The British National Bibliography Arthur James Wells,1996 **Labyrinth** Helmut Jaskolski,1997-03-18 A labyrinth is an ancient circular diagram found in cultures around the world Since antiquity stories of the labyrinth closely associated with the ancient sages of the Minotaur Theseus and Ariadne and Daedalus and Icarus have caught the Western imagination In fact the labyrinth as an object of contemplation and meditation might be considered the mandala of the Western world In its classical form this sacred diagram consists of a single circular path with no possibility of going astray as in the church type of labyrinth exemplified by the labyrinth of Chartres Cathedral in France In contrast the modern labyrinth more properly called a maze is a system of misleading paths with a multitude of choices some of which turn out to be dead ends a metaphor for a difficult confusing situation that may end in either good or ill fortune Taking an approach both reflective and playful Helmut Jaskolski traces our fascination with this ambiguous ancient motif and shows through stories ranging from myths and medieval tales to the labyrinthine fiction of Umberto Eco that the labyrinth is a living symbol for our time

The Unending Mystery David W. McCullough,2007-12-18 According to legend anyone who wandered into the labyrinth in Ancient Crete never came out again Some labyrinths may have offered patterns for an erotic spring dance Those on the floors of Medieval cathedrals represent mathematical perfection and walking their paths was a symbolic approach to the divine From ancient Mediterranean coin patterns to the great French cathedral labyrinths to contemporary cornfield mazes labyrinths and mazes have appeared all over the world but never have so many been created

as in today's revival on farms and in parks churches hospitals and spas across the country In his charmingly quirky investigation of an image that has inspired countless beautiful patterns and mysterious practices David Willis McCullough offers an irresistible way to enjoy their enduring appeal The Antiquities Hunter Maya Kaathryn Bohnhoff, 2018-10-02 P I
