*McALISTER'S LADY - Action and adventure during the Napoleonic Wars* Richard Marman, 2018-09-14 While trolling through the family's past Zach and Angela uncover the story of how the first McAlisters came to Australia. It all started in the quiet Dorset town of Cerne Abbas during the Napoleonic Wars. Vicar's daughter Christina Proud marries smithy and sometime smuggler Will Jenkins who soon falls foul of the law. Will is given a choice: take the King's shilling or the noose. So Will joins the army and Christina's begins her odyssey as a camp follower. The battalion is quickly deployed to Spain to join General Arthur Wellesley's Peninsula Army fighting against the French. Threatened by platoon Sergeant Jack Newell and with her husband powerless to help, Christina is befriended by Lieutenant Jonathan McAlister who offers her protection. With the French Army massing at Talavera, the battalion marches into battle. Under the blistering Spanish sun, Christina must now fight for her life and those she loves. Beset on all sides by bandits, partisans, deserters, French cavalry and the squalor of a military campaign gone wrong, living by her wits and managing to get by with broken Spanish, she tries to make her escape to a safe haven and hopefully a ship back to Blighty. But does she make it? Download and read Christina's account of her ghastly experiences in a foreign land. **KEYWORDS TAGS** McAlister's Lady Christina Jonathan Will French Mary Newell Grant Lady battalion Lightfoot officers Sergeant women Rodney Major Toff Dandy Jim Jamieson Jenkins ship wound Proud Weymouth British French Annabelle family Reverend declare orders musket wives river Bill Sea Snake Chesil Bay love Wellesley's infantry Sheriff Dorset Ball East smuggle East Indiaman Portland Bill General Spanish Portuguese Lisbon cargo Lord ammunition Lieutenant Battalion cargo landers column of soldiers lighthouse barracks Rosemary Nazario Fleming Monroe troops pistol major wreck Cerne Abbas John baby born birth contraband partisans abandoned protest Talavera Stephen Jesenia Colonel carts west casualties Frenchmen fusiliers infection puss daughter Portugal redcoats surgeon Wally Boyle enemy South Army treacherous commission survivors ridgeline Caldecott musketry froggies frogs pinnacles sergeant brigade weapons Estela Grogan London Yeovil bodies Harold Spain Jack Dorchester Osmington Colquhoun venture Yeomanry Marshall cavalry England Australia powder Court trial Sentence Cells Guard Judge Wales Port camp follower camp follower

*McALISTER'S WAY - Free Serialisation Vol. 01* Richard Marman, 2018-12-02 Zach McAlister's mother is sick and due to go into hospital for an operation. To get him out the way, his father puts him on a flight to Merimbula, New South Wales, Australia, where he is met by his Grandfather Danny McAlister. Out on his Grandfather's ranch or what's left of it, it didn't take Zach long to become bored. Silly hunting around for things to do, he finds a box of old photos and a strip of six medals hidden away. The photos were mostly dog-eared and ragged at the edges. Mostly they were of young blokes hanging around tanks and military stuff and there were lots of choppers. You know those beat-up ones you see in all the war movies. When he looked closer, he realised that most of the guys in the photos didn't look much older than Zach himself. And then there were the letters from a woman named Angela. He takes the box to his Grandfather and asks him about the medals and the photos and

*THE HONORABLE MISS MOONLIGHT - a Saga of the House of Saito* ONOTO WATANNA,2020-05-26

