Longarm and the Desert Damsel Tabor Evans, 1996 Temperatures are rising in the Arizona desert when a mystery woman catches Longarm s eye **McMaster University, Volume 3: 1957-1987** James G. Greenlee, 2015-05-01 In 1957 McMaster was a small Baptist enclave of traditional higher learning on the western outskirts of Hamilton Thirty years later it was home to the only nuclear reactor on a Commonwealth campus and had cultivated a thriving engineering program and a world class medical school In the third volume of the university s history James Greenlee illuminates the core ideas driving ambitions and occasionally sharp conflicts that marked this startling transition Greenlee offers a tightly focused study of the planning people and events that gave McMaster its distinctive and bold personality At the heart of these developments stood President Harry Thode whose master plan forged a research intensive institution of medium size but one capable of surpassing the largest institutions in carefully selected fields Despite dramatic ups and downs the remarkable persistence of this model is the key to understanding modern McMaster For readers interested in the problems of mass education in a democratic age the origins of revolutionary approaches to medical training or the tangled relations among a university its community and the province this volume like the McMaster leaders it follows has a story to tell California Sabers Mclean, 2000-12-22 California Sabers is the story of the California Hundred and Battalion the only organized group of Californians to fight in the East during the Civil War The 500 select men volunteered their enlistment bounty to pay their passage across Panama and on to Massachusetts where they became the cadre of the 2nd Massachusetts Cavalry Book jacket front flap *Remington 1894* William W. Johnstone, J.A. Johnstone, 2017-10-31 After a vicious gang kills his family a sharpshooting Civil War vet vows revenge by any means in this action packed Western from 2 bestselling authors As a teenager John McMasters won the Medal of Honor as a sniper for the Union Army during the Civil War Thirty years later McMasters lives a peaceful life in the Arizona Territory raising a family and running cattle These days he needs eyeglasses to

hit a distant target But that doesn't stop his wife and four children from buying him a special present for his fiftieth birthday a beautiful new Remington shotgun Turns out he's going to need it The Butcher gang has come to town By the time McMasters learns of their arrival they've invaded his ranch and slaughtered his family hightailing it out of the county McMasters wants revenge using his new shotgun to hunt down those butchers like the animals they are But he can't do it alone His friend Deputy U S Marshal Daniel Kirkpatrick is hauling six of the deadliest criminals in the country to a prison in Yuma They're cutthroat killers every bit as ruthless as the Butchers But when McMasters points his Remington at their heads they will become his killers

Teaching White Supremacy Donald Yacovone, 2023-10-24 A powerful exploration of the past and present arc of America's white supremacy from the country's inception and Revolutionary years to its 19th century flashpoint of civil war to the Civil Rights movement of the 1960s and today's Black Lives Matter The most profoundly original cultural history in recent memory Henry Louis Gates Jr Harvard University Stunning timely an achievement in writing public history Teaching White Supremacy should be read widely in our roiling debate over how to teach about race and slavery in classrooms David W Blight Sterling Professor of American History Yale University author of the Pulitzer Prize winning Frederick Douglass Prophet of Freedom Donald Yacovone shows us the clear and damning evidence of white supremacy's deep seated roots in our nation's educational system through a fascinating in depth examination of America's wide assortment of texts from primary readers to college textbooks from popular histories to the most influential academic scholarship Sifting through a wealth of materials from the colonial era to today Yacovone reveals the systematic ways in which this ideology has infiltrated all aspects of American culture and how it has been at the heart of our collective national identity Yacovone lays out the arc of America's white supremacy from the country's inception and Revolutionary War years to its nineteenth century flashpoint of civil war to the civil rights movement of the 1960s and today's Black Lives Matter In a stunning reappraisal the author argues that it is the North not the South that bears the greater responsibility for creating the dominant strain of race theory which has been inculcated throughout the culture and in school textbooks that restricted and repressed African Americans and other minorities even as Northerners blamed the South for its legacy of slavery segregation and racial injustice A major assessment of how we got to where we are today of how white supremacy has suffused every area of American learning from literature and science to religion medicine and law and why this kind of thinking has so insidiously endured for more than three centuries
