Benjamin E. Mays, 2011-07-01 Born the son of a sharecropper in 1894 near Ninety Six South Carolina Benjamin E Mays went on to serve as president of Morehouse College for twenty seven years and as the first president of the Atlanta School Board His earliest memory of a lynching party storming through his county taunting but not killing his father became for Mays an enduring image of black white relations in the South Born to Rebel is the moving chronicle of his life a story that interlaces achievement with the rebuke he continually confronted **Benjamin Elijah Mays, Schoolmaster of the Movement**

Professor Emeritus of Morehouse College **History of Morehouse College** Benjamin Brawley, 1917 Breaking White Supremacy Gary Dorrien, 2018-01-09 The award winning author of The New Abolition continues his history of black social gospel with this study of its influence on the Civil Rights movement The civil rights movement was one of the most searing developments in modern American history It abounded with noble visions resounded with magnificent rhetoric and ended in nightmarish despair It won a few legislative victories and had a profound impact on U S society but failed to break white supremacy The symbol of the movement Martin Luther King Jr soared so high that he tends to overwhelm anything associated with him Yet the tradition that best describes him and other leaders of the civil rights movement has been strangely overlooked In his latest book Gary Dorrien continues to unearth the heyday and legacy of the black social gospel a tradition with a shimmering history a martyred central figure and enduring relevance today This part of the story centers around King and the mid twentieth century black church leaders who embraced the progressive justice oriented internationalist social gospel from the beginning of their careers and fulfilled it inspiring and leading America's greatest liberation movement **Why We Can't Wait** Dr. Martin Luther King, Jr., 2011-01-11 Dr King's best selling account of the

civil rights movement in Birmingham during the spring and summer of 1963 On April 16 1963 as the violent events of the Birmingham campaign unfolded in the city's streets Dr Martin Luther King Jr composed a letter from his prison cell in

response to local religious leaders criticism of the campaign The resulting piece of extraordinary protest writing Letter from Birmingham Jail was widely circulated and published in numerous periodicals After the conclusion of the campaign and the March on Washington for Jobs and Freedom in 1963 King further developed the ideas introduced in the letter in *Why We Can't Wait* which tells the story of African American activism in the spring and summer of 1963 During this time Birmingham Alabama was perhaps the most racially segregated city in the United States but the campaign launched by King Fred Shuttlesworth and others demonstrated to the world the power of nonviolent direct action Often applauded as King's most incisive and eloquent book *Why We Can't Wait* recounts the Birmingham campaign in vivid detail while underscoring why 1963 was such a crucial year for the civil rights movement Disappointed by the slow pace of school desegregation and civil rights legislation King observed that by 1963 during which the country celebrated the one hundredth anniversary of the Emancipation Proclamation Asia and Africa were moving with jetlike speed toward gaining political independence but we still creep at a horse and buggy pace King examines the history of the civil rights struggle noting tasks that future generations must accomplish to bring about full equality and asserts that African Americans have already waited over three centuries for civil rights and that it is time to be proactive For years now I have heard the word Wait It rings in the ear of every Negro with piercing familiarity This Wait has almost always meant Never We must come to see with one of our distinguished jurists that justice too long delayed is justice denied *Howard Thurman and the Disinherited* Paul Harvey, 2020-10-27 The faith journeys of a major mentor to the civil rights movement Teacher Minister Theologian Writer Mystic Activist No single label can capture the multiplicity of Howard Thurman's life but his influence is evident in the most significant aspects of the civil rights movement In 1936 he visited Mahatma Gandhi in India and subsequently brought Gandhi's concept of nonviolent resistance across the globe to the United States Later through his book *Jesus and the Disinherited* he foresaw a theology of American liberation based on the life of Jesus as a dispossessed Jew under Roman rule Paul Harvey's biography of Thurman speaks to the manifold ways this mystic theologian and social activist sought to transform the world to better reflect that which is God in us despite growing up in the South during the ugliest years of Jim Crow After founding one of the first intentionally interracial churches in the country the Church for the Fellowship of All Peoples in San Francisco he shifted into a mentorship role with Martin Luther King Jr and other civil rights leaders He advised them to incorporate more inward seeking and rest into their activism while also recasting their struggle for racial equality in a more cosmopolitan universalist manner As racial justice once again comes to the forefront of American consciousness Howard Thurman's faith and life have much to say to a new generation of the disinherited and all those who march alongside them *Moral Leadership* Franklin, Robert Michael, 2024-02-21 Reflections on the meaning of moral leadership **The Seminarian** Patrick Parr, David Garrow, 2018-04-01 2018 and 2019 Washington State Book Award Finalist Biography Memoir Excerpted in *The Atlantic* and *Politico* *TIME* Magazine One of 6 Books to Read in Honor of the 50th Anniversary of Martin Luther King Jr's Death Martin