THE day had been long and sultry It was the season of little heat when an all encompassing humidity seemed suspended over the land Sky and earth were one a dim blue which faded to shadowy grayness With the approach of evening a soothing breeze crept up from the river Its faint movement brought a measure of relief and nature took on a more animated aspect Up through the narrow twisting roads in and out of the never ending paths the lights of countless jinrikishas twinkled bound for the Houses of Pleasure Revelers called to each other out of the balmy darkness Under the quivering light of a lifted lantern suspended for an instant faces gleamed out then disappeared back into the darkness To the young Lord Saito Gonji the night seemed to speak with myriad tongues Like some finely tuned instrument whose slenderest string must vibrate if touched by a breath so the heart of the youth was stirred by every appeal of the night He heard nothing of the chatter and laughter of those about him For the time at least he had put behind him that sickening deadening thought that had borne him company now for so long He was giving himself up entirely to the brief hour of joy which had been agreeably extended to him in extenuation of the long life of thrallldom yet to come It was in his sole honor that the many relatives and connections of his family had assembled joyously to celebrate the fleeting hours of youth For within a week the Lord Saito Gonji was to marry Upon this pale and dreamy youth the hopes of the illustrious house of Saito depended 10% of the profit from the sale of this book will be donated to charities

**THE BOOK OF EVE - The Mis-adventures and mishaps of Eve during WWI** Ms Fish,2020-03-09 The world of Eve illustrated by Anne Harriet Fish 1890 1964 portrays a world populated by young old matrons astoundingly mature young girls of which Eve is one Victorian lady remnants resplendent captains of industry pussy footing English butlers amorous nursemaids race touts yearning young lovers swanking soldiers blank and vapid bores bridge playing parsons and middle class millionaires The Book of Eve takes a rather satirical look at high society in London during the years of the First World War and depicts young Eve getting herself into and out of many predicaments before moving on to the next Ms Fish lived through two world wars and a depression to see high society change from the remnant of the Victorian era to the Flappers of the post WWI era through the austerity and re introduction of tighter morals during and after WWII Then to see the rapid change in society and dress codes just missing out of the introduction of the mini skirt in 1965 One cant help but wonder what she would have made of it But having lived through the Roaring Twenties she probably wouldn t have battered an eyelid

**THE YOUNG ENCHANTED - A Story of Romance** HUGH SEYMOUR WALPOLE,2020-03-10 Hugh Walpole was praised for this 1921 novel for his distinctively vivid characters and London setting It was greeted as a welcome departure for the popular writer being part satire and part fairy tale In this novel Young Henry Trenchard and his sister Millicent are ready to confront a post WWI world torn by rapid change and defined by conflicts with an older generation it was even happening back then represented by Sir Charles Duncombe This novel was written in the inter war period of the 1920 s and is set in London During this period long established social norms were rapidly being broken down Young men came back from the war demanding employment and change not the least the reduction of the drinking age from 21 to 18 Their stand was if we can die for our country at 18 then surely we should be allowed to order a pint of beer In addition during the war years 1914 to 1918 women were employed in large numbers in factories and offices and proved they could hold their own in a man s environment With more disposable income they demanded more freedom from their Victorian and Edwardian parents as well as greater independence which led to a period known as the Roaring Twenties This period gave rise to the Flappers and novelty dances like the Breakaway and Charleston being born A decade of prosperity and freedom was ended with the Lindy Hop and of course the Wall Street Crash of 1929

merry group of brightly dressed children were romping upon the green lawn of a country place The old fashioned stone

mansion Standing in the very centre of the scene arose the tall rustic arm of an old fashioned well sweep that raised or  
lowered a moss covered old oak bucket filled to overflowing and dripping wet with cool clear water frequently visited by this  
frolicking group of merry children both during and after their play As the children rested for a moment beneath the  
sheltering arms of an old oak tree they were much surprised to behold the form of a wandering vagabond ambling along the  
dusty road His hat was well drawn down over his eyes to avoid the glaring rays of the mid day sun Over his shoulder and  
made fast to the end of a crooked stick that might have answered as well for a defence as for a staff hung his sum total of  
earthly possessions tied carefully into a small bundle and as carefully hid from view within the folds of a red bandanna  
handkerchief And so begins the magical adventure to the Village of Hide and Seek But what does the vagabond have to do  
with this bunch of happily cavorting children And just who is Aunt Twaddles Well you ll have to download and read the book
