

Mccareys Wife

Peter M. Nichols

Mccareys Wife:

Leo McCarey Wes D. Gehring, 2005 Early in his Hollywood career Leo McCarey honed his skills by working with some of the great names of comedy including Laurel and Hardy W C Fields and The Marx Brothers whose 1933 classic Duck Soup McCarey directed Later as a writer and or director McCarey was responsible for a number of classic films including Ruggles of Red Gap The Awful Truth Love Affair Make Way for Tomorrow My Favorite Wife and An Affair to Remember McCarey s 1944 film Going My Way was nominated for ten Academy Awards and won seven including the first triple crown awarded to the same person for writing producing and directing Its sequel The Bells of St Mary s would receive eight nominations including Best Picture and Director Despite all of his commercial and artistic successes McCarey has been sadly neglected by film historians and scholars While many of his contemporaries have been elevated to auteur status McCarey s contributions to film have not sparked the same level of interest or esteem Film scholar Wes Gehring seeks to rectify this with Leo McCarey From Marx to McCarthy the first full length biography of this underappreciated artist By exploring the director s life as filtered through his art Gehring maintains that McCarey s films were often a reworking of his antiheroic self In addition the apparent diversity of his films actually represents an interrelated web of various comedy genres and a pattern of antiheroic characters and themes The author makes the convincing case that throughout his life and career McCarey was driven to entertain any audience from a single person to movie millions always trying to tell a better story McCarey s own long overdue story is finally revealed in this biography about one of the most fascinating figures to ever come out of the Hollywood dream factory *The Runaway Bride* Elizabeth Kendall, 2002 Written with erudition insight and enthusiasm Runaway Bride is a brilliant mix of film and social history that renews our vision and broadens our understanding of some of the best loved movies ever made and the complex Depression influenced circumstances from which they were born *Irene Dunne* Wes D. Gehring, 2006-06-15 This is the first full length biography of Irene Dunne one of the most versatile actresses of Hollywood s Golden Age A recipient of the Kennedy Center Honors award in 1985 Dunne s acting highlights include five Best Actress Oscar nominations occurring in almost as many different genres the Western Cimarron 1931 two screwball comedies Theodora Goes Wild 1936 and The Awful Truth 1937 the romantic comedy Love Affair 1939 and the populist I Remember Mama 1948 *Romantic Vs. Screwball Comedy* Wes D. Gehring, 2002 It is an informative resource for film students and scholars and a thoroughly engaging read for film buffs **BOOK JACKET** **The Queen City** Tyler R. Tichelaar, 2014-11-30 During the first half of the twentieth century Marquette grows into the Queen City of the North Here is the tale of a small town undergoing change as its horses are replaced by streetcars and automobiles and its pioneers are replaced by new generations who prosper despite two World Wars and the Great Depression Margaret Dalrymple finds her Scottish prince though he is neither Scottish nor a prince Molly Bergmann becomes an inspiration to her grandchildren Jacob Whitman s children engage in a family feud The Queen City s residents marry divorce have children die break their hearts go to war

gossip blackmail raise families move away and then return to Marquette And always always they are in love with the haunting land that is their home

Screwball Comedy and Film Noir Thomas C. Renzi,2012-01-27 This is a comprehensive comparative analysis of the screwball comedy and film noir genres two popular Hollywood staples that emerged around the same time Despite their contrast in tone and theme Screwball and Noir have many narrative elements in common The author defines the two genres discusses their historical development and inter related conventions and offers detailed comparative analyses of a number of films among them The Lady Eve and His Girl Friday screwballs and Gilda and Sunset Blvd noirs

Auteur Theory and My Son John James Morrison,2018-07-12 The newest volume in the Film Theory in Practice Series Auteur Theory and My Son John offers a concise introduction to authorship and auteur theory in jargon free language The book goes on to show this theory can be deployed to interpret Leo McCarey s notorious but undervalued film My Son John which critics deemed a clear cut failure and the auteurists declared a masterpiece James Morrison traces the development of auteur theory through its emergence in the pages of the French film journal Cahiers du cin ma and the complex permutations it undergoes subsequently This history will help students and scholars who are eager to learn more about this important area of film theory The analysis of My Son John shows how auteur theory enables modes of interpretation and discovers levels of meaning otherwise unavailable

Cary Grant Geoffrey Wansell,2011-11-15 His signature jaw line and charismatic characters made him an American symbol His films including Bringing Up Baby The Philadelphia Story and North by Northwest were timeless classics However Grant was also married five times and sustained a tortured obsessive relationship with money In this beautifully illustrated and comprehensive book Geoffrey Wansell traces the threads of both light and darkness in one of Holly wood s greatest stars As his friend and co star Deborah Kerr wrote he was one of the most outstanding personalities in the history of the cinema

