A Deadly Shade of Gold John D. MacDonald, 2013-03-12 John D MacDonald was the great entertainer of our age and a mesmerizing storyteller Stephen King With an Introduction by Lee Child When Travis McGee picks up the phone and hears a voice from his past he can t help it He has to meddle Especially when he has the chance to reunite Sam Taggart a reckless restless man like himself with the woman who s still waiting for him But what begins as a simple matchmaking scheme soon becomes a bloody chase that takes McGee to Mexico a beautiful country from which he hopes to return alive Deception Betrayal Heartbreak When Sam left his girlfriend Nora and vanished from Fort Lauderdale no one was surprised But when he shows up three years later lying in a pool of his own blood people start to ask questions And his old friend Travis McGee is left to

find answers But all he has to go on are a gold Aztec idol and a very angry ex girlfriend Is that enough to find his friend s killer And when the truth is as terrifying as this does he really want answers after all Praise for A Deadly Shade of Gold Travis McGee is the last of the great knights errant honorable sensual skillful and tough I can t think of anyone who has replaced him I can t think of anyone who would dare Donald Westlake John D MacDonald is a shining example for all of us in the field Mary Higgins Clark **The Big Lie** Bill Myers,Ken Johnson,1999-10 The Big Lie plus two other great McGee stories A Star in the Breaking and Back to the Drawing Board Meet Nicholas a normal kid who gets himself into some not so normal situations with his best friend McGee Their exciting adventures teach them about life and biblical values **Virtue** ,1995 **Free Fall in Crimson** John D. MacDonald,2013-10-08 From a beloved master of crime fiction Free Fall in Crimson is one of many classic novels featuring Travis McGee the hard boiled detective who lives on a houseboat He was rich mean and slowly succumbing to cancer until someone hastened the inevitable by beating him to death at a Florida truck stop Now Ellis Esterland s son wants Travis McGee to find out who killed his estranged father The why seems obvious Esterland s multimillion dollar estate The Travis McGee novels are among the finest works of fiction ever penned by an American author Jonathan Kellerman Though he had been reassured that he would receive a substantial inheritance Ron Esterland was disowned by his wealthy father years ago But upon dear old Dad s conveniently timed murder the family fortune winds up in the hands of Ellis s ex wife instead The quest to recover Ron s money takes McGee from Hollywood to the Midwest where he confronts prostitution rings and drug deals gone wrong In the haze of violence surrounding him McGee starts to lose sight of who he really is But one thing remains crystal clear McGee is on the trail of a killer conjured from his worst nightmares Features a new Introduction by Lee Child The Towering Sky Katharine McGee,2018-08-28 The final book in Katharine McGee s epic New York Times bestselling Thousandth Floor series When you have everything you have everything to lose Welcome back to New York 2119 A skyscraper city fueled by impossible dreams LEDA just wants to move on from what happened in Dubai Until a new investigation forces her to seek help from the person she s spent all year trying to forget RYLIN is back in her old life reunited with an old flame But when she starts seeing Cord again she finds herself torn between two worlds and two very different boys CALLIOPE feels trapped playing a long con that costs more than she bargained for What happens when all her lies catch up with her WATT is still desperately in love with Leda He ll do anything to win her back even dig up secrets that are better left buried And now that AVERY is home from England with a new boyfriend Max her life seems more picture perfect than ever So why does she feel like she would rather be anything but perfect Perfect for fans of Kiera Cass and Anna Godbersen and with all the drama romance and hidden secrets from The Thousandth Floor and The Dazzling Heights this explosive finale will not disappoint We couldn t put this one down The Skimm The luxe lives of Manhattan s elite are even more extraordinary in Katharine McGee s futuristic highly addictive page turner The irresistible cast of characters lures you into the elevator for an unexpected ride packed with wittily prescient high tech details and good

old fashioned romance and drama *The Thousandth Floor* will give you vertigo and leave you eager for more Cecily von Ziegesar 1 New York Times bestselling author of *Gossip Girl* *The Packages* ,1907 *Chasing Goldman Sachs* Suzanne McGee,2010-06-15 You know what happened during the financial crisis now it is time to understand why the financial system came so close to falling over the edge of the abyss and why it could happen again Wall Street has been saved but it hasn't been reformed What is the problem Suzanne McGee provides a penetrating look at the forces that transformed Wall Street from its traditional role as a capital generating and economy boosting engine into a behemoth operating with only its own short term interests in mind and with reckless disregard for the broader financial system and those who relied on that system for their well being and prosperity Primary among these influences was Goldman Sachs envy the self delusion on the part of Richard Fuld of Lehman Brothers Stanley O Neil of Merrill Lynch and other power brokers egged on by their shareholders that taking more risk would enable their companies to make even more money than Goldman Sachs That hubris and that narrow minded focus on maximizing their short term profits led them to take extraordinary risks that they couldn't manage and that later severely damaged and in some cases destroyed their businesses wreaking havoc on the nation's economy and millions of 401 k's in the process In a world that boasted more hedge funds than Taco Bell outlets McGee demonstrates how it became ever harder for Wall Street to fulfill its function as the financial system's version of a power grid with capital rather than electricity flowing through it But just as a power grid can be strained beyond its capacity so too can a financial grid collapse if its functions are distorted as happened with Wall Street as it became increasingly self serving and motivated solely by short term profits Through probing analysis meticulous research and dozens of interviews with the bankers traders research analysts and investment managers who have been on the front lines of financial booms and busts McGee provides a practical understanding of our financial utility and how it touches everyone directly as an investor and indirectly through the power capital that makes the economy work Wall Street is as important to the economy and the overall functioning of our society as our electric and water utilities But it doesn't act that way The financial system has been saved from destruction but as long as the mind set of chasing Goldman Sachs lingers it will not have been reformed As banking undergoes its biggest transformation since the 1929 crash and the Great Depression McGee shows where it stands today and points to where it needs to go next examining the future of those financial institutions supposedly too big to fail **Billboard** ,1994-12-10 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **A Sick Day for Amos McGee** Philip C. Stead,2018-01-02 The 2011 Caldecott Medal winner is now available as a board book perfect for the youngest of readers Full color *Bright Orange for the Shroud* John D. MacDonald,2013-04-09 From a beloved master of crime fiction *Bright Orange for the Shroud* is one of many classic novels featuring Travis McGee the hard boiled detective who lives on a houseboat

Travis McGee is looking forward to a slob summer spending his days as far away from danger as possible But trouble has a way of finding him no matter where he hides An old friend conned out of his life savings by his ex wife has tracked him down and is desperate for help To get the money back and earn his usual fee McGee will have to penetrate the Everglades and the mind of a violently twisted grifter John D MacDonald was the great entertainer of our age and a mesmerizing storyteller Stephen King McGee has never seen a man so changed by one year of life Arthur Wilkinson had been an amiable and decent young man looking to invest some of his considerable inheritance in a marina enterprise Then a pretty blonde named Wilma Ferner showed up She was soon Mrs Wilkinson and it took her only a year to leave Arthur bankrupt and broken But what starts out as a simple job turns into a dangerous situation when McGee comes face to face with a quick thinking and quicker fisted foe in the Florida swamps Now Arthur s fortune isn t the only thing on the line This job may mean McGee s life
