painters even if no one knew her name But Rome in 1610 was a city where men took what they wanted from women and in the aftermath of rape Artemisia faced another terrible choice a life of silence or a life of truth no matter the cost He will not consume my every thought I am a painter I will paint Joy McCullough's bold novel in verse is a portrait of an artist as a young woman filled with the soaring highs of creative inspiration and the devastating setbacks of a system built to break her McCullough weaves Artemisia's heartbreaking story with the stories of the ancient heroines Susanna and Judith who become not only the subjects of two of Artemisia's most famous paintings but sources of strength as she battles to paint a woman's timeless truth in the face of unspeakable and all too familiar violence I will show you what a woman can do A captivating and impressive Booklist starred review Belongs on every YA shelf SLJ starred review Haunting Publishers Weekly starred review Luminous Shelf Awareness starred review **Truman** David McCullough, 1992-06-15 In this riveting biography David McCullough captures Harry S Truman and the turbulent historically significant times during which he served **Loving Literature** Deidre Shauna Lynch, 2014-12-22 One of the most common and wounding misconceptions about literary scholars today is that they simply don't love books While those actually working in literary studies can easily refute this claim such a response risks obscuring a more fundamental question why should they That question led Deidre Shauna Lynch into the historical and cultural investigation of Loving Literature How did it come to be that professional literary scholars are expected not just to study but to love literature and to inculcate that love in generations of students What Lynch discovers is that books and the attachments we form to them have played a vital role in the formation of private life that the love of literature in other words is deeply embedded in the history of literature Yet at the same time our love is neither self-evident nor ahistorical our views of books as objects of affection have clear roots in eighteenth and nineteenth century publishing reading habits and domestic history While never denying the very real feelings that warm our relationship to books Loving Literature nonetheless serves as a riposte to those who use the phrase the love of literature as if its meaning were transparent Lynch writes It is as if those on the side of love of literature had forgotten what literary texts themselves say about love's edginess and complexities With this masterly volume Lynch restores those edges and allows us to revel in those complexities **105 Days of Prayer** Jackie McCullough, 2011-07-28 Here is a book that will help you focus articulate and pray with confidence Using King David as her example of a prayer warrior Jackie McCullough shows us simple and fulfilling ways to touch God every time you go to prayer Lifting you above the fears and uncertainties of daily living you will find faith and confidence rising in your spirit with every page you read You will learn new ways to express your deepest needs and desires to God as you learn how to pray prayers for love for family members for the sick for guidance and for your marriage You will learn how to pray confidently for wisdom success and trust You will see how easy it is to approach the Lord for a college student a pregnant mother for personal stamina for weary mind the list goes on and on A new life of communion with God is about to open as you read this incredible book *Mornings on Horseback* David McCullough, 2007-05-31 The

The Touch Colleen McCullough, 2003-11-25 Not since *The Thorn Birds* has Colleen McCullough written a novel of such broad appeal about a family and the Australian experience as *The Touch* At its center is Alexander Kinross remembered as a young man in his native Scotland only as a shiftless boilermaker's apprentice and a godless rebel But when years later he writes from Australia to summon his bride his Scottish relatives quickly realize that he has made a fortune in the goldfields and is now a man to be reckoned with Arriving in Sydney after a difficult voyage the sixteen year old Elizabeth Drummond meets her husband to be and discovers to her dismay that he frightens and repels her Offered no choice she marries him and is whisked at once across a wild uninhabited countryside to Alexander's own town named Kinross after himself In the crags above it lies the world's richest gold mine Isolated in Alexander's great house with no company save Chinese servants Elizabeth finds that the intimacies of marriage do not prompt her husband to enlighten her about his past life or even his present one She has no idea that he still has a mistress the sensual tough outspoken Ruby Costevan whom Alexander has established in his town nor that he has also made Ruby a partner in his company rapidly expanding its interests far beyond gold Ruby has a son Lee whose father is the head of the beleaguered Chinese community the boy becomes dear to Alexander who fosters his education as a gentleman Captured by the very different natures of Elizabeth and Ruby Alexander resolves to have both of them Why should he not He has the fabled Midas Touch a combination of curiosity boldness and intelligence that he applies to every situation and which fails him only when it comes to these two women Although Ruby loves Alexander desperately Elizabeth does not Elizabeth bears him two daughters the brilliant Nell so much like her father and the beautiful haunting Anna who is to present her father with a torment out of which for once he cannot buy his way Thwarted in his desire for a son Alexander turns to Ruby's boy as a possible heir to his empire unaware that by keeping Lee with him he is courting disaster The stories of the lives of Alexander Elizabeth and Ruby are intermingled with those of a rich cast of characters and after many twists and turns come to a stunning and shocking climax Like *The Thorn Birds* Colleen McCullough's new novel is at once a love story and a family saga replete with tragedy pathos history and passion As few other novelists can she conveys a sense of place the desperate need of her characters men and women rootless in a strange land to create new beginnings
