city Toronto's mayoral history is both rich and colourful Spanning 19 decades and the growth of Toronto from its origins as a dusty colonial outpost of just 9 200 residents to a global business centre and metropolis of some three million this compendium provides fascinating biographical detail on each of the city's mayors Toronto's mayors have been curious eccentric or offbeat others have been rebellious swaggering or alcoholic Some were bigots bullies refugees war heroes social crusaders or bon vivants still others were inspiring forward looking or well ahead of their time One Toronto mayor attempted to kill a predecessor but his pistol jammed Another simply beat up the councillors he didn't like One committed murder while another carried out a home invasion And under the threat of capture and certain death two mayors were forced to escape the city and live for years in exile while another had 18 kids and cried poor yet died on a luxury European vacation minus the kids One mayor was involved in the brutal torture of an opposition candidate Another went insane while in office due to acute third stage syphilis Each mayor is the inheritor of a rich legacy of hopes and dreams ambitions and efforts successes and failures From the first mayor in 1834 the firebrand rebel William Lyon Mackenzie to those of the 21st century Mel Lastman David Miller Rob Ford and John Tory Toronto Mayors looks at where each came from how they came to lead the city what issues they dealt with and how they steered Toronto's City Council

Proceedings of the Conference of American Mayors on Public Policies as to Municipal Utilities Conference of American Mayors,1915 **Toronto, the Belfast of Canada** William J. Smyth,2015-05-07 In late nineteenth century Toronto municipal politics were so dominated by the Irish Protestants of the Orange Order that the city was known as the Belfast of Canada For almost a century virtually every mayor of Toronto was an Orangeman and the anniversary of the Battle of the Boyne was a civic holiday Toronto the Belfast of Canada explores the intolerant origins of today's cosmopolitan city Using lodge membership lists census data and municipal records William J Smyth details the Orange Order's role in creating Toronto's municipal culture of militant Protestantism loyalism and monarchism One of Canada's foremost experts on the Orange Order Smyth analyses the Orange Order's influence between 1850 and 1950 the city's frequent public displays of sectarian tensions and its occasional bouts of rioting and mayhem **Riverdale** Elizabeth Gillan Muir,2014-10-08 A complete history of Toronto's Riverdale community this book narrates the lives of early inhabitants reaching as far back as Simcoe's first settlement of the region the construction boom of 1915 and the waves of immigration that made Riverdale one of Toronto's most diverse areas *Workers and Canadian History* Gregory S. Kealey,1995 This collection of twelve essays by Gregory Kealey will be of great interest to students and scholars of Canadian history labour history Marxist and socialist theory and history and political science [Municipal World](#) ,1922 **Solved** David Miller,2020-10 David Miller presents a compelling case that significant progress can be made at the local level by duplicating the actions of nine leading cities

around the world Crazy Town Robyn Doolittle, 2014-02-04 His drug and alcohol fuelled antics made world headlines and engulfed a city in unprecedented controversy Toronto Mayor Rob Ford's personal and political troubles have occupied centre stage in North America's fourth largest city since news broke that men involved in the drug trade were selling a videotape of Ford appearing to smoke crack cocaine Toronto Star reporter Robyn Doolittle was one of three journalists to view the video and report on its contents in May 2013 Her dogged pursuit of the story has uncovered disturbing details about the mayor's past and embroiled the Toronto police city councilors and ordinary citizens in a raucous debate about the future of the city Even before those explosive events Ford was a divisive figure A populist and successful city councillor he was an underdog to become mayor in 2010 His politics and mercurial nature have split the amalgamated city in two But there is far more to the story The Fords have a long unhappy history of substance abuse and criminal behavior Despite their troubles they are also one of the most ambitious families in Canada Those close to the Fords say they often compare themselves to the Kennedys and believe they were born to lead Regardless of whether the mayor survives the scandal the Ford name is on the ballot in the mayoralty election of 2014 Fast paced and insightful Crazy Town is a page turning portrait of a troubled man a formidable family and a city caught in an jaw dropping scandal *Comparative Metropolitan Policy* Jen Nelles, 2012-02-20

