**McNally's Alibi** Lawrence Sanders, Vincent Lardo, 2013-03-12 Murder puts Lawrence Sanders's Palm Beach PI in the prime suspect spotlight in the series effortlessly written to be effortlessly enjoyed The Boston Globe Hired to retrieve a client's kiss and tell all diary from her blackmailing ex lover Archy McNally doesn't expect the mission to go awry He makes the exchange easily enough but as the Palm Beach private investigator returns to his sports car he's knocked out cold When he wakes up the diary is gone Except it wasn't a diary McNally was playing go between to collect It was the Holy Grail of lost literature the original manuscript of Truman Capote's Answered Prayers McNally will need some divine intervention of his own when he becomes the prime suspect in a homicide investigation headed by vampy green-eyed blonde Georgia O'Hara With everyone trying to seize the Capote opus it's up to McNally to write off a killer who's waiting to close the book on him permanently

**McNally's Dare** Lawrence Sanders, Vincent Lardo, 2013-03-12 If anyone can connect a dead waiter in a pool, a deceased duchess and a possibly phony heir it's the Palm Beach PI in this New York Times bestseller Malcolm MacNiff's annual Tennis Everyone fundraiser is the high point of the Palm Beach season But the glittering A-list event hits rock bottom when a waiter is found floating face down in the pool Archy McNally instantly suspects foul play No sooner are his fears confirmed than he has another mystery to solve Society's abuzz over the recent arrival of Lance Talbot from Switzerland to claim his half-billion inheritance from his grandmother's estate but some claim that Talbot's a fraud It falls to McNally to sift through the clues and uncover a murderous scam that stretches from the snowy Alps all the way to sunny Florida

**McNally's Chance** Lawrence Sanders, Vincent Lardo, 2013-03-12 Family ties ensnare Lawrence Sanders's Archy McNally a raffish combination of Dashiell Hammett's Nick Charles and P.G. Wodehouse's Bertie Wooster The New York Times Book Review Bestselling author Sabrina Wright wants dapper detective Archy McNally to find her husband who vanished while looking for her MIA daughter it may seem like a simple case but McNally knows it's never that easy Thirty-year-old Gillian Wright ran off to find her birth father opening a Pandora's box of scandalous revelations the tabloids can't resist It seems that Sabrina's life was a bigger fiction than her bodice-ripping romances Before her story is over three powerful men with damning secrets could be outed and murder will be the denouement As McNally stumbles on one cover up after another he has one last chance to catch a killer who will stop at nothing to protect his name

**McNally's Alibi** Vincent Lardo, Lawrence Sanders, 2002 A mysterious collector, a missing manuscript and a troika of lovely ladies challenge Archy McNally Palm Beach's premier man about crime

**McNally's Trial** Lawrence Sanders, 2013-03-12 The Palm Beach PI is on the case of a corpse conspiracy Lawrence Sanders has honed a voice for Archy McNally that is wonderfully infectious The Washington Times Business is booming at Whitcomb Funeral Homes in southern Florida Called in to investigate this inexplicable uptick Palm Beach private investigator Archy McNally finds himself in the middle of a most unusual case In the past six months Whitcomb has shipped out five hundred dead bodies Why are so many caskets leaving the Sunshine State

and being airlifted to New York Boston and Chicago And why did Whitcomb's comely comptroller come to McNally Son in the first place Further complicating McNally's life are his air headed buddy Binky Watrous who wants to be his private eye assistant and his faithful love Connie Garcia who's got her spies when it comes to McNally's weakness for the ladies Murder worthy of the headline Death styles of the Rich and Famous add to McNally's tribulations And the next set of human remains could be his

**The Divide** Nicholas Evans, 2007-02-06 Evans demonstrates the same intricacy of plot and depth of characterization that defined his international best seller *The Horse Whisperer* a heartrending story of a family in crisis Booklist For many anguished months Ben and Sarah Cooper's daughter has been on the run from the FBI wanted for murder and acts of eco terrorism But when Abbie's body is found embedded in the ice of a remote mountain creek the family's devastation deepens into mystery How did she die And what was the trail of events that led this golden child of a loving family so tragically astray In a journey of discovery and redemption that takes us from the streets of New York to the daunting grandeur of the West *The Divide* tells the story of a family fractured by betrayal It explores the pain we inflict on those we love the most and charts the passions and needs the dashed hopes and disillusionments that connect and divide all men and women

Cultural Techniques Bernhard Siegert, 2015-05-01 In a crucial shift within posthumanistic media studies Bernhard Siegert dissolves the concept of media into a network of operations that reproduce displace process and reflect the distinctions fundamental for a given culture *Cultural Techniques* aims to forget our traditional understanding of media so as to redefine the concept through something more fundamental than the empiricist study of a medium's individual or collective uses or of its cultural semantics or aesthetics Rather Siegert seeks to relocate media and culture on a level where the distinctions between object and performance matter and form human and nonhuman sign and channel the symbolic and the real are still in the process of becoming The result is to turn ontology into a domain of all that is meant in German by the word *Kultur* Cultural techniques comprise not only self-referential symbolic practices like reading writing counting or image making The analysis of artifacts as cultural techniques emphasizes their ontological status as in between shifting from first-order to second-order techniques from the technical to the artistic from object to sign from the natural to the cultural from the operational to the representational *Cultural Techniques* ranges from seafaring drafting and eating to the production of the sign signal distinction in old and new media to the reproduction of anthropological difference to the study of trompe l'oeils grids registers and doors Throughout Siegert addresses fundamental questions of how ontological distinctions can be replaced by chains of operations that process those alleged ontological distinctions within the ontic Grounding posthumanist theory both historically and technically this book opens up a crucial dialogue between new German media theory and American postcybernetic discourses
