Edwards, 2023-01-10 Does God hate certain people or does He love everyone Is He jealous of anyone Does He struggle with anger Is He looking for people to be terrified of Him Is He self centered and vindictive Can He be provoked easily Does He lead people astray Is He punishing children grandchildren and great grandchildren for the sins of their forefathers Some argue that the Bible teaches that God is the one who accomplishes all of this Sadly some have reached these incorrect conclusions because they were unable to appreciate the figurative and idiomatic language of Scripture This book Understanding Hebrew Idiomatic Figurative Language teaches us how portrayals of God when examined from the perspective of the Ancient Near Eastern culture from which Scripture was written give us a truly stunning image of the God who is exactly like Jesus A List of Additions Made to the Collections in the British Museum in the Year[s] 1831-[1835]

Sickness? Troy J. Edwards, 2020-08-26 God is said in Scripture to send what he can but doth not hinder from being sent Edward Bird 1726 God has been taking the blame for sickness and disease for centuries We have been told that He sends sickness as an aid to spiritual growth and piety or as a punishment for sin Vast amounts of Scripture have been cited to support this claim This idea has contributed to the lack of faith prevalent in the church today for healing and deliverance After all if God gave a person sickness then His willingness to heal is questionable Faith can only be present where the will of God is known However if sickness is seen as an enemy of God then faith in God s willingness to heal is more likely to rise Numerous apologetic books have been written in support of divine healing but most have not dealt completely with the many Biblical passages that appear to make God the direct cause of sickness This book is different in that it will look at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language in which God is often said to do the

things that He merely allowed or permitted to happen Those passages in both the Old and New Testaments that make God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light You will see God s loving character vindicated your Bible will be a fresh source of blessing and your faith in God for health and healing will soar The Life and Treason of Benedict Arnold Jared Sparks,1835 Life of John Eliot, the Apostle to the Indians Convers Francis,1836 A Catalogue of the Library of Bowdoin College; to which is Added, an Index of Subjects. scholarly and stimulating It should be on the bookshelf of every serious student of the period Nick Needham Lecturer in Church History Highland Theological College Dingwall Scotland Don Horrocks work provides a searching analysis of this key nineteenth century theologian It is likely to be the first recourse on the subject for many years to come Meic Pearse Associate Professor of History Houghton College Don Horrocks spent twenty five years in business in corporate banking and management consultancy He completed his Ph D on which this work is based at London Bible College in 2002 He has headed up the Evangelical Alliance s Policy Commission for four years He was appointed Public Affairs Manager for the Alliance in September 2001 He has edited books on transsexuality and on GM Crops and Foods for the Evangelical Alliance Policy Commission A Research Associate at London School of Theology he is married with three children [British Museum](#) ,