Hollywood's Censor Thomas Doherty,2009-03-31 From 1934 to 1954 Joseph I Breen a media savvy Victorian Irishman reigned over the Production Code Administration the Hollywood office tasked with censoring the American screen Though little known outside the ranks of the studio system this former journalist and public relations agent was one of the most powerful men in the motion picture industry As enforcer of the puritanical Production Code Breen dictated final cut over more movies than anyone in the history of American cinema His editorial decisions profoundly influenced the images and values projected by Hollywood during the Great Depression World War II and the Cold War Cultural historian Thomas Doherty tells the absorbing story of Breen s ascent to power and the widespread effects of his reign Breen vetted story lines blue penciled dialogue and excised footage a process that came to be known as Breening to fit the demands of his strict moral framework Empowered by industry insiders and millions of like minded Catholics who supported his missionary zeal Breen strove to protect innocent souls from the temptations beckoning from the motion picture screen There were few elements of cinematic production beyond Breen s reach he oversaw the editing of A list feature films low budget B movies short subjects previews of coming attractions and

even cartoons Populated by a colorful cast of characters including Catholic priests Jewish moguls visionary auteurs hardnosed journalists and bluenose agitators Doherty's insightful behind the scenes portrait brings a tumultuous era and an individual both feared and admired to vivid life The Hidden God Mary Lea Bandy, Antonio Monda, Museum of Modern Art (New York, N.Y.), 2003 offers a range of approaches to cinema's explorations of a hidden or absent God through a group of essays by thirty five writers who discuss some fifty movies p 11

Stan and Ollie Simon Louvish, 2005-07-01 Stan Laurel and Oliver Hardy have remained from 1927 to the present day the screen's most famous and popular comedy double act celebrated by legions of fans But despite many books about their films and individual lives there has never been a fully researched definitive narrative biography of the duo from birth to death Louvish traces the early lives of Stanley Jefferson and Norvell Hardy and the surrounding minstrel and variety theatre which influenced all of their later work Louvish examines the rarely seen solo films of both our heroes prior to their serendipitous pairing in 1927 in the long lost short Duck Soup The inspired casting teamed them until their last days Both often married they found balancing their personal and professional lives a nearly impossible feat Between 1927 and 1938 they were able to successfully bridge the gap between silent and sound films which tripped up most of their prominent colleagues Their Hal Roach and MGM films were brilliant but their move in 1941 to Twentieth Century Fox proved disastrous with the nine films made there ranking as some of the most embarrassing moments of cinematic history In spite of this Laurel and Hardy survived as exemplars of lasting genius and their influence is seen to this day The clowns were elusive behind their masks but now Simon Louvish can finally reveal their full and complex humanity and their passionate devotion to their art In *Stan and Ollie The Roots of Comedy The Double Life of Laurel and Hardy* Louvish has seamlessly woven tireless and thorough research into an authoritative biography of these two important and influential Hollywood pioneers

The New York Times Guide to the Best 1,000 Movies Ever Made Peter M. Nichols, 2004-02-21 From the film critics of The New York Times come these uncut original reviews of the most popular and influential movies ever made from the Talkies to blockbuster megahits like *Chicago* and *The Wizard of Oz* from timeless classics like *Casablanca* and *Notorious* to beloved foreign films by Truffaut and Kurosawa Fellini and Almodovar The reviews eloquent incisive and intuitive reflect Hollywood history at its best must have reading for movie lovers or Students In addition this essential volume includes Full cast and production credits for every movie The 10 Best lists for every year from 1931 to the present An index of films by genre and an index of foreign films by country of origin This edition is thoroughly updated to include all the important movies of the past several years as well as a new introduction by A Times film critic A O Scott

Hollywood and the Great Depression Iwan Morgan, 2016-10-27 Examines how Hollywood responded to and reflected the political and social changes that America experienced during the 1930s In the popular imagination 1930s Hollywood was a dream factory producing escapist movies to distract the American people from the greatest economic crisis in their nation's history But while many films of the period conform to this stereotype there were a

significant number that promoted a message either explicitly or implicitly in support of the political social and economic change broadly associated with President Franklin D Roosevelt's New Deal programme. At the same time Hollywood was in the forefront of challenging traditional gender roles both in terms of movie representations of women and the role of women within the studio system. With case studies of actors like Shirley Temple, Cary Grant and Fred Astaire as well as a selection of films that reflect politics and society in the Depression decade, this fascinating book examines how the challenges of the Great Depression impacted on Hollywood and how it responded to them. Topics covered include: How Hollywood offered positive representations of working women; Congressional investigations of big studio monopolization over movie distribution; How three different types of musical genres related in different ways to the Great Depression: the Warner Bros Great Depression Musicals of 1933, the Astaire Rogers movies and the MGM kid musicals of the late 1930s; The problems of independent production exemplified in King Vidor's *Our Daily Bread*; Cary Grant's success in developing a debonair screen persona amid Depression conditions.

Contributors: Harvey G Cohen, King's College London; Philip John Davies, British Library; David Eldridge, University of Hull; Peter William Evans, Queen Mary University of London; Mark Glancy, Queen Mary University of London; Ina Rae Hark, University of South Carolina; Iwan Morgan, University College London; Brian Neve, University of Bath; Ian Scott, University of Manchester; Anna Siomopoulos, Bentley University; J E Smyth, University of Warwick; Melvyn Stokes, University College London; Mark Wheeler, London Metropolitan University.