How are metropolitan regions governed What makes some regions more effective than others in managing policies that cross local jurisdictional boundaries Political coordination among municipal governments is necessary to attract investment rapid and efficient public transit systems and to sustain cultural infrastructure in metropolitan regions In this era of fragmented authority local governments alone rarely possess the capacity to address these policy issues alone This book explores the sources and barriers to cooperation and metropolitan policy making It combines different streams of scholarship on regional governance to explain how and why metropolitan partnerships emerge and flourish in some places and fail to in others It systematically tests this theory in the Frankfurt and Rhein Neckar regions of Germany and the Toronto and Waterloo regions in Canada Discovering that existing theories of metropolitan collective action based on institutions and opportunities are inconsistent the author proposes a new theory of civic capital which argues that civic engagement and leadership at the regional scale can be important catalysts to metropolitan cooperation The extent to which the actors hold a shared image of the metropolis and engage at that scale strongly influences the degree to which local authorities will be willing and able to coordinate policies for the collective development of the region Metropolitan Governance and Policy will be of interest to students and scholars of comparative urban and metropolitan governance and sociology **The Municipal Review of Canada** ,1927 *Toronto, Old and New* Graeme Mercer Adam, 1891 **The Canadian Municipal Journal** ,1911

Some Great Idea Edward Keenan, 2013-01-15 Since 2010 Toronto's headlines have been consumed by the outrageous personal foibles and government slashing anti urbanist policies of Mayor Rob Ford But the heated debate at City Hall has obscured a bigger decade long narrative of Toronto's ascendance as a mature global city *Some Great Idea* traces how post

amalgamation and under three very different mayors Toronto managed to so quickly oscillate from one extreme to another and how the city might proceed from here Some Great Idea includes behind the scenes tales from the Miller and Ford campaigns and explores recent turning points like the city's core service review and the mayor's conflict of interest trial Through personal history keen reportage and revelatory analysis it shows how the fundamental principles of diversity and democracy that have made Toronto such a vibrant dynamic 21st century city can produce an unlikely politician like Ford And how those same principles have vividly and repeatedly insisted that such politicians are only part of a larger messier and more productive urban politics This is a story about both Toronto's past and present how the city has relentlessly and collaboratively reinvented itself But it's also a story about Toronto's future and what that future might mean for all global cities This is a story that says you can ght city hall Edward Keenan serves as senior editor and lead columnist at The Grid magazine in Toronto Ontario An eight time finalist at the National Magazine Awards he has written for and edited at Eye Weekly Spacing magazine and The Walrus

[Immigrant Settlement Policy in Canadian Municipalities](#) Robert Young, Erin Tolley, 2011. Canada has one of the most successful immigration programmes in the world: a function of the policies, programmes and services that assist newcomers. Immigrant settlement is a crucial policy field that involves governments, communities and a range of social forces. Immigration matters are an area of shared jurisdiction but the federal government has long been the dominant player. Provinces and municipalities however are now pushing for an expanded policy role, increased resources and governance arrangements that recognize the important part they play in immigrant settlement. Drawing on in-depth interviews with government officials and front-line workers, contributors provide a comparative assessment of approaches to immigrant settlement in nineteen Canadian municipalities. This is complemented by a discussion of the federal government's role in this policy field and by a comprehensive introduction and conclusion which ground the book historically and thematically, synthesize its key findings and provide recommendations for addressing the challenges related to intergovernmental cooperation, settlement service delivery and overall immigrant outcomes. Chapters examine the mechanics of public policy making but also tell a story about diverse and innovative approaches to immigrant settlement in Canada's towns and cities, about gaps and problems in the system and about the ways in which governments and communities are working together to facilitate integration.

Governance in Transition Mary Louise McAllister, 2024-08-01 The early 2020s unleashed a perfect storm on governments worldwide. Logistical challenges never before anticipated left some communities flailing while others thrived. Epidemics, natural disasters, and economic collapses inspired innovation and creativity in many resourceful civic teams. In Local Governance in Transition, Mary Louise McAllister argues that communities wanting to thrive tomorrow must reimagine local governance today. She begins with an overview of how government evolved in Canada, then examines how interdisciplinary initiatives and policies can nudge cities toward a more sustainable future. From coast to coast, environmental change brings existential challenges for Canadian communities. Global awareness and collaboration are key in finding creative solutions for local governance and sustainability. Local Governance in Transition examines systems thinking, environmental studies, and the mechanics of government. Through the adoption of collaborative urban planning and policymaking and adaptive learning systems, those working in local governance can foster healthier, more resilient communities.
