Corporate Finance Stephen Ross, 2009-10-09 Corporate Finance by Ross Westerfield and Jaffe emphasizes the modern fundamentals of the theory of finance while providing contemporary examples to make the theory come to life The authors aim to present corporate finance as the working of a small number of integrated and powerful intuitions rather than a collection of unrelated topics They develop the central concepts of modern finance arbitrage net present value efficient markets agency theory options and the trade off between risk and return and use them to explain corporate finance with a balance of theory and application The well respected author team is known for their clear accessible presentation of material that makes this text an excellent teaching tool The ninth edition has been fully updated to reflect the recent financial crisis and is now accompanied by Connect an exciting new homework management system □□ □ Harvey S. Rosen, Ted Gayer, 2008 *Quantitative Equity Portfolio Management* Ludwig B. Chincarini, Daehwan Kim, 2010-08-18 Quantitative Equity Portfolio Management brings the orderly structure of fundamental asset management to the often chaotic world of active equity management Straightforward and accessible it provides you with nuts and bolts details for selecting and aggregating factors building a risk model and much more ISE Traditions & Encounters: A Global Perspective on the Past Jerry H. Bentley, Herbert F. Ziegler, Heather Streets Salter, 2020-11-12 This is History Book It explored the grand scheme of world history as a product of real life human beings pursuing their individual and collective

interests It also offered a global perspective on the past by focusing on both the distinctive characteristics of individual societies and the connections that have linked the fortunes of different societies It has combined a clear chronological framework with the twin themes of traditions and encounters which help to make the unwieldy story of world history both more manageable and more engaging From the beginning Traditions Encounters offered an inclusive vision of the global past one that is meaningful and appropriate for the interdependent world of contemporary times On the Role of Paradigms in Finance Kavous Ardalan, 2016-05-13 Social theory can usefully be conceived in terms of four key paradigms functionalist interpretive radical humanist and radical structuralist The four paradigms are founded upon different assumptions about the nature of society and each generates distinctive theories concepts and analytical tools Finance theory is based on the functionalist paradigm and for the most part finance theorists are unaware of the philosophical tradition to which they belong By relating finance to the four paradigms Ardalan's work offers a concise understanding of the multifaceted nature of finance He recommends theorists adopt a diversity of paradigms and discusses its benefits by application to the following phenomena the development of academic finance the mathematical language of academic finance the mathematics of academic finance money corporate governance markets technology and education Loose Leaf for Fundamentals of Corporate Finance Bradford D. Jordan, Professor, Randolph W. Westerfield, Prof Stephen A. Ross, 2021-03-01 Fundamentals of Corporate Finance was designed and developed for a first course in business or corporate finance for both finance majors and non majors alike The text is nearly self contained in terms of background or prerequisites assuming some familiarity with basic algebra and accounting concepts while still reviewing important accounting principles very early on The organization of this text has been developed to give instructors the flexibility they need The best selling text has three basic themes that are the central focus of the book 1 An emphasis on intuition the authors separate and explain the principles at work on a common sense intuitive level before launching into any specifics 2 A unified valuation approach net present value NPV is treated as the basic concept underlying corporate finance 3 A managerial focus the authors emphasize the role of the financial manager as a decision maker and they stress the need for managerial input and judgment *Charlotte Huck's Children's Literature* Barbara Zulantz Kiefer, Susan Ingrid Hepler, Janet Hickman, 2007 This classic text shows readers how children's literature can capture the attention of K-8 students and foster a lifelong love of reading It is the standard work in the field The text covers learning about children's literature understanding children's responses to literature the history of children's literature beginning books picture books and all of the genres fantasy poetry realistic fiction historical fiction biography and informational books planning the literature program and extending and evaluating children's understandings of literature *Personal Finance* Rachel S. Siegel, 2021 Personal Finance was written with two simple goals in mind to help students develop a strong sense of financial literacy and provide a wide range of pedagogical aids to keep them engaged and on track This book is a practical introduction that covers all of the fundamentals and introduces conceptual frameworks such

as the life cycle of financial decisions and basic market dynamics in a way that students can easily grasp and readily use in their personal lives Provided by publisher Essentials of Investments with S&P card Zvi Bodie,Alex Kane,Alan Marcus,2009-09-18 The market leading undergraduate investments textbook Essentials of Investments 8e by Bodie Kane and Marcus emphasizes asset allocation while presenting the practical applications of investment theory The authors have eliminated unnecessary mathematical detail and concentrate on the intuition and insights that will be useful to practitioners throughout their careers as new ideas and challenges emerge from the financial marketplace The eighth edition has been fully updated to reflect the recent financial crisis and includes a new chapter on Hedge Funds