Falk V. McCarey, 1986 [Ann Sheridan](#) Michael D. Rinella, 2024-07-18. Ann Sheridan was much more than just Hollywood's glamorous and sexy Oomph Girl. She was also a versatile actress who beguiled movie audiences with her vibrant personality and no-nonsense acting style, opposite some of the biggest stars of the time like James Cagney, Bette Davis, Humphrey Bogart, Cary Grant and Errol Flynn. She excelled in multiple genres including drama, comedy and musical with ease and individual style. Several of her movies like *Angels with Dirty Faces*, *Kings Row* and *I Was a Male War Bride* endure today as classic films from Hollywood's Golden Age. In this first ever full-length biography, Ann Sheridan's colorful life and 34-year career are examined in detail, including her long climb to motion picture stardom, the years as a top box office draw, her three marriages and other significant romantic relationships.

[Heritage Signature Vintage Movie Poster Auction #636](#), 2006. Vente d'affiches de cinéma les 12 et 13 juillet 2006, Dallas, Texas, USA.

[Long Term](#) Scott Herring, Lee Wallace, 2021-07-06. The contributors to *Long Term* use the tension between the popular embrace and legalization of same-sex marriage and the queer critique of homonormativity as an opportunity to examine the myriad forms of queer commitments and their durational aspect. They consider commitment in all its guises, particularly relationships beyond and aside from monogamous partnering. These include chosen and involuntary long-term commitments to families, friends, pets and coworkers; to the care of others and care of self; and to financial, psychiatric and carceral institutions. Whether considering the enduring challenges of chronic illnesses and disability, including HIV and chronic fatigue syndrome, theorizing the queer family as a scene of racialized commitment or relating the

grief and loss that comes with caring for pets the contributors demonstrate that attending to the long term offers a fuller understanding of queer engagements with intimacy mortality change dependence and care Contributors Lisa Adkins Marianne Dever Carla Freccero Elizabeth Freeman Scott Herring Annamarie Jagose Amy Jamgochian E Patrick Johnson Jaya Keaney Heather Love Sally R Munt Kane Race Amy Villarejo Lee Wallace Cary Grant, the Making of a Hollywood Legend Mark Glancy, 2020-09-15 A definitive new account of the professional and personal life of one of Hollywood's most unforgettable influential stars Archie Leach was a poorly educated working class boy from a troubled family living in the backstreets of Bristol Cary Grant was Hollywood's most debonair film star the embodiment of worldly sophistication Cary Grant *The Making of a Hollywood Legend* tells the incredible story of how a sad neglected boy became the suave glamorous star many know and idolize The first biography to be based on Grant's own personal papers this book takes us on a fascinating journey from the actor's difficult childhood through years of struggle in music halls and vaudeville a hit and miss career in Broadway musicals and three decades of film stardom during Hollywood's golden age Leaving no stone unturned Cary Grant delves into all aspects of Grant's life from the bitter realities of his impoverished childhood to his trailblazing role in Hollywood as a film star who defied the studio system and took control of his own career Highlighting Grant's genius as an actor and a filmmaker author Mark Glancy examines the crucial contributions Grant made to such classic films as *Bringing Up Baby* 1938 *The Philadelphia Story* 1940 *Notorious* 1946 *An Affair to Remember* 1957 *North by Northwest* 1959 *Charade* 1963 and *Father Goose* 1964 Glancy also explores Grant's private life with new candor and insight throughout the book's nine sections illuminating how Grant's search for happiness and fulfillment lead him to having his first child at the age of 62 and embarking on his fifth marriage at the age of 77 With this biography complete with a chronological filmography of the actor's work Glancy provides a definitive account of the professional and personal life of one of Hollywood's most unforgettable influential stars *King Cohn* Bob Thomas, 1990 Harry Cohn was a self-invented tyrant who ran Columbia Studios as his personal fiefdom Extensive interviews and research fuel Bob Thomas's portrayal of a Broadway song plugger turned powerful player *The Art of Laurel and Hardy* Kyp Harness, 2015-01-09 From the early days of film came Laurel and Hardy a comedy team that created slapstick hilarity from life's simplest situations Some seventy years after their heyday Arthur Stanley Jefferson and Oliver Norvell Babe Hardy are still remembered for the comic chaos they created in film shorts They gave us something to laugh at by reminding us of our own foibles in a way that was genuine and unpretentious The lanky Stan Laurel 1890-1965 and portly Ollie Hardy 1892-1957 had but one objective to create as many laughs as would fit in one short film And that they did The book begins by exploring their comedy in the early days of film A chapter is dedicated to each of the boys Laurel from Ulverston England and Hardy from the state of Georgia as a person and performer Further chapters explore the slapstick and gags of Laurel and Hardy and how the pair survived the transition to sound that left behind many actors of the day It was only when they began to work for large studios churning out cookie-cutter scripts that

their art began to lose its way The book takes the reader through the ups and downs of their careers and to a final comeback
