He vies with the matador and the flying aces an object of thrilled adulation He is the lone eagle the man of mystery the last defender Vladimir Nabokov Albert Camus Sir Arthur Conan Doyle Yevgeny Yevtushenko Pope John Paul II Julian Barnes and not forgetting Nabokov himself it s safe to say the position of goalkeeper has over the years attracted a different sort of character than your average footballer In this first ever cultural history of the loner between the posts Jonathan Wilson traces the sometimes dangerous intellectual and literary preoccupations of the keeper and looks at how the position has secured a certain existential cool He travels to the Bassa region of Cameroon which has produced two of Africa s greatest keepers and also to Romania to talk to Helmuth Duckadam who saved four penalties for Steaua Bucharest in the 1986 European Cup final His absorbing tactical and technical insights into football history even take us back to the days when matches were contested without a man between the sticks **THE OUTSIDER** is the definitive account of that most mysterious of footballing personalities the goalkeeper **Those Feet** David Winner,2013-07-30 This follow up to *Brilliant Orange* The Neurotic Genius of Dutch Soccer is an enchanting love letter to English football The Daily Telegraph In this playful witty and highly original look at English soccer David Winner author of the acclaimed *Brilliant Orange* journeys to the heart of an essential English pastime and sheds new light on the true nature of a rapidly changing game that was never really meant to be beautiful With the same insightful eye he brought to his bestselling study of Dutch soccer Winner shows how Victorian sexual anxiety underlies England s many World Cup failures He reveals the connection between Roy Keane and a soldier who never lived but died in the Charge of the Light Brigade And he demonstrates how thick mud and wet leather shaped the contours of the English soul It s neither a history of the game nor a memoir instead exploring the interplay between sport history and national character For thinking fans of the game this is exquisitely pleasurable reading As Winner finds acceptance and even fondness for the English game his insight humor warmth and enthusiasm place him in the top echelon of soccer writers Booklist starred review Thank God for David Winner With an easy wit Winner traces the game back to its roots and the results are as intriguing as they are amusing A marvelous book Duncan White *FourFourTwo* *Sporting Scots* John K. V. Eunson,2012-04-18 In 1860 the first ever golf major was held in Prestwick a man from East Lothian won In 1871 the first ever rugby international in the world took place in Edinburgh Scotland won In 1872 the first ever association football international in the world was hosted in Glasgow it was a draw All three of these momentous events in the history of sport even if they did not seem that way at the time were held in Scotland and for the next century and more Scottish sporting men and women were pioneers in the growth of sport around the world *Sporting Scots* tells the incredible stories of the Scots who brought sport to the globe and transformed the histories of golf football rugby athletics ice hockey cricket swimming baseball cycling motor racing and many other sports in the process It is also the modern history of the Scots abroad as they left the Auld Country far behind them for fame or fortune or for simple economic necessity and left a lasting sporting legacy around the globe *Current Opinion* ,1906 **Sports in the Western World** William Joseph Baker,1988

Since the earliest days of the silent era American filmmakers have been drawn to the visual spectacle of sports and their compelling narratives of conflict triumph and individual achievement In *Contesting Identities* Aaron Baker examines how these cinematic representations of sports and athletes have evolved over time from *The Pinch Hitter* and Buster Keaton's *College* to *White Men Can't Jump* Jerry Maguire and *Girlfight* He focuses on how identities have been constructed and transcended in American society since the early twentieth century Whether depicting team or individual sports these films return to that most American of themes the master narrative of self reliance Baker shows that even as sports films tackle socially constructed identities like class race ethnicity sexuality and gender they ultimately underscore transcendence of these identities through self reliance Looking at films from almost every sporting genre with a particular focus on movies about boxing baseball basketball and football *Contesting Identities* maps the complex cultural landscape depicted in American sports films and the ways in which stories about subaltern groups winning acceptance by the mainstream majority can serve to reinforce the values of that majority In addition to discussing the genre's recurring dramatic tropes from the populist prizefighter to the hot headed rebel to the manly female athlete Baker also looks at the social and cinematic impacts of real life sports figures from Jackie Robinson and Babe Didrikson Zaharias to Muhammad Ali and Michael Jordan *The Spectator*, 1925
