## **Que Harías Tu What Would You Do:**

What Would You Do? John Quiñones, 2015-04-21 Every day is full of what would you do moments They can be as simple as times when you're considering whether to bother saying thank you to the taxi driver before getting out of the cab Or they can be more complicated such as when you've witnessed discriminating mistreatment of someone and you have to decide whether to speak up We've all been there What Would You Do Doing the Right Thing Even When You Think No One's Watching is full of real life stories and staged ones from the highly rated ABC News program Author John Quiñones takes readers on a journey of self discovery and inspires them to act in ways they would if they thought a hidden camera was focused on them

Buil,2014-06-02 This book makes a significant contribution to the Second Language Acquisition research field as it is the only  
study that exists on the acquisition of the Spanish Determiner Phrase DP by speakers of a Bantu language The corpus was  
compiled using data from 14 interviews carried out over a 25 month period The subjects of the study were four Swahili  
speakers learning Spanish as a third language English is their L2 at the State University of Zanzibar Tanzania The data  
collected longitudinally was used to characterize the DP of the Swahili Spanish IL and observe Bantu transfer This study also  
represents an important contribution to the discussion on Creole formation since it provides valuable information on the role

played by adult speakers in the formation of Creole languages In this book the features of the DP in the IL are compared with those of the DP found in three Spanish lexifier Creoles Palenquero Chabacano and Papiamentu Although similar work has been done comparing the interlanguage of learners of English and French with Creoles that have these languages as lexifiers no comparative studies of this type have been conducted for Spanish Moreover in the case of Palenquero this study also represents the first of its kind to examine languages in which the substrate and the L1 involved belong to the same family of Bantu languages
